Council Members
Lawrence County Schools Council of Governments
304 North Second Street
Ironton, Ohio 45638

We have reviewed the *Independent Auditor's Report* of the Lawrence County Schools Council of Governments, Lawrence County, prepared by BHM CPA Group, Inc., for the audit period October 1, 2018 through September 30, 2019. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Lawrence County Schools Council of Governments is responsible for compliance with these laws and regulations.

A handwritten signature in cursive script that reads 'Keith Faber'.

INDEPENDENT AUDITOR'S REPORT

Lawrence County Schools Council of Governments
Lawrence County
304 North Second Street
Ironton, Ohio 45638

To the Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the Lawrence County Schools Council of Governments, Lawrence County, Ohio (the Council), as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Lawrence County Schools Council of Governments, Lawrence County as of September 30, 2019, and the changes in its financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *management's discussion and analysis and claims development information* listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 6, 2020, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

Lawrence County Schools Council of Governments

*Management's Discussion and Analysis
For the Fiscal Year Ended September 30, 2019
(Unaudited)*

The discussion and analysis of the Lawrence County Schools Council of Government's (the "Council") financial performance provides an overall review of the Council's financial activities for the fiscal year ended September 30, 2019. The intent of this discussion and analysis is to look at the Council's financial performance as a whole; readers should also review the basic financial statements and the notes to the basic financial statements to enhance their understanding of the Council's financial performance.

FINANCIAL HIGHLIGHTS

Key financial highlights for 2019 are as follows:

- The assets of the Lawrence County Schools Council of Governments exceeded its liabilities at September 30, 2019 by \$2,828,142.
- Net position of the Lawrence County Schools Council of Governments increased \$2,442,590 from the prior year.

OVERVIEW OF BASIC FINANCIAL STATEMENTS

The Council is a single enterprise fund using proprietary fund accounting, similar to private sector business. The Basic Financial Statements are presented using the accrual basis of accounting.

The **Statement of Net Position** includes all of the Council's Assets and Liabilities. These statements provide information about the nature and amounts of investments in resources (assets) owned by the Council, and obligations owed by the Council (liabilities) on September 30, 2019. The Council's net position is the difference between assets and liabilities.

The **Statement of Revenues, Expenses and Changes in Net Position** provides information on the Council's operations over the past year and the success of recovering all its costs through user fees, charges and other income. Revenues are reported when earned and expenses are reported when incurred.

The **Statement of Cash Flows** provides information about the Council's cash receipts and cash disbursements. It summarizes the net changes in cash resulting from operating, investing, noncapital financing and capital financing activities.

The notes to the basic financial statements are an integral part of the basic financial statements and provide expanded explanation and detail regarding the information reported in the basic financial statements.

STATEMENT OF NET POSITION

Table 1 provides a summary of the Council's net position for 2019 as compared to 2018.

Table 1
Net Position

	2019	2018
<u>Assets</u>		
Current and Other Assets	\$5,731,456	\$3,396,582
Total Assets	5,731,456	3,396,582
<u>Liabilities</u>		
Current and Other Liabilities	2,903,314	3,011,030
Total Liabilities	2,903,314	3,011,030
<u>Net Position</u>		
Unrestricted	2,828,142	385,552
Total Net Position	\$2,828,142	\$385,552

Current and other assets mainly consisted of cash. Current and other assets increased primarily due to a \$2,074,507 increase in equity in pooled cash and cash equivalents. Accounts receivable also increased due to rebates due to the Council at year end.

Current and other liabilities consisted of claims payable, accounts payable, and unearned revenue. Current and other liabilities decreased due mainly to a \$123,223 decrease in unearned revenue. Claims payable and accounts payable remained consistent with the prior year.

The Council's net position is unrestricted. The net position represents resources that may be used to meet the Council's ongoing obligations to pay medical claims and other expenses and when there is a deficit balance then additional resources will be required to pay medical claims and other expenses.

