We have reviewed the *Independent Auditor's Report* of the Public Entity Risk Consortium, Mahoning County, prepared by James G. Zupka, CPA, Inc., for the audit period December 1, 2018 through November 30, 2019. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Public Entity Risk Consortium is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Public Entity Risk Consortium
Youngstown, Ohio

The Honorable Keith Faber
Auditor of State
State of Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of the Public Entity Risk Consortium (OERC), Mahoning County, Ohio as of and for the fiscal year ended November 30, 2019, and the related notes to the financial statements, which collectively comprise PERC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to PERC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PERC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Public Entity Risk Consortium, Mahoning County, Ohio as of November 30, 2019, and the respective changes in financial position, and cash flows thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *Management's Discussion and Analysis, Ten-Year Claims Development Information*, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 20, 2020, on our consideration of Public Entity Risk Consortium's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering PERC's internal control over financial reporting and compliance.

**PUBLIC ENTITY RISK CONSORTIUM
MAHONING COUNTY, OHIO
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2019**

The discussion and analysis of the Public Entity Risk Consortium (PERC) financial statements provides an overall review of PERC's financial activities for the fiscal year ended November 30, 2019. The intent of this discussion and analysis is to look at PERC's financial performance as a whole. Readers should also review the basic financial statements and the notes to the basic financial statements to enhance their understanding of PERC's financial performance.

FINANCIAL STATEMENTS

Key financial highlights for the fiscal year 2019 are as follows:

- PERC's net financial position at November 30, 2019 was \$6,462,277.
- PERC has hired an independent actuary, Financial Risk Analysts, LLC to determine the loss and loss adjustment/expense reserves. Based upon the actuary's report, the loss and loss adjustment expense reserves were \$2,464,481 at November 30, 2019 compared to \$2,022,121 at November 30, 2018.
- PERC had operating revenues from its members of \$5,700,522 and operating expenses of \$5,123,387 for the fiscal year. In addition, PERC had \$61,055 in claim recoveries, \$191,406 in investment income. The net income and increase in net position was \$82,812 for the fiscal year.

REPORTING OF FINANCIAL ACTIVITIES

The table below provides a summary of PERC's net position for November 30, 2019 and 2018.

Table 1 - Condensed Statement of Net Position Compared to Prior Year

	2019	2018
<u>Assets</u>		
Cash and Cash Equivalents	\$ 7,217,527	\$ 5,855,068

MAHONING COUNTY, OHIO
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2019**

NOTE 1: DESCRIPTION OF THE ORGANIZATION

The Public Entity Risk Consortium (PERC) is a joint self-insurance pool consortium established pursuant to the rights and privileges conveyed to it by the Constitution and laws of the State of Ohio as defined by being organized under the Ohio Revised Code Chapter 2744.081. PERC is a shared risk pool as defined by Governmental Accounting Standards Board Statement No. 10. It was formed to carry out a cooperative program for the provisions and administration of a self-insurance pool to provide excess coverage for automobile liability, general liability, crime and property, automobile physical damage, and public official's liability in accordance with PERC's agreement and bylaws. In addition to the self-insurance pool, PERC provides risk management services, loss prevention programs, and various other educational materials. The members of PERC include the following entities within the State of Ohio: City of Lorain, BORMA, Inc., Midwest Pool Risk Management Agency, Inc. (MPRMA), Ohio Housing Authority Property and Casualty, Inc. (OHAPCI), State Housing Authority Risk Pool Association, Inc. (SHARP), and the counties of Tuscarawas and Wayne. PERC does not have any financial accountability over entities as defined by GASB Statement No. 14, *The Financial Reporting Entity*, as amended by GASB Statement No. 39, *Determining Whether Certain Organizations Are Component Units*, and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus*, an amendment of GASB Statement No. 14 and GASB Statement No. 34.

