We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Port Authority of Springfield, Ohio, Clark County, (the Authority) for the years ended December 31, 2019 and 2018.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Authority's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Authority's financial statements, transactions or balances for the years ended December 31, 2019 and 2018.

The Authority's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found no significant compliance or accounting issues to report.
