## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Village of Maineville  
Warren County  
8188 State Route 48  
Maineville, Ohio 45039

We have performed the procedures enumerated below, which were agreed to by the Village Council, Mayor and the management of the Village of Maineville, Warren County, Ohio, (the Village), on the receipts, disbursements and balances recorded in the Village's cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash and Investments

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2018 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 investment bank account balances with the Village's financial institution. We observed the year-end primary bank balance on the financial institution's website. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation. We found the money market balance appearing in the December 31, 2019 bank reconciliation was recorded \$1,579 higher than the confirmed balance.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

6. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

#### **Property Taxes and Intergovernmental Cash Receipts**

1. We selected a total of seven receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor's online portal for 2019 and a total of seven from 2018:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found on the August 2018 *Statement of Semiannual Apportionment of Taxes* that the special assessments portion in the amount of \$118 was posted to the Storm Water Management Fund instead of the General Fund.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2019 and 2018. The Receipt Register Report included the proper number of tax receipts for each year.

#### **Income Tax Receipts**

1. We obtained the 2019 and 2018 Monthly Distribution Summary reports submitted by the Regional Income Tax Agency (RITA), the agency responsible for collecting income taxes on behalf of the Village. We agreed two months' gross income taxes per year to the Village's Receipt Register Report. The amounts agreed.

#### **General Fund Charges for Services**

1. We obtained the 2019 and 2018 monthly Garbage Billing Register from Warren County and Sewer reports submitted by Warren County, the organization responsible for collecting utility payments on behalf of the Village. We agreed two months' gross utilities per year to the Village's Receipt Register Report. The amounts agreed.

#### **Debt**

1. From the prior audit documentation, we observed the following bonds were outstanding as of December 31, 2017. These amounts agreed to the Village's January 1, 2018 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2017:
Street Improvement General Obligation Bonds	\$9,900
Vehicle Acquisition General Obligation Bonds	\$2,650

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bonds debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedules to general and street construction, maintenance, and repair fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the General fund per the Receipt Register Report. The amounts agreed. The Village properly recorded the proceeds in the General fund.
5. For new debt issued during 2018, we inspected the debt legislation, which stated the Village must use the proceeds to purchase a police cruiser. We inspected the Payment Register Detail Report and observed the Village purchased a police cruiser in April of 2018.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Employee Detail Adjustment Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files. We also confirmed the payment was posted to the proper year. We found no exceptions.
  - c. For any new employees selected in procedure 1 we inspected the employees' personnel files for the following information and compared it with the information used to compute gross and net pay related to this check:
    - i. Name
    - ii. Authorized salary or pay rate and department and fund to which the check should be charged
    - iii. Retirement system participation and payroll withholding, Federal, State & Local income tax withholding authorization and withholding.

We found no exceptions related to procedures i. – iii. above.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2019. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	December 30, 2019	\$2,496.46	\$2,496.46
State income taxes	January 15, 2020	December 30, 2019	\$ 649.74	\$ 649.74
Village of Maineville income tax	January 31, 2020	December 30, 2019	\$ 546.44	\$ 546.44
OPERS retirement	January 30, 2020	December 30, 2019	\$3,887.83	\$3,887.83
OP&F retirement	January 31, 2020	December 31, 2019	\$1,126.86	\$1,126.86

#### **Non-Payroll Cash Disbursements**

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found one instance in 2018 and three instances in 2019 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

#### **Mayors Court Transactions and Cash Balances**

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We compared the reconciled cash totals as of December 31, 2019 and December 31, 2018 to the Mayor's Court Fund balance reported in the Fund Status Reports and financial statements. We noted the Village is not recording the Mayor's Court Fund balance in the accounting system or on the financial statements.

3. We agreed the totals per the bank reconciliations to the total of December 31, 2019 and 2018 listing of unpaid distributions as of each December 31. The amounts agreed.
4. We observed the December 31, 2019 year-end bank balance on the financial institution's website. The balance agreed. We also agreed the confirmed balance to the amount appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five cases from the court cash book and agreed the payee and amount posted to the:
  - a. Duplicate receipt book.
  - b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
  - c. Case file.The amounts recorded in the cash book, receipts book, docket and case file agreed.
6. From the cash book, we selected one month from the year ended December 31, 2019 and one month from the year ended 2018 and determined whether:
  - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
  - b. The totals remitted for these two months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

### **Compliance – Budgetary**

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Street Construction and Maintenance and Storm Water Management funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balance. Ohio Rev. Code Section 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

### **Sunshine Law Compliance**

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code § 149.43(E)(2) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Village management and determined that the Village did not maintain adequate documentation of public records requests during the engagement period. Therefore, we were unable to determine if the Village was compliant and responded to requests in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We were also unable to determine if the Village denied any public records requests or had any public records requests with redactions. The current fiscal officer has created a folder to maintain public records requests, beginning in 2020.
3. We inquired whether the Village had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Village's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inquired with Village management and determined that the Village did not have any elected officials subject to the Public Records Training requirements during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.

We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
  - copies of existing internal control policies,
  - a list(s) of authorized users, and
  - a list of all credit card account transactions.
  - a. We inspected the established policy obtained above and determined it is:
    - i. in compliance with the HB 312 statutory requirements, and
    - ii. implemented by the entity.

We found no exceptions.
  - b. We selected 3 credit card transactions from each account for testing. For selected transactions we inspected documentation to determine that:
    - i. Use was by an authorized user within the guidelines established in the policy, and
    - ii. Each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions.
  - c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
    - i. No unpaid beginning balance was carried forward to the current billing cycle,

- ii. Ending statement balance was paid in full, and
- iii. Statement contained no interest or late fees.

We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