(Unaudited)

STATEMENT OF CHANGES IN NET POSITION

Table 2 shows the changes in net position for the fiscal year ended September 30, 2019 as compared to 2018.

Table 2
Changes in Net Position

	2019	2018
Operating Revenues:		
Charges for Services	\$20,074,438	\$19,930,619
Total Operating Revenues	20,074,438	19,930,619
Operating Expenses:		
Claims	15,766,552	16,434,068
Administrative and Stop Loss Fees	1,558,700	1,799,185
Other Purchased Services	342,130	337,889
Miscellaneous	1,396	10,791
Total Operating Expenses	17,668,778	18,581,933
Nonoperating Revenue:		
Interest Income	36,930	4,728
Change in Net Position	2,442,590	1,353,414
Net Position - Beginning of Year	385,552	(967,862)
Net Position - End of Year	\$ 2,828,142	\$ 385,552

The most significant expenses for the Council are Claims. Claims, which represent 89.2 percent of total expenses, represent medical claims and prescription costs paid as benefits for employees of the members of the Council. Claims expense decreased \$667,516 from the prior year (4.1%) due to an increase in rebates on prescriptions and a decrease in claims paid.

The most significant revenue for the Council is charges for services. Charges for services are premiums received from member districts and increased \$143,819 from the prior year.

BUDGET HIGHLIGHTS

The Lawrence County Schools Council of Councils is not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At September 30, 2019, the Council had no capital assets.

Debt Administration

At September 30, 2019, the Council had no debt outstanding.

Lawrence County Schools Council of Governments

*Management's Discussion and Analysis
For the Fiscal Year Ended September 30, 2019
(Unaudited)*

CURRENT ISSUES

Management believes that the Lawrence County Schools Council of Government is financially stable. The Council has taken steps to reduce claims expense which generated net income in fiscal year 2019. The Council still faces challenges in trying to reduce claims expense as health care costs continue to escalate. The Council continues to utilize the services of a consultant (Employee Management Services) who has and will continue to assist the Council in reducing claimants who were resulting in higher claims to the District. Additionally, the Council continues to consider alternate healthcare options to reduce costs for both it and participants on the plan. The Council utilizes a broker, Marsh & McLennan Agency, to negotiate insurance costs and rebates, as well as, provide insurance options for consideration with the purpose of reducing costs. Further, in 2019, different investment options were considered to increase interest income. The Council will continue to consider different investment options and amounts for the purpose of increasing its balance.

The Council will continue to carefully evaluate ongoing activity and any additional changes as needed to ensure the financial stability of the Council in the future. Careful financial planning will permit the Council to provide quality benefits for the employees of the member districts. The Council continues to look at taking additional steps which may ultimately result in reduced future health care costs.

CONTACTING THE GOVERNMENT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, creditors, and investors with a general overview of the Council's finances and to reflect the Council's accountability for the monies it receives. Questions about this report or additional financial information should be directed to Brenda Hill, Treasurer at the fiscal agent, Lawrence County Educational Service Center, 304 North Second Street, Ironton, Ohio 45638.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

1. DESCRIPTION OF COUNCIL OF GOVERNMENTS AND REPORTING ENTITY

A. Description of the Entity

The Lawrence County Schools Council of Governments, Lawrence County, Ohio (the Council), formed effective October 1, 2011, is a Regional Council of Governments, governed by and construed in accordance with the laws of the State, and it is the intention of the Council Members that their agreements shall comply with section 9.833 of the Ohio Revised Code. The Council is established for the purpose of exercising the rights and privileges conveyed to it by the Bylaws (agreement) of the Council.

The Lawrence County Schools Council of Government is a legally separate Council. The Council is in a jointly governed organization with member governmental entities. The Council was formed for the primary purpose of establishing and carrying out a cooperative health program for its member governmental entities. The governing board consists of the superintendent or other designee appointed by each of the members of the Council.

The Council utilizes the Lawrence County Educational Service Center as its fiscal agent. The financial activity for the Council is reflected as an agency fund of the fiscal agent.

