Akron, Ohio 44308

We have reviewed the *Independent Auditor's Report* of the Coventry-Akron Joint Economic Development District, Summit County, prepared by Plante & Moran, PLLC, for the audit period January 1, 2019 through December 31, 2019. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Coventry-Akron Joint Economic Development District is responsible for compliance with these laws and regulations.

Independent Auditor's Report

To the Board of Directors
Coventry-Akron Joint Economic Development District

Report on the Financial Statement

We have audited the accompanying financial statement of Coventry-Akron Joint Economic Development District (the "District"), which comprises the statement of receipts, disbursements and changes in fund balances for the year ended December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described more fully in Note 1 to the financial statement, the District prepared the financial statement using accounting practices prescribed or permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which have practices that differ from accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Though the District does not intend the statement to conform to generally accepted accounting principles (GAAP), auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis permitted by Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

To the Board of Directors
Coventry-Akron Joint Economic Development District

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the District or its changes in financial position thereof for the year ended December 31, 2019.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the receipts, disbursements, and changes in fund balances of Coventry-Akron Joint Economic Development District for the year ended December 31, 2019 in accordance with financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), as described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 25, 2020 on our consideration of Coventry-Akron Joint Economic Development District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Coventry-Akron Joint Economic Development District's internal control over financial reporting and compliance.

Plante & Moran, PLLC

June 25, 2020

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To Management and the Board of Directors
Coventry-Akron Joint Economic Development District

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of Coventry-Akron Joint Economic Development District (the "District"), which comprises the statement of receipts, disbursements and changes in fund balances as of December 31, 2019, and the related notes to the financial statement and have issued our report thereon dated June 25, 2020, wherein we noted the District followed financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D).

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To Management and the Board of Directors
Coventry-Akron Joint Economic Development District

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Fund cash balances, December 31, 2019	\$0

The notes to the financial statements are an integral part of this statement.

Coventry-Akron Joint Economic Development District

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

In 1994 the City of Akron entered into a JEDD contract with the Township of Coventry (Coventry). This contract created the District under the authority of the Ohio Revised code Sections 715.70 and 715.71 and was approved by voters on November 8, 1994 and commences on this date. The District operates under an appointed six member Board of Directors established in accordance with Ohio Revised Code Sections 715.70, particularly Section 715.70(E). The District Board has approved an income tax rate equal to the rate of municipal income tax levied by the City of Akron, currently at a rate of 2.5%. The purpose of the District is to facilitate economic development to create or preserve jobs and employment opportunities and to improve the economic welfare of the people in the State, the County, the City, the Township and the District.

B. Accounting Basis

The financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. Receipts are recognized when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred.

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

C. Cash and Cash Equivalents, Fund Balance, and Cash Deposits

The District does not have cash or cash equivalents. The fund balance, or cash equivalents, is expended in their entirety as the income taxes are collected.

D. Local Income Tax

The District Board levies an income tax equal to the rate of municipal income tax levied by the City of Akron, currently at a rate of 2.5%, on substantially all earned income arising from employment or business activities with the district. The District Board has contracted with the City of Akron to administer, collect and enforce the income tax on behalf of the District. The Director of Finance of the City of Akron shall be the Administrator of the income tax of the District, who shall be responsible for the receipt, safekeeping and investment of the income tax revenues collected within the District.

The Tax Agreement provides that the Administrator quarterly shall provide the District with an amount sufficient to pay the outstanding or expected administrative expenses of the operation of the District of that quarter. The balance of the net district revenue shall be distributed by the Administrator in accordance with the contract, without need of further action by the Treasurer or District Board.

E. Subsequent Event

The United States and the State of Ohio declared a state of emergency in March 2020 due to the global Coronavirus Disease 2019 (COVID-19) pandemic. The financial impact of COVID-19 will impact subsequent periods of the JEDD District. The impact on the JEDD District's future operating costs, revenues, and any recovery from emergency funding, either federal or state, cannot be estimated.
