Village of Port Washington  
Tuscarawas County  
107 East Main Street  
P.O. Box 277  
Port Washington, Ohio 43837

We have performed the procedures enumerated below, which were agreed to by the Village Council, Mayor and the management of the Village of Port Washington, Tuscarawas, Ohio (the Village), on the receipts, disbursements and balances recorded in the Villages cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2020 and 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2019 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Village in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balances with the Village's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2020 bank reconciliation without exception.

### **Cash (Continued)**

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
  - a. We traced each debit to the subsequent January and February bank statements. We found no exceptions.
  - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Listing (DTL), and the County Auditor AP Disbursements with Description Report for 2020 and a total of five from 2019:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found one exception wherein one of the receipt of \$12 selected for 2020 was posted to the Permissive Motor Vehicle License Tax Fund instead of the State Highway Fund. However, because we did not inspect all Intergovernmental Receipts our report provides no assurance regarding whether or not other similar errors occurred.
  - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger Report to determine whether it included two real estate tax receipts for 2020 and 2019. The Revenue Ledger Report included the proper number of tax receipts for each year.
3. We confirmed the \$22,000 from the Rosenberry Foundation and the \$22,000 from the Reeves Foundation paid to the Village during 2020. We found no exceptions.
  - a. We inspected the Receipt Detail Report to determine whether these receipts were allocated to the proper fund. We found no exceptions.
  - b. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

### **Income Tax Receipts**

1. We selected five income tax returns filed during 2020 and five from 2019.
  - a. We compared the payment amount recorded on the tax return to the amount recorded on the Daily Postings Ledger. The amounts agreed.
  - b. We compared the Daily Postings Ledger total from procedure a. to the amount recorded as income tax receipts in the Receipt Register Report for that date. The amounts agreed.
2. We compared the date of the receipts to the date the receipts was posted in the Receipt Register Report to determine whether the receipts were recorded in the year received. We found no exceptions.
3. We selected all income tax refunds from 2020 and 2019.
  - a. We compared the refund paid from Payment Register Detail Report to the refund amount requested in the tax return. The amounts agreed.
  - b. We observed the approval by the Income Tax Administrator on each of the refunds. No exceptions were found.
  - c. We observed the refunds were paid from the General Fund, as is required.

**Debt**

1. From the prior agreed-upon procedures documentation, we observed the following lease was outstanding as of December 31, 2018. This amount agreed to the Village's January 1, 2019 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2018:
2017 Ford Explorer Lease	\$9,760

2. We inquired of management, and inspected the Receipt Detail Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of lease debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to General fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2020 and one payroll check for five employees from 2019 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard or legislatively-approved rate or salary).
    - i. We inspected the employee personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
    - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found that the personnel files for all employees selected did not include withholding authorization forms for State and Local income tax withholding and the personnel file of one of these employees selected from 2020 did not include retirement system withholding information. However, because we did not inspect all employee personnel files, our report provides no assurances regarding whether or not other similar omissions occurred.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2020. We observed the following:

**Payroll Cash Disbursements (Continued)**

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	December 29, 2020	\$1,831	\$1,831
State income taxes	January 15, 2021	December 29, 2020	\$444	\$444
Village of Port Washington income tax	January 31, 2021	December 29, 2020	\$235	\$235
OPERS retirement	January 30, 2021	December 29, 2020	\$755	\$755

**Non-Payroll Cash Disbursements**

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance where a disbursement requiring certification was certified after the vendor invoice date, and there was no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursement requiring certification, our report provides no assurance whether or not additional similar errors occurred.

**Mayors Court Transactions**

1. We selected five cases from the court cash book and agreed the payee and amount posted to the:
  - a. Duplicate receipt book.
  - b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
  - c. Case file.

The amounts recorded in the cashbook, receipts book, docket and case file agreed, except one instance representing a partial payment of a judgment, which is not an exception.

2. From the cash book, we selected one month from the year ended December 31, 2020 and one month from the year ended 2019 and determined whether:
  - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
  - b. The totals remitted for these two months per the cashbook agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cashbook.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures from the Combining Statements to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the year ended December 31, 2020 for the General, State Highway, and Other Capital Projects and for the year ended December 31, 2019 for the General, Cemetery and Permissive Motor Vehicle License Tax Funds, as recorded in the Comparison of Disbursements and Encumbrances Report. We observed no funds for which expenditures exceeded appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

### **Sunshine Law Compliance**

1. We obtained and inspected the Village's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Village management and determined that the Village did not have any completed public records requests during the engagement period.
3. We inquired whether the Village had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code §§ 149.43(B)(2) and 149.43(B)(3). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inquired with Village management and determined that the Village did not have a policy manual during the engagement period therefore the public records policy could not be included as required by Ohio Rev. Code § 149.43(E)(2).
6. We inquired whether the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Village management and determined that the Village did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual training certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1), or his/her designee, successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.

### **Sunshine Law Compliance (Continued)**

9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

### **HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance**

1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village evaluated and documented their compliance with the CARES Act three-prong test. We then selected five payroll, non-payroll, and subgrant/subloan transactions and determined the Village:
  - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
  - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We inquired with management and inspected the Fund Status Report to determine the local government did not have an unencumbered balance of money to pay back to the county treasurer. We found no exceptions.

### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. While the Fiscal Officer completed the required 12 hours of training, the training did not include the required 2 hours of ethics training.

### Other Compliance (Continued)

3. For all credit card accounts we obtained:
  - copies of existing internal control policies,
  - a list of authorized users, and
  - a list of all credit card account transactions.
- a. We inspected the established policy obtained above and determined it is:
  - i. in compliance with the HB 312 statutory requirements, and
  - ii. implemented by the entity.We found no exceptions.
- b. We selected one credit card transaction from each account for testing. For selected transactions we inspected documentation to determine that:
  - i. Use was by an authorized user within the guidelines established in the policy, and
  - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.
- c. We selected three credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
  - i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.We found one of the three Lowes statements tested had unpaid beginning balance, ending balance, and incurred a late fee and interest of \$26. This exception occurred with the May 2020 statement. However, because we did not inspect all credit account statements, our report provides no assurance regarding whether or not other similar errors occurred.

### Related Party Transactions

1. We inquired with management and identified the following Related Party Transactions:
  - a. John Bourne was paid \$50 in 2020 and \$80 in 2019 for mowing services.
  - b. Malinda Adams was paid \$582 in 2019 for painting services.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2020 and 2019, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