Management believes the financial statements included in this report represent all of the financial activity of the Council over which the Council has the ability to exercise direct operating control.

The Council is a partially self-funded pool for health insurance (medical and prescription drug). The Council uses a third-party administrator to adjudicate claims, approve/deny claims according to the certificate of coverage, and reimburse medical/Rx providers. Anthem Blue Cross Blue Shield was the third-party administrator for medical insurance as well as the stop loss provider. ExpressScripts is the third-party administrator for Rx claims. To protect the Council from catastrophic claims, the Council purchased specific stop loss insurance for its medical/Rx plans. This coverage, includes a specific stop loss limit of \$250,000 per subscriber with no maximum per subscriber per contract period.

The Council administers the monthly billings and collections from council members. The Council uses Fishel, Downey, Albrecht & Riepenhoff LLP for the management, bidding, and labor relations services. The Council utilized Marsh & McLennan Agency in relation to actuarial certification of reserves under Ohio Revised Code 9.833.

To withdraw from the Health Benefit Program, the withdrawing member shall submit a written request to withdraw to the Board of Directors one year prior to the effective date which shall be June 30th of the requested year. The Board of Directors may waive the one year written notice if they so desire. Upon withdrawal from the Health Benefits Program, a withdrawing Member of at least five (5) years shall be entitled to recover their net excess pooled share of the Operating Fund as of June 30th of the year the member is withdrawing. A withdrawing Member of less than five (5) five years shall not be entitled to recover the initial cost. The Fiscal Agent shall distribute their net pooled share to the withdrawing Member not earlier than 90 days and not later than 180 days following receipt of the withdrawing Member. All claims submitted by Covered Persons of the withdrawing Member after the recovery of funds shall be exclusively the liability of the withdrawing Member and the withdrawing Member specifically waives all claims and rights against the Operating Fund and the Health Benefits Program as a result of claims filed after such recovery of funds.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the Council have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to Governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Council's accounting policies are described below.

The Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, Basic Financial Statements – Management's Discussion and Analysis – for State and Local Councils. Certain items of significance in the Statement include the following:

A. Basis of Presentation

The Council's basic financial statements consist of a statement of net position; a statement of revenues, expenses, and change in net position; and a statement of cash flows. The Council uses a single enterprise presentation for its financial records. Enterprise reporting focuses on the determination of operating income, changes in net position, and cash flows.

B. Measurement Focus

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the statement of net position. Statement of revenues, expenses and change in net position present increases (i.e., revenues) and decreases (i.e., expenses) in total net position. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the basic financial statements. Basis of accounting relates to the timing of the measurements made. The accrual basis of accounting is utilized for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

C. Basis of Accounting

As stated above, basis of accounting determines when transactions are recorded in the financial records and reported in the basic financial statements. The Council's basic financial statements are prepared using the accrual basis of accounting. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenue resulting from the nonexchange transactions, in which the Council receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the period in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the period when the resources are required to be used or the period when use is first permitted, matching requirements, in which the Council must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Council on a reimbursement basis. Expenses are recognized at the time they are incurred.

D. Cash and Investments

The Council's cash is held and invested by the fiscal agent, Lawrence County Educational Service Center, (the "Service Center"). The Service Center acts as a custodian for Council monies. The Council's assets are held by the Service Center in a separate demand deposit account and StarOhio.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Cash and Investments (continued)

During fiscal year 2019, the Council's investments were limited to funds invested in the State Treasury Assets Reserve of Ohio (STAROhio). STAROhio is an investment pool managed by the State Treasurer's Office that allows governments within the State to pool their funds for investment purposes. STAROhio is not registered with the SEC as an investment company, but has adopted Governmental Accounting Standards Board (GASB), Statement No. 79, "Certain External Investment Pools and Pool Participants." The School District measures their investment in STAR Ohio at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

For 2019, there were no limitations or restrictions on any participant withdrawals due to redemption notice periods, liquidity fees, or redemption gates. However, 24 hours advance notice is appreciated for deposits and withdrawals of \$25 million or more. STAR Ohio reserves the right to limit the transaction to \$100 million per day, requiring the excess amount to be transacted the following business day(s), but only to the \$100 million limit. All accounts of the participant will be combined for these purposes.

