INDEPENDENT AUDITOR'S REPORT

Schnee Learning Center
Summit County
2222 Issaquah St.
Cuyahoga Falls, OH 44221-0396

To the Board of Education:

Report on the Financial Statements

We have audited the accompanying financial statements of the Schnee Learning Center, Summit County, Ohio (the Center), as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Center's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Center's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Center's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Schnee Learning Center, Summit County, Ohio, as of June 30, 2019, and the changes in its financial position and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 9 to the financial statements, the Center has suffered losses from operations and has a deficit net position. Note 9 describe Management's plans regarding this matter. The financial statements do not include any adjustments that might result from the outcome of this uncertainly. We did not modify our opinion regarding this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *management's discussion and analysis*, and schedules of net pension and other post-employment benefit liabilities and pension and other post-employment benefit contributions listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 21, 2020, on our consideration of the Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2019 (UNAUDITED)

The management's discussion and analysis of the Schnee Learning Center (the "Center") financial performance provides an overall review of the Center's financial activities for the fiscal year ended June 30, 2019. The intent of this discussion and analysis is to look at the Center's financial performance as a whole; readers should also review the basic financial statements and notes to the basic financial statements to enhance their understanding of the Center's financial performance.

FINANCIAL HIGHLIGHTS

Key Financial Highlights for the Center for the 2018-2019 year are as follows:

- Total Assets increased \$166,995.
- Total Liabilities increased \$242,328.
- Total Net Position decreased \$75,333.
- Total Operating and Non-Operating Revenues were \$779,303. Total Operating Expenses were \$854,635.

USING THIS ANNUAL REPORT

This report consists of three parts: the required supplemental information, the basic financial statements, and notes to those statements. The basic financial statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Fund Net Position, and a Statement of Cash Flows.

The Statement of Net Position and Statement of Revenues, Expenses, and Changes in Net Position reflect how the Center did financially during fiscal year 2019. These statements include all assets and deferred outflows of resources and liabilities and deferred inflows of resources using the accrual basis of accounting similar to the accounting used by most private-sector companies. This basis of accounting includes all of the current year revenues and expenses regardless of when cash is received or paid.

These statements report the Center's Net Position and changes in that position. This change in Net Position is important because it tells the reader whether the financial position of the Center has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Non-financial factors include the Center's student enrollment, per-pupil funding as determined by the State of Ohio, change in technology, required educational programs and other factors.

The Center uses enterprise presentation for all of its activities.

USING THIS ANNUAL REPORT (Continued)

Statement of Net Position - The Statement of Net Position answers the question of how the Center did financially during 2019. This statement includes all assets and deferred outflows of resources and liabilities and deferred inflows of resources, both financial and capital, and short-term and long-term using the accrual basis of accounting and economic resource focus, which is similar to the accounting used by most private-sector companies. This basis of accounting takes into account all revenues and expenses during the year, regardless of when the cash is received or paid.

Table 1 provides a summary of the Center's Net Position for fiscal year 2019 and 2018.

**Table 1
Statement of Net Position**

	<u>2019</u>	<u>2018</u>
Assets		
Current Assets	\$ 267,345	\$ 100,350
Total Assets	<u>267,345</u>	<u>100,350</u>

Net Position		
Unrestricted	(505,071)	(429,738)
Total Net Position	<u>\$ (505,071)</u>	<u>\$ (429,738)</u>

Over time, Net Position can serve as a useful indicator of a government's financial position. At June 30, 2019, the Center's net position totaled \$(505,071). Due to the ESC of Summit County invoicing the Center twice a year for services provided under the contract this resulted in more cash on hand than in the prior year and an increase to Current Liabilities.

Current assets represent cash and cash equivalents, intergovernmental receivable, and other assets. Current liabilities represent accounts payable and amounts Due to Related Parties at fiscal year-end.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2019 (UNAUDITED)

CURRENT FINANCIAL ISSUES

The Center is a community School and is funded through the State of Ohio Foundation Program. The Center relies on this, as well as, State and Federal funds as its primary source of revenue. In 2019, the State raised the base per pupil funding to \$6,020, which is up from \$6,010 in the previous year. Additionally, community schools in Ohio will be allocated a small amount of facilities funding which is also per pupil based. This amount was \$200 per pupil in 2018.

The full-time equivalent enrollment of the School for the year ended June 30, 2019 was 85 compared to a figure of 100.95 at the end of fiscal year 2018.

Overall, the Center will continue to provide learning opportunities and apply resources to best meet the needs of the students served.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2019

NOTE 1 - DESCRIPTION OF THE ENTITY

The Schnee Learning Center (the "Center") is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 3314.03 to establish a conversion school in Cuyahoga Falls City School District addressing the needs of students in grades 9-12. The Center, which is part of the State's education program, is nonsectarian in its programs, admission policies, employment practices and all other operations. The Center is an approved tax-exempt organization. Management is not aware of any course of action or series of events that have occurred that might adversely affect their tax-exempt status. The Center may sue or be sued, acquire facilities as needed, and contract for any services necessary for the operation of the Center.

