## INDEPENDENT AUDITOR'S REPORT

Delaware County Family and Children First Council  
Delaware County  
145 N. Union St., Second Floor  
Delaware, Ohio 43015

To the Council:

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of Delaware County Family and Children First Council, Delaware County, Ohio (the Council).

### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 1 of the financial statements, the Council prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Council does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Council, as of December 31, 2020 and 2019, and the respective changes in financial position thereof for the years then ended.

***Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Council, in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 1.

***Emphasis of Matter***

As discussed in Note 8 to the 2020 financial statements, the financial impact of COVID-19 and the continuing emergency measures may impact subsequent periods of the Council. We did not modify our opinion regarding this matter.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2021, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

**1. Reporting Entity/Summary of Significant Accounting Policies**

**A. Description of the Entity**

Ohio Revised Code Section 121.37 created the Ohio Family and Children First Council and required each Board of County Commissioners to establish a County Family and Children First Council. Statutory membership of County Council consists of the following individuals:

- c. The Health Commissioner, or the Commissioner's designee, of the Board of Health of each City or General Health District in the County. If the County has two or more health districts, the Health Commissioner membership may be limited to the Commissioners of the two districts with the largest populations;

**1. Reporting Entity/Summary of Significant Accounting Policies (Continued)**

**A. Description of the Entity (Continued)**

- m. A representative of the County's Early Intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004"; and
- n. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

- a. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
- b. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- c. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
- d. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2020**

**1. Reporting Entity/Summary of Significant Accounting Policies (Continued)**

**B. Basis of Accounting**

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

**C. Fund Accounting**

The Council uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Council classifies its funds into the following types:

**General Fund** - The General Fund is the operating fund of the Council. It is used to account for and report all financial resources not accounted for and reported in another fund.

**Special Revenue Funds** - These funds are used to account for and report specific sources (other than from trusts or for capital projects) that are restricted or committed to expenditure for specified purposes. The Council had the following significant Special Revenue Fund:

Help Me Grow Grant Fund – This fund receives state and federal grant monies restricted for the purpose of the grant provisions.

System of Care Grant Fund – This fund receives state and federal grant monies restricted for the purpose of the grant provisions.

**D. Administrative/Fiscal Agent**

Ohio Revised Code Section 121.37(B)(5)(a) requires the Council to select an administrative agent to provide fiscal and administrative services to the Council. The Council has selected Delaware County Job and Family Services as an administrative agent and the Delaware County Auditor as a fiscal agent. The Council authorizes Delaware County Job and Family Services, as an administrative agent, to subcontract with, designate, and/or seek assistance from any agencies and/or organizations that it deems necessary in order to complete the obligations set forth in the agreement. The Delaware County Auditor agrees to be ultimately responsible for fulfilling the fiscal obligations of the agreement.

**1. Reporting Entity/Summary of Significant Accounting Policies (Continued)**

**E. Budgetary Process**

The Council filed an estimate of financial resources and an appropriation measure with the Delaware County Auditor. The Council adopted a budget at the object level.

A summary of 2020 budgetary activity appears in Note 2.

**F. Cash**

The Council designated the Delaware County Auditor as the fiscal agent for all funds received in the name of the Council. Deposits of monies are made with the Delaware County Treasurer and fund expenditures and balances are reported through the Delaware County Auditor. Deposits are made in accordance with the Ohio Revised Code and are valued at the fiscal agent's carrying amount.

**G. Property, Plant and Equipment**

The Council records cash disbursements for acquisitions of property, plant and equipment when paid. These items are not reflected as assets in the accompanying financial statements.

**H. Accumulated Leave**

In certain circumstances, such as leaving employment or retirement, employees are entitled to cash payouts for unused leave. The financial statements do not include a liability for unpaid leave.

**I. Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable – The Council classifies assets as nonspendable when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Council.

Restricted – Fund balance is restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed – The Council can commit amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements

DELAWARE COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2020**

**1. Reporting Entity/Summary of Significant Accounting Policies (Continued)**

**I. Fund Balance (Continued)**

Assigned – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as restricted or committed. Governmental funds other than the general fund report all fund balances as assigned unless they are restricted or committed. In the general fund, assigned amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned – Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used. For regulatory purposes, limited disclosure related to fund balance is included in Note 7.

**2. Budgetary Activity**

Budgetary activity for the year ending December 31, 2020 is as follows:

2020 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$60,750	\$72,757	\$12,007
Special Revenue	942,538	1,357,964	415,426
Total	\$1,003,288	\$1,430,721	\$427,433

2020 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$88,473	\$68,500	\$19,973
Special Revenue	1,073,325	1,021,282	52,043
Total	\$1,161,798	\$1,089,782	\$72,016

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2020**

**3. Equity in Pooled Cash**

The Delaware County Auditor, as fiscal agent for the Council, maintains a cash pool used by all of the Delaware County Auditor's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and the Delaware County Auditor is responsible for compliance. The Council's carrying amount of cash on deposit with the County at December 31, 2020 was \$725,777.