E. Net Position

Net position represents the difference between assets and liabilities. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Council or through external restrictions imposed by creditors, grantors or laws, or regulations of other governments.

The Council applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

As of September 30, 2019, the Council had no net position considered to be restricted by enabling legislation.

F. Budgetary Process

The member governments of the Council are required by Ohio law to adopt an annual budget. The Council itself does not adopt a budget.

G. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the Council. For the Council, these revenues are charges for insurance services provided. Operating expenses are necessary costs incurred to provide the goods and/or services that are the primary activity of the fund. For the Council, these expenses are for claims, administrative and stop loss fees, other purchased services, and any other operating related expenses. All revenues and expenses not meeting this definition are reported as non-operating.

H. Unearned Revenue

Unearned revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Payments made by member districts in September 2019 for invoices issued in September 2019 are for claims to be incurred after fiscal year end and are reported as unearned revenue at year end.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

I. Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported on the basic financial statements and accompanying notes. Actual results may differ from those estimates.

J. Claims Payable

Claims incurred during the current fiscal year, but not paid until the subsequent fiscal year are recorded as a liability in the accompanying financial statements. Please see Note 4 for additional information.

3. DEPOSITS AND INVESTMENTS

Monies held by the Council are classified by State statute into three categories.

Active monies are public monies determined to be necessary to meet current demands upon the Council treasury. Active monies must be maintained either as cash in the Council treasury, in commercial accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.

Inactive deposits are public deposits that the Board has identified as not required for use within the current five year period of designation of depositories. Inactive deposits must either be evidenced by certificates of deposit maturing not later than the end of the current period of designation of depositories, or by savings or deposit accounts including, but not limited to, passbook accounts.

Interim deposits are deposits of interim monies. Interim monies are those monies which are not needed for immediate use but which will be needed before the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificates of deposit maturing not more than one year from the date of deposit or by savings or deposit accounts, including passbook accounts.

Interim monies held by the School District can be deposited or invested in the following securities:

1. United States Treasury bills, bonds, notes, or any other obligation or security issued by the United States Treasury, or any other obligation guaranteed as to principal and interest by the United States;
2. Bonds, notes, debentures, or any other obligation or security issued by any federal government agency or instrumentality including, but not limited to, the Federal National Mortgage Association, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, and Government National Mortgage Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;
3. Written repurchase agreements in the securities listed above provided the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily, and the term of the agreement must not exceed thirty days;

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

3. DEPOSITS AND INVESTMENTS

2. Bonds and other obligations of the State of Ohio, and with certain limitations bonds and other obligations of political subdivisions of the State of Ohio;
3. Time certificates of deposit or savings or deposit accounts including, but not limited to, passbook accounts;
4. No-load money market mutual funds consisting exclusively of obligations described in division (1) or (2) and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;
5. The State Treasurer's investment pool (STAR Ohio);
6. Certain bankers' acceptances and commercial paper notes for a period not to exceed one hundred eighty days in an amount not to exceed 40 percent of the interim monies available for investment at any one time if training requirements have been met.

Investments in stripped principal or interest obligations, reverse repurchase agreements, and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage, and short selling are also prohibited. An investment must mature within five years from the date of purchase unless matched to a specific obligation or debt of the Council, and must be purchased with the expectation that it will be held to maturity.

Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the Treasurer or qualified trustee or, if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

Deposits: Custodial credit risk is the risk that in the event of bank failure, the Council will not be able to recover deposits or collateral securities that are in the possession of an outside party. At year end, \$4,090,328 of the Council's bank balance of \$4,400,328 was exposed to custodial credit risk because those deposits were uninsured and collateralized. Although all statutory requirements for the deposit of money had been followed, noncompliance with Federal requirements could potentially subject the Council to a successful claim by the Federal Deposit Insurance Corporation.

