We have reviewed the *Independent Accountants' Report on Applying Agreed-Upon Procedures* of Granville Township, Mercer County, prepared by Julian & Grube, Inc., for the period January 1, 2018 through December 31, 2019. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Granville Township is responsible for compliance with these laws and regulations.

Independent Accountants' Report on Applying Agreed-Upon Procedures

Granville Township
Mercer County
141 S. Walnut Street
St Henry, Ohio 45883

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Granville Township (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2017 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed via telephone the December 31, 2019 bank balance with the Township's financial institution. The balances agreed. We also agreed the confirmed balance to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Mercer County Auditor Payment Report for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger Report. The amounts agreed.
 - b. We inspected the Revenue Ledger Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Ledger Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger Report to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger Report included the proper number of tax receipts for each year.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following bond was outstanding as of December 31, 2017. The amount agreed to the Townships January 1, 2018 balance on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2017:
Truck Acquisition Bond	\$39,933

2. We inquired of management, and inspected the Revenue Ledger Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3, except the schedule reported excess principal payments in the amount of \$1,120 for the year ended December 31, 2019.
3. We obtained a summary of bond debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedule to the Road and Bridge fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. Principal paid was overstated \$1,120 on the December 31, 2019 summary schedule. Additionally, the Township did not establish a separate Bond Retirement Fund for the purpose of making principal and interest payments as indicated in the bond agreement.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage and Overtime Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage and Overtime Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the funds and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel file and/or minute record as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2020	December 31, 2019	\$377.20	\$377.20
State income taxes	January 31, 2020	December 31, 2019	\$208.44	\$208.44
School District income tax	January 31, 2020	December 31, 2019	\$42.39	\$42.39
OPERS retirement	January 31, 2020	December 31, 2019	\$1,052.71	\$1,052.71

3. For the pay periods ended July 31, 2019 and April 30, 2018, we
 - a. Recomputed the allocation of the Fiscal Officer's and Boards' salaries to the General, Gasoline Tax, and Road and Bridge Fund per the Wage Earnings Export Report.
 - b. Traced the Fiscal Officer's and Boards' salary for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
5. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

1. We haphazardly selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found one check to a Township Trustee for annual barn and equipment rental/storage fees in the amount of \$599. The Township was unable to provide an invoice or contract related to this disbursement.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found two instances in 2019 where the certification date was after the vendor invoice date, and there was no evidence that a *Then and Now Certificate* was issued. Ohio Revised Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax and Road and Bridge fund. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Ledger Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$0 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have any denied public records requests from the engagement period.
4. We inquired with Township management and determined that the Township did not have any public records requests with redactions from the engagement period.
5. We inquired whether the Township has a records retention policy, and observed that it is readily available to the public. We found no exceptions.
6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. We found no exceptions.
7. We inquired with Township management and determined that the Township did not have a policy manual during the engagement period, therefore the public records policy could not be included.
8. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township. We found no exceptions.
9. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.

10. We inspected the Fiscal Officer's training certificate, and determined whether each elected official (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office. We found no exceptions.
11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period are to be held. We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting.
 - b. Filed – placed with similar documents in an organized manner.
 - c. Maintained - retained, at a minimum, for the engagement period.
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
13. We inspected the minutes from the engagement period and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions, however the Township never went into executive session during the engagement period.

Other Compliance

Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
