INDEPENDENT AUDITORS' REPORT

Perry Township
Monroe County
38175 State Route 800
Sardis, Ohio 43946

To the Township Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements for each governmental fund type combined total as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of Perry Township, Monroe County, Ohio.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Township prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States, to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Township does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis permitted is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Perry Township, Monroe County as of December 31, 2020 and 2019, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type combined total as of and for the years ended December 31, 2020 and 2019, and related notes of Perry Township, Monroe County, in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Emphasis of Matter

As discussed in Note 13 to the 2020 financial statements and Note 11 to the 2019 financial statements, during 2020, the impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Township. We did not modify our opinion regarding this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 22, 2021, on our consideration of Perry Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

1. REPORTING ENTITY

Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Perry Township, Monroe County, (the Township) as a body corporate and politic. A publically-elected three-member Board of Trustees directs the Township. The Township provides general government services, road and bridge maintenance, and fire protection. The Township contracts with the Antioch Volunteer Fire Department to provide fire protection services.

The Township participates in the Ohio Township Association Risk Management Authority (OTARMA) public entity risk pool. Note 6 to the financial statements provides additional information for this entity.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

B. Fund Accounting

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

General Fund

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund – This fund receives gasoline tax monies to pay for constructing, maintaining, and repairing Township roads.

Road and Bridge Fund – This fund receives property tax monies to pay for constructing, maintaining, and repairing Township roads and bridges.

MVL Tax Fund – This fund receives MVL tax monies to pay for constructing, maintaining, and repairing Township roads.

FEMA Fund – This fund receives FEMA monies for disasters declared.

**NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D) permit.

D. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control and appropriations may not exceed estimated resources. The Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year..

A summary of 2020 appear in Note 3.

E. Deposits and Investments

The Township's accounting basis includes investment as assets. This basis does not record disbursement for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

**PERRY TOWNSHIP
MONROE COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Capital Assets

The Township records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

H. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable

The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed

Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

**PERRY TOWNSHIP
MONROE COUNTY**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first, followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2020 follows:

2020 Budgeted vs. Actual Receipts

Total	\$ 416,519	\$ 231,680	\$ (184,839)

2020 Budgeted vs. Actual Budgetary Basis Expenditures

	2020
<i>Cash Management Pool</i>	
Demand deposits	\$ 305,301
Total Carrying Amount of Deposits and Investments held in Pool	\$ 305,301

Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

**NOTES TO FINANCIAL STATEMENTS

11. FUND BALANCES

Included in fund balance are amounts the Township cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the expendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of those amounts were as follows:

<u>Fund Balances</u>	<u>General</u>	<u>Special Revenue</u>	<u>Total</u>
Nonspendable:			
Corpus	\$ -	\$ -	\$ -
Outstanding Encum.	-	-	-

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed and assigned amounts in the special revenue, debt service, capital projects and permanent funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

12. CHANGE IN ACCOUNTING PRINCIPLE

For 2020, the Township has made changes to their cash basis reporting model. These changes include modification to the definition of fiduciary funds, adding a separate combined statement of additions, deductions, and changes in fund balances (regulatory cash basis) – all fiduciary fund types and removing the fund balance classifications from the combined statement of receipts, disbursements and changes in fund balance (regulatory cash basis) – all governmental fund types.

There was no effect to beginning cash balances due to this change.

During 2020, The Township did not receive CARES Act funding.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS.**

Perry Township
Monroe County
38175 State Route 800
Sardis, Ohio 43946

To the Township Trustees:

We have audited, in accordance with auditing standards general accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts and disbursements for each governmental fund type combined total as of and for the year ended December 31, 2020 and for each governmental fund type as of and for the year ended December 31, 2019, and related notes of Perry Township, Monroe County and have issued our report thereon dated February 22, 2021, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered Perry Township's internal control over financial reporting (internal control) as a basis for designing audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether Perry Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the financial statements. However, opining on compliance was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Noncompliance – Certification of Funds

Ohio Revised Code Section 5705.41(D) prohibits a subdivision or taxing authority from making any contract or ordering any expenditure of money unless a certificate signed by the fiscal officer is attached thereto. The fiscal officer must certify that the amount required to meet any such contract or expenditure has been lawfully appropriated and is in the treasury, or is in the process of collection to the credit of an appropriate fund free from any previous encumbrance.

There are several exceptions to the standard requirement stated above that a fiscal officer's certificate must be obtained prior to a subdivision or taxing authority entering into a contract or order involving the expenditure of money. The main exceptions are: "then and now" certificates, blanket certificates and super blanket certificates, which are provided for in Sections 5705.41(D)(1) and 5705.41(D)(3), respectively, of the Ohio Revised Code.

- If the fiscal officer can certify that both at the time that the contract or order was made ("then") and at the time that the fiscal officer is completing the certification ("now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the Township can authorize the drawing of a warrant for the payment of the amount due. The Township has 30 days from the receipt of the "then and now" certificate to approve payment by ordinance or resolution. Amounts less than \$3,000 may be paid by the fiscal officer without a resolution or ordinance upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of the expenditures by the Township.
- Blanket Certificates. Fiscal officers may prepare "blanket" certificates if the Township has approved their use and established maximum amounts.
- Super Blanket Certificates. The Township may also make expenditures and contracts for any amount from a specific line item appropriation account in a specified fund upon certification of the fiscal officer for most professional services, fuel, oil, food items, and any other specific recurring and reasonable predictable operation expense. This certification is not to extend beyond the current year. More than one so-called "super blanket" certificate may be outstanding at a particular time for any line item appropriation.

The Township did not certify the availability of funds prior to the purchase commitment for 22% of expenditures tested. For these items the Township also did not prepare blanket certificates, super blankets certificates or then and now certificates in accordance with the Ohio Revised Code. Failure to properly certify the availability of funds can result in overspending funds and negative cash fund balances.

We recommend the Township certify purchases to which Section 5705.41(D) applies. The most convenient certification method is to use purchase orders that include the certification language 5705.41(D) requires to authorize disbursements. The Fiscal Officer should sign the certification at the time the Township incurs a commitment and only when the requirements of 5705.41(D) are satisfied. The Fiscal Officer should post approved purchase commitments to the proper code, to reduce available appropriations.