NOTE 2: SUMMARY OF SIGNICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

These financial statements have been prepared in conformity with accounting principles generally accepted in the United States (GAAP), provided that they do not conflict or contradict statements issued by the Governmental Accounting Standards Board (GASB). GASB Statement No. 10, *Accounting and Financial Reporting for Risk Financing and Related Insurance Issues*, as amended by GASB Statement No. 30, *Risk Financing Omnibus – an Amendment of GASB Statement No. 10*, and GASB Statement No. 66, *Technical Corrections - 2012 - an amendment of GASB Statements No. 10 and No. 62* provides standards for accounting and reporting that apply to public entity risk pools.

All transactions are accounted for in a single enterprise fund. Therefore, revenues and expenses are recognized on the accrual basis using the economic resources measurement focus.

Cash and Cash Equivalents

For cash flow purposes, PERC considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents at November 30, 2019, consist of funds or deposits in banks and money market funds.

Investments

Investments are reported as assets and are carried at fair market value. Investment income or loss (including realized gains and losses on investments, interest, and dividends) is recognized in the Statement of Revenues, Expenses, and Changes in Net Position as a component of non-operating revenues or expenses.

NOTE 2: **SUMMARY OF SIGNICANT ACCOUNTING POLICIES** (Continued)

Member and Supplemental Contributions

Member contributions are calculated to annually produce a sufficient sum of money within the self-insurance pool to fund administrative expenses of PERC and to create reserves for claims and unallocated loss adjustments expenses. Under the terms of membership, should annual member contributions not be sufficient to fund ultimate losses, establish adequate reserves, and cover administrative expenses, the Board of Trustees can require supplementary contributions. Supplementary contributions can be assessed during the entire life of PERC and any later period when claims or expenses need to be paid which are attributable to any membership year during which the event or claim occurred.

Reserve for Unpaid Claims

Provisions for claims reserves and loss adjustment expenses are based on information reported by members and are calculated by PERC's actuary. These amounts represent an estimate of reported, unpaid claims, plus a provision for claims incurred but not reported. The claims reserve is based on the estimated ultimate cost of settling the claims, including the effects of inflation and other factors. PERC's management believes that the claim reserves are reasonable in the circumstances; however, actual incurred losses and loss adjustment expenses may not conform to the assumptions inherent in the determination of the liability. Accordingly, the ultimate settlement of losses and related loss adjustment expenses may vary materially from the estimated amounts disclosed in Note 7. Should the provision for claims reserves not be sufficient, supplemental contributions will be assessed.

Reinsurance

PERC uses reinsurance agreements to reduce its exposure to large losses on all types of insured events. Reinsurance permits recovery of a portion of losses from reinsurers, although it does not discharge the primary liability of PERC as direct insurer of the risks reinsured. PERC is contingently liable with respect to certain loss coverage, which would become a liability in the event these insurance carriers are unable to meet obligations under these reinsurance contracts.

Net Position

Net position represents the excess of revenues over expenses since its inception.

As of November 30, 2019, PERC does not have any "restricted" net position. PERC's Board of Trustees may authorize the distribution of the net position to those members who constituted the self-insurance pool during the years when such net position was earned, provided that such members must also be members of PERC in the years in which said distribution was made.

In the event of dissolution of PERC, any funds which remain unencumbered after all claims and all other Consortium obligations have been paid shall be distributed only to the entities which are members of PERC immediately prior to its dissolution. Any such surplus funds shall be distributed to members in proportion to the interest in the surplus funds.

NOTE 2: **SUMMARY OF SIGNICANT ACCOUNTING POLICIES** (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through February 20, 2020, the date that the financial statements were available to be issued.

Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary action of PERC. For PERC, these are member premiums from the associated entities and excess insurance recoveries. Operating expenses are necessary costs that have been incurred in order to support PERC's primary mission. Revenues and expenses not meeting the definitions are reported as nonoperating.

Income Taxes

PERC is not subject to income taxes and the filing of tax returns since its members are political subdivisions in the State of Ohio.