The Council does not have a deposit policy for custodial credit risk beyond the requirements of State statute. Ohio law requires that deposits either be insured or be protected by:

Eligible securities pledged to the Council and deposited with a qualified trustee by the financial institution as security for repayment whose market value at all times shall be at least 105 percent of the deposits being secured; or participation in the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution. OPCS requires the total market value of the securities pledged to be 102 percent of the deposits being secured or a rate set by the Treasurer of State.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

3. DEPOSITS AND INVESTMENTS

Investments: The Council’s investments in STAROhio are unclassified investments since they are not evidenced by securities that exist in physical or book entry form.

<u>Measurement/Investment</u>	<u>Measurement Amount</u>	<u>Maturity</u>
Cost/STAROhio	<u>\$ 1,001,333</u>	< 30 days

The Council categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. As discussed further in Note 2D, STAR Ohio is reported at its share price. The above chart identifies the Council’s recurring fair value measurements as of September 30, 2019. The Council’s investment measured at fair value is valued using quoted market prices (Level 1 inputs).

Interest rate risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Although the Council does not have an investment policy, the Council manages its exposure to declines in fair values by limiting the weighted average maturity of its investment portfolio.

Credit Risk – Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The School District limits their investments to STAROhio. Investments in STAR Ohio were rated AAAM by Standard & Poor’s.

Concentration of credit risk – Concentration of credit risk is the risk of loss attributed to the magnitude of a government’s investment in a single issuer. The Council does not have an investment policy which allows investments not outlined in the sections of Chapter 135 of the Ohio Revised Code, at a price not exceeding their fair market value. The Council has invested 100 percent in STAROhio.

Custodial Credit Risk - Custodial credit risk is the risk that in the event of the failure of the counterparty, the School District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Council has no investment policy dealing with investment custodial risk beyond the requirement in state statute that prohibits payment for investments prior to the delivery of the securities representing such investments to the treasurer or qualified trustee.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

4. RISK MANAGEMENT

The Lawrence County Schools Council of Governments, Lawrence County, Ohio (the Council), is a Regional Council of Governments, governed by and construed in accordance with the laws of the State (Chapter 167 of the Ohio Revised Code), and it is the intention of the Council Members that their agreements shall comply with section 9.833 of the Ohio Revised Code. The Council is established for the purpose of exercising the rights and privileges conveyed to it by the Bylaws (agreement) of the Council.

The Council is governed by a Board of Directors who selects qualified insurance companies that provide the health insurance that is adequate to meet the needs of each member school under its benefit plan for its employees. The Board of Directors is composed of one representative from each member school.

The Council is self-insured for health insurance and prescription drugs. Annual premiums are determined by a majority vote of the Directors.

To withdraw from the Health Benefit Program, the withdrawing member shall submit a written request to withdraw to the Board of Directors one year prior to the effective date which shall be June 30th of the requested year. The Board of Directors may waive the one year written notice if they so desire. Upon withdrawal from the Health Benefits Program, a withdrawing Member of at least five (5) years shall be entitled to recover their net excess pooled share of the Operating Fund as of June 30th of the year the member is withdrawing. A withdrawing Member of less than five (5) five years shall not be entitled to recover the initial cost. The Fiscal Agent shall distribute their net pooled share to the withdrawing Member not earlier than 90 days and not later than 180 days following receipt of the withdrawing Member. All claims submitted by Covered Persons of the withdrawing Member after the recovery of funds shall be exclusively the liability of the withdrawing Member and the withdrawing Member specifically waives all claims and rights against the Operating Fund and the Health Benefits Program as a result of claims filed after such recovery of funds.