The Center's objective is to deliver a comprehensive educational program that is tied to state and national standards for at-risk students in grade 9 through grade 12. It is to be operated under a contract with the Sponsor to provide an innovative and cost-effective solution to the special problems of disabled students, students removed from school for disciplinary reasons, students needing advanced or specialized courses which are not available locally, and other, including home-schooled students who are not currently enrolled in any public school and who are not receiving a meaningful, comprehensive and standards-based educational program.

The Center was certified by the State of Ohio Secretary of State as a non-profit organization on July 22, 2005. The Center was approved for operation under a contract with the Cuyahoga Falls Board of Directors for five years commencing July 1, 2005, which the Cuyahoga Falls City School District served as Sponsor. On July 1st, 2015, the Center renewed the contract for another five-year period, however the contract was assigned to the Ohio Department of Education's Office of School Sponsorship (the Sponsor) on May 1, 2018, due to the Ohio Department of Education revoking the Cuyahoga Falls School District's sponsorship. The Sponsor is responsible for evaluating the performance of the Center and has the authority to deny renewal of the contract at its expiration. The Center served 85 students during fiscal year 2019.

The Center operates under the direction of a five-member Board of Directors. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, State-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards and qualifications of teachers. The Treasurer is the Chief Financial Officer of the Center. Treasurer and fiscal services are provided by Massa Financial Solutions, LLC.

SCHNEE LEARNING CENTER - SUMMIT COUNTY, OHIO

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the Center have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental nonprofit organizations. The more significant of the Center's accounting policies are described below.

Basis of Presentation - The Center's basic financial statements consist of a Statement of Net Position, a Statement of Revenue, Expenses and Changes in Net Position, and a Statement of Cash Flows. Enterprise fund reporting focuses on the determination of the changes in Net Position, financial position and cash flows.

Auditor of State of Ohio Bulletin No. 2000-005 requires the presentation of all financial activity to be reported within one enterprise fund for year-ending reporting purposes. Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprise where the intent is that the cost (expense) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges.

Measurement Focus and Basis of Accounting - The accounting and financial reporting treatment is determined by measurement focus. Enterprise accounting uses a flow of economic resources measurement focus. Under this measurement focus, all assets, all deferred outflows of resources, all liabilities, and all deferred inflows of resources are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position presents increases (e.g., revenues) and decreases (e.g., expenses) in total Net Position.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is used for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

Budgetary Process - Community schools are statutorily required to adopt a budget by Ohio Revised Code 3314.032(C). However, unlike traditional public schools located in the State of Ohio, community schools are not required to follow the specific budgetary process and limits set forth in the Ohio Revised Code Chapter 5705, unless specifically provided in the contract between the Center and its Sponsor. The contract between the Center and its Sponsor does not require the Center to follow the provisions Ohio Revised Code Chapter 5705; therefore, no budgetary information is presented in the basic financial statements.

Cash and Cash Equivalents - Cash received by the Center is reflected as "Cash and Cash Equivalents" on the Statement of Net Position. The Center did not have any investments during the period ended June 30, 2019.

SCHNEE LEARNING CENTER - SUMMIT COUNTY, OHIO

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2019**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from these estimates.

Capital Assets and Depreciation - All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. The Center maintains a capitalization threshold of \$5,000. The Center does not have any infrastructure.

Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Depreciation is computed using the straight-line method. Equipment consists of computers and equipment which are depreciated over three to ten years. Software is depreciated over three years.

Assets or certain asset groups not meeting the capitalization threshold are not capitalized and are not included in the assets represented in the accompanying Statement of Net Position.

Intergovernmental Revenues - The Center currently participates in the State Foundation Program. Revenues received from this program are recognized as operating revenues in the accounting period in which all eligibility requirements have been met.

Grants and entitlements are recognized as non-operating revenues in the accounting period in which eligibility requirements have been met.

Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Center must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Center on a reimbursement basis.

The Center also participates in various federal programs passed through the Ohio Department of Education.

Under the above programs the Center recorded \$677,018 this fiscal year from the Foundation Program and \$83,208 from Federal grants and other intergovernmental sources.

Net Position - Net position represents the difference between assets and liabilities. The net position component "investment in capital assets," consists of capital assets, net of accumulated depreciation. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by the Center or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. The Center applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

SCHNEE LEARNING CENTER - SUMMIT COUNTY, OHIO

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2019**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Exchange and Non-Exchange Transactions - Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Non-exchange transactions, in which the Center receives value without directly giving equal value in return, include grants, entitlements and donations. Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Center must provide local resources to be used for a specified purpose, and expenditures requirements, in which the resources are provided to the Center on a reimbursement basis.

Deferred Inflows and Deferred Outflows of Resources - A deferred inflow of resources is an acquisition of net position by the Center that is applicable to a future reporting period. A deferred outflow of resources is a consumption of net position by the Center that is applicable to a future reporting period. Other revenues received in advance of the fiscal year for which they were intended to finance, are recorded as deferred inflows. Grants not received within the available period, grants and entitlements received before the eligibility requirements are met due at June 30, 2019 are recorded as deferred inflows. Receivables that will not be collected within the available period have been reported as deferred inflows of resources. The Center has no deferred inflows and has no deferred outflows of resources at June 30, 2019.

