Cash (Continued)

- 3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. We found no exceptions.
- 4. We confirmed the December 31, 2019 bank account balances for the Township through the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
- 5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.
- 6. We inspected the Fund Balance Adjustment Listing to determine whether the audit adjustment identified in the prior audit report, due from the Gasoline Tax Fund, payable to the General Fund, was properly posted to the report. We found no exceptions.
- 7. We traced interbank account transfers occurring in December of 2019 and 2018 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.

Property Taxes and Intergovernmental Receipts

- 1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Vendor Detail Auglaize County Reports for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to confirm the receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions. However, in 2019 and 2018, rollback receipts were improperly classified as property tax and miscellaneous instead of intergovernmental.
 - c. We inspected the Revenue Ledger to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
- We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.

Debt

- 1. The prior audit documentation disclosed no debt outstanding as of December 31, 2017.
- 2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. There were no new debt issuances, nor any debt payment activity during 2019 or 2018.

Payroll Cash Disbursements

- 1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Payroll Ledger and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Ledger to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We noted no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by state statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
- 2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes &	January 31, 2020	January 6, 2020	\$335.81	\$335.81
Medicare				
State income taxes	January 31, 2020	December 30, 2019	\$111.00	\$111.00
School income tax	January 31, 2020	December 30, 2019	\$86.85	\$86.85
OPERS retirement	January 30, 2020	December 13, 2019	\$926.38	\$926.38

- 3. For the pay periods ended January 31, 2019 and June 30, 2018, we
 - a. Recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Funds per the Payroll Ledger.
 - b. Traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires.

In 2019 and 2018, we found that the trustees were not paid from the correct fund per payroll certifications. The Township has posted an adjustment to their accounting system decreasing the General fund by \$46 and increasing the Gasoline Tax fund by \$46. We found no other exceptions.

- 4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
- 5. We inquired of management and inspected the Payroll Ledger for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations. However, we noted a Trustee was reimbursed from an incorrect fund in 2019. The Township has posted an adjustment to their accounting system increasing the General Fund by \$151 and decreasing the Gasoline Tax Fund by \$151.

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.

Compliance - Budgetary

- Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax, and Gasoline Tax Funds. There were no funds for which expenditures exceeded appropriations.
- 2. We inspected the 2019 and 2018 Revenue Ledger and the Appropriation Ledger for evidence of interfund transfers exceeding \$10 which Ohio Rev. Code Sections 5705.14 .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
- 3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

- We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
- 3. We inquired with Township management and determined that the Township did not have any denied public records requests during the engagement period.
- 4. We inquired with Township management and determined that the Township did not have any public records requests with redactions during the engagement period.
- We inquired with Township management and determined that the Township did not have a records retention policy during the engagement period and therefore could not make it readily available to the public.

Sunshine Law Compliance (Continued)

- 6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.
- 7. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period therefore the public records policy could not be included.
- 8. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township. We found no exceptions.
- We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
- 10. We inspected individual training certificates and determined whether each elected official (or his designee) successfully attended a certified three-hour Public Records Training for each term of office. We found that three trustees did not attend a Public Records Training. Two of the trustees have until the end of their terms to attend the training and one trustee did not attend a Public Records Training during his term. We found no other exceptions.
- 11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
- 12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared a file is created following the date of the meeting
 - b. Filed placed with similar documents in an organized manner
 - c. Maintained retained, at a minimum, for the engagement period
 - d. Open to public inspection available for public viewing or request.

We found no exceptions.

- 13. We inspected the minutes from the engagement period and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