The claims liability of \$1,331,000 reported at September 30, 2019 is based on an estimate provided by the third-party administrator and the requirements of GASB Statement No. 10 "Accounting and Financial Reporting for Risk Financing and Related Insurance Issues", which requires that a liability for unpaid claim costs, including estimates of costs relating to incurred but not reported claims, be reported. The estimate was not affected by incremental claim adjustment expenses and does not include other allocated or unallocated claim adjustment expenses.

Changes in claims activity for the current and prior fiscal year are as follows:

	<u>Balance at Beginning of Year</u>	<u>Current Year Claims</u>	<u>Claim Payments</u>	<u>Balance at End of Year</u>
2018	\$1,314,000	\$16,434,068	\$16,427,068	\$1,321,000
2019	1,321,000	15,766,552	15,756,552*	1,331,000

* - Claims payments differ with amount reflected on the Statement of Cash Flows due to a \$275,992 rebate adjustment that increased claims expense and is recorded as an accounts receivable adjustment in the accompanying financial statements.

Lawrence County Schools Council of Governments

Lawrence County

Notes to the Basic Financial Statements

For the Fiscal Year Ended September 30, 2019

5. SHARED RISK POOL

The Lawrence County Schools Council of Governments is a shared risk pool created pursuant to State statute for the purpose of administering health care benefits. The Council is governed by a council; which consists of the superintendent from each participating Council. The Council elects its officers for one-year terms to serve on the Board of Directors. The council exercises control over the operation of the council. All council revenues are generated from charges for services received from the participating Councils, based on the established premiums for the insurance plans. The Lawrence County Educational Service Center is the fiscal agent of the Council.

6. LOSS RESERVE

The loss reserve for the Lawrence County Schools Council of Governments is not less than 20 percent nor more than 30 percent of claims paid for the preceding 12-month period that would not be covered by Aggregate Stop-Loss Insurance. At September 30, 2019 the reserve for health and prescription drug was \$1,431,000. The Council's excess cash balance over the reserve/surplus calculation at September 30, 2019 was \$3,970,661.

LAWRENCE COUNTY SCHOOLS COUNCIL OF GOVERNMENTS

CLAIMS DEVELOPMENT

YEARS ENDED SEPTEMBER 2012 THROUGH SEPTEMBER 2019

Claims Development Information

The following table illustrates how Lawrence County Schools Council of Governments' (Council) earned revenues and investment income compare to related costs of loss and other expenses assumed by the Council. The rows of the table are defined as follows:

- 1) This section shows the total of each fiscal year's earned contract revenues and investment revenues.
- 2) This line shows each fiscal year's other operating costs of the Council including overhead and claims expense not allocable to individual claims.
- 3) This section shows the Council's estimated incurred claims and allocated claim adjustment expense (both paid and accrued) as originally determined for each policy year.
- 4) This section of rows shows the cumulative amounts paid as of the end of successive years for each policy year.
- 5) This line compares the cumulative incurred claims amount to the amount originally established (line 3) and shows whether the cumulative claims cost is greater or less than originally thought. As data for individual policy years mature, the correlation between the original estimated and cumulative claims amounts is commonly used to evaluate the accuracy of incurred claims currently recognized in less mature policy years. The columns of the table show data for successive policy years.

Note: The following table only reports years 2012 through current, since 2012 was the first fiscal year that the Council operated.

5. Increase (decrease) in net paid claims from estimated incurred claims for policy year.	(6,944,929)	(4,257,275)	(1,808,647)	(505,277)	258,296	123,065	(1,009,546)	(6,362,712)

(a) - Reported for fiscal year ended September 30 for each year.

(b) - Report for policy year ended April 30 for each year. The third party administrator provides an estimate of claims for each policy year at the beginning of the policy year. They do not recalculate estimates of claims after that date.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Lawrence County Schools Council of Governments
Lawrence County
304 North Second Street
Ironton, Ohio 45638

To the Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Lawrence County Schools Council of Governments, Lawrence County, (the Council) as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements and have issued our report thereon dated March 6, 2020.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. *A material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