Operating Revenues and Expenses - Operating revenues are those revenues that are generated directly from the primary activities of the Center. For the Center, these revenues are primarily the State Foundation program. Operating expenses are necessary costs incurred to provide the good or service that is the primary activity of the Center. All revenues and expenses not meeting this definition are reported as non-operating. There were no non-operating expenses reported at June 30, 2019.

Implementation of New Accounting Principles - For the fiscal year ended June 30, 2019, the Center has implemented Governmental Accounting Standards Board (GASB) Statement No. 83, Certain Asset Retirement Obligations and GASB Statement No. 88, Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements.

GASB Statement No. 83 establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for asset retirement obligations. The implementation of GASB Statement No. 83 did not have an effect on the financial statements of the Center.

GASB Statement No. 88 establishes additional financial statement note disclosure requirements related to debt obligations of governments, including direct borrowings and direct placements. These changes were incorporated in the Center's fiscal year 2019 financial statements; however, there was no effect on beginning net position.

SCHNEE LEARNING CENTER - SUMMIT COUNTY, OHIO

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2019**

NOTE 3 - CASH AND CASH EQUIVALENTS

The following information classifies deposits by category of risk as defined in GASB Statement No.3 "Deposits with Financial Institutions, Investments (including Repurchase Agreements) and Reverse Repurchase Agreements," as amended by GASB Statement No.40, "Deposit, and Investment Risk Disclosures".

At June 30, 2019, the carrying amount of the Center's deposits was \$254,764. Based upon the criteria described in GASB Statement No. 40, all of the Center's bank balance of \$259,907 was covered by the Federal Deposit Insurance Corporation (FDIC). There are no significant statutory restrictions regarding the deposit and investment of funds by the nonprofit corporation.

The Center had no deposit policy for custodial risk beyond the requirement of state statute. Ohio law requires that deposits either be insured or be protected by eligible securities pledged to and deposited either with the Center or a qualified trustee by the financial institution as security for repayment or by a collateral pool of eligible securities deposited with a qualified trustee to secure repayment of all public monies deposited in the financial institution whose market value shall be at least 105% of deposits being secured. At June 30, 2019, \$9,907 of the bank balance was not covered by the Federal Deposit Insurance Corporation (FDIC).

NOTE 5 - RISK MANAGEMENT

Property & Liability - The Center is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the fiscal year ending June 30, 2019, the Center contracted with the Indiana Insurance Company for nonprofits and maintained general liability insurance with a \$1,000,000 single occurrence limit and \$2,000,000 annual aggregate coverage.

Settled claims have not exceeded commercial coverage in the past three years. There was no significant reduction in coverage from the prior year.

NOTE 6 - CONTINGENCIES

Grants - The Center received financial assistance from federal and state agencies in the form of grants. Amounts received from grantor agencies are subject to audit and adjustment by the grantor. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, in the opinion of the Center, any such adjustments will not have a material adverse effect on the financial position of the Center.

Litigation - There are currently no matters in litigation with the Center as defendant.

SCHNEE LEARNING CENTER - SUMMIT COUNTY, OHIO

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2019**

NOTE 6 – CONTINGENCIES (continued)

Full-Time Equivalency - School foundation funding is based on the annualized full-time equivalent (FTE) enrollment of each student. However, there is an important nexus between attendance and enrollment for Foundation funding purposes. Community schools must provide documentation that clearly demonstrates students have participated in learning opportunities. The Ohio Department of Education (ODE) is legislatively required to adjust/reconcile funding as enrollment information is updated by schools throughout the State, which can extend past the fiscal year end.

Under Ohio Rev. Code Section 3314.08, ODE may also perform a FTE Review subsequent to the fiscal year end that may result in an additional adjustment to the enrollment information as well as claw backs of Foundation funding due to a lack of evidence to support student participation and other matters of noncompliance. ODE did not perform such a review on the School for fiscal year 2019.

As of the date of this report, all ODE adjustments have been completed.

In addition, the School's contract with their Sponsor require payment based on revenues received from the State. As discussed above, all ODE adjustments have been completed.

NOTE 7 - SPONSOR

During the fiscal year, the Center contracted with the Office of Ohio School Sponsorship for sponsor and oversight services as required by law. Sponsorship fees were calculated at 3% of per pupil funding received from the State of Ohio and equaled \$21,572 during 2019. As referred to in Note 1, there was a change in Sponsor as Cuyahoga Falls City School District's sponsorship being revoked by the Ohio Department of Education.

NOTE 8 - PURCHASED SERVICES

<u>Purchased Services</u>	<u>Amount</u>
Professional Services	\$ 689,149
Property Services	108,919
Utilities	20,629
Travel & Meetings	1,035
Contractual Trade	12,439

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Schnee Learning Center
Summit County
2222 Issaquah St.
Cuyahoga Falls, OH 44221-0396

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Schnee Learning Center, Summit County, (the Center) as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Center's basic financial statements and have issued our report thereon dated April 21, 2020, wherein we noted the Center experienced financial difficulties during the year ended June 30, 2019.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Center's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Center's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Center's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