**4. Retirement Systems**

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2020, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2020.

**5. Postemployment Benefits**

OPERS offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2020. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2020.

**6. Risk Management**

The insurance for comprehensive property and general liability is provided by Delaware County.

Delaware County provides workers' compensation insurance for the Council through a self-insurance plan offered by the State of Ohio. The plan allows the County to administer its own workers' compensation claims, including the approval of claims and the payment of compensation and medical payments for injured employees. The plan requires that the County participate in the Self-Insured Employers Guaranty Fund through the State of Ohio that guarantees that claims liabilities are satisfied if the self-insured employer is unable to pay the claims.

**DELAWARE COUNTY FAMILY AND CHILDREN FIRST COUNCIL  
DELAWARE COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2020**

**7. Fund Balance**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilities effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Total
Nonspendable:			
Outstanding Encumbrances	0	156,912	156,912
<b>Total</b>	<b>\$0</b>	<b>\$156,912</b>	<b>\$156,912</b>

The fund balance of special revenue funds is either restricted or committed. These restricted or committed amounts in the special revenue funds would including the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**8. COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Council. The Council's investment portfolio fluctuates with market conditions, and due to market volatility, the amount of gains or losses that will be realized in subsequent periods, if any, cannot be determined. In addition, the impact on the Council's future operating costs, revenues, and additional recovery from emergency funding, either federal or state, cannot be estimated.

**9. Change in Accounting Principal**

For 2020, the Council has made changes to their cash basis reporting model. These changes include removing the fund balance classifications from the Combined Statement of Receipts, Disbursements, and Changes in Fund Balances (Regulatory Cash Basis) – All Governmental Fund Types.

**H. Accumulated Leave**

In certain circumstances, such as leaving employment or retirement, employees are entitled to cash payouts for unused leave. The financial statements do not include a liability for unpaid leave.

**I. Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Council must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable - The Council classifies assets as nonspendable when legally or contractually required to maintain the amounts intact.

Restricted – Fund balance is restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed – The Council can commit amounts via formal action (resolution). The Council must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements

Assigned – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as restricted or committed. Governmental funds other than the general fund report all fund balances as assigned unless they are restricted or committed. In the general fund, assigned amounts represent intended uses established by the Council, which includes giving the administrative/fiscal agent the authority to constrain monies for intended purposes.

**1. Reporting Entity/Summary of Significant Accounting Policies (Continued)**

**I. Fund Balance (Continued)**

Unassigned – Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is only used to report a deficit fund balance.

The Council applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**2. Budgetary Activity**

Budgetary activity for the year ending December 31, 2019 is as follows:

2019 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$55,750	\$59,500	\$3,750
Special Revenue	650,011	696,926	46,915
Total	\$705,761	\$756,426	\$50,665

2019 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$74,680	\$52,308	\$22,372
Special Revenue	689,825	623,453	66,372
Total	\$764,505	\$675,761	\$88,744

**3. Equity in Pooled Cash**

The Delaware County Auditor, as fiscal agent for the Council, maintains a cash pool used by all of the Delaware County Auditor's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and the Delaware County Auditor is responsible for compliance. The Council's carrying amount of cash on deposit with the County at December 31, 2019 was \$227,925.

**4. Retirement Systems**

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2019, OPERS members contributed 10 percent of their gross salaries and the Council contributed an amount equaling 14 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2019.

**5. Postemployment Benefits**

OPERS offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2019. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2019.

**6. Risk Management**

The insurance for comprehensive property and general liability is provided by Delaware County.

Delaware County provides workers' compensation insurance for the Council through a self-insurance plan offered by the State of Ohio. The plan allows the County to administer its own workers' compensation claims, including the approval of claims and the payment of compensation and medical payments for injured employees. The plan requires that the County participate in the Self-Insured Employers Guaranty Fund through the State of Ohio that guarantees that claims liabilities are satisfied if the self-insured employer is unable to pay the claims.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Delaware County Family and Children First Council  
Delaware County  
145 N. Union St., Second Floor  
Delaware, Ohio 43074

To the Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of the Delaware County Family and Children First Council, Delaware County, (the Council) and have issued our report thereon dated September 13, 2021, wherein we noted the Council followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures which may impact subsequent periods of the Council.

### ***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) as a basis for designing audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

***Compliance and Other Matters***

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the financial statements. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