NOTE 3: **DEPOSITS AND INVESTMENTS**

PERC follows the guidance of GASB Statement No. 40, *Deposit and Investment Risk Disclosures*. This Statement's required disclosures are as follows:

Deposits

At fiscal year-end, the carrying amount of PERC's deposits was \$7,217,527 and the bank balance was \$7,331,845. Of the bank balance, \$4,865,790 was covered by the Federal Depository Insurance. The remaining balance of \$2,466,055 was uninsured and subject to custodial risk as described below.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of bank failure, PERC will not be able to recover deposits or collateral securities that are in the possession of an outside party. Protection of PERC's cash and deposits is provided by the Federal Deposit Insurance Corporation (FDIC). As well as qualified securities pledged by the institution holding the assets. Ohio law requires that deposits either be insured or protected by:

Eligible securities pledged to PERC and deposited with a qualified trustee by the financial institution as security for repayment whose fair value at all times shall be at least 105 percent of the deposits being secured; or

Custodial Credit Risk (Continued)

Participation in the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution. OPCS requires the total fair value of the securities pledged to be 102 percent of the deposits being secured or a rate set by the Treasurer of State. PERC's financial institutions had enrolled in OPS as of November 30, 2019.

Investments

At year end, the carrying amount and maturities of PERC's investments were as follows:

Investment Type	Fair Value	Investment Maturities (in Years)		
		< 1	1-2	> 2

Total	\$ 2,456,015	\$ 1,652,225	\$ 803,790	\$ 0

PERC's investments in federal agency securities and U.S. Treasury notes are valued using quoted prices in markets that are not considered to be active, dealer quotations, or alternative pricing sources for similar assets or liabilities for which all significant inputs are observable, either directly or indirectly (Level 2 inputs).

Credit Risk

Credit risk is the risk that an issuer or counterparty to an investment will be unable to fulfill its obligations. PERC does not have a policy to limit credit risk beyond the requirements of State statute. All of the federal agency securities carry a rating of Aaa by Moody's.

Concentration of Credit Risk

Concentration of credit risk is the risk of inability to recover the value of deposits or investments in the possession of an outside party caused by a lack of diversification. PERC does not have a policy to limit concentration of credit risk.

Interest Rate Risk

Interest rate risk is the risk that an interest rate change could adversely affect an investment's fair value. PERC does not have a policy to limit interest rate risk.

NOTE 4: ADMINISTRATIVE FEES

PERC has contracted with Arthur J. Gallagher & Company to provide various management, underwriting, claim adjustments, and loss control services. The fees are calculated based on periodic contributions and are deferred and charged to periodic expenses on a straight-line basis over the related service period.

NOTE 5: RISK MANAGEMENT

PERC has contracted with a third-party administrator, Arthur J. Gallagher Risk Management Services, Inc. to provide management services. PERC has also contracted with Gallagher Bassett Services, Inc. to process all claims incurred by its members.

The members contribute annual premiums into the self-insurance risk pool fund of PERC. The Treasurer approves payments to the third-party administrator for actual insurance claims processed, insurance premiums, and administrative charges incurred on behalf of PERC members. PERC may extend an assessment to each member if additional funding is needed to cover expenses.

Members that withdraw from PERC are obligated for payment of any negative balance of their account and the remaining claims of any of its eligible members and dependents are the responsibility of each individual member upon withdrawal from PERC.

NOTE 6: MEMBER RETENTIONS

Member retentions per occurrence are as follows:

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Public Entity Risk Consortium
Youngstown, Ohio

The Honorable Keith Faber
Auditor of State
State of Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Public Entity Risk Consortium (PERC), Mahoning County, Ohio as of and for the fiscal year ended November 30, 2019, and the related notes to the financial statements, which collectively comprise PERC's basic financial statements and have issued our report thereon dated February 20, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered PERC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PERC's internal control. Accordingly, we do not express an opinion of the effectiveness of PERC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of PERC's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether PERC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of PERC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering PERC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
