Cash

1. We recalculated the December 31, 2020 and December 31, 2019 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund to the December 31, 2018 balances in the prior year in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2020 beginning fund balances recorded in the Cash Summary by Fund to the December 31, 2019 balances in the Cash Summary by Fund. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2020 and 2019 fund cash balances reported in the Cash Summary by Fund and the financial statements filed by the District in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2020 bank account balances with the District's financial institution. We found no exceptions. We also agreed the confirmed balances to the amount appearing in the December 31, 2020 Bank Reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2020 bank reconciliation:
 - a. We traced each debit to the subsequent January and bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. There were no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipt from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL) and the *Holmes County Auditor Cross Reference Report* from 2020 and a total of five from 2019:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. We noted three property tax and manufactured home receipts were recorded at net instead of gross in 2019 and 2020. No other exceptions noted.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We noted two homestead and rollback receipts were improperly classified as property tax revenue instead of intergovernmental receipts in 2019 and 2020. No other exceptions noted.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded proper year. The receipt was recorded in the proper year. No found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2020 and 2019. The Revenue Ledger included the proper number of tax receipts for each year.

Charges for Services

Charges for Services (Continued)

- b. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2018.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2020 or 2019 or debt payment activity during 2020 or 2019. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bond debt activity for 2020 and 2019 and agreed principal and interest payments from the related debt amortization schedule to General fund payments reported in the Appropriation Ledger. We also compared the date the debt payments were due to the date the District made the payments. We found no exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the General fund per the Revenue Ledger. The amounts agreed.
5. For new debt issued during 2020 and 2019, we inspected the debt legislation, which stated the District must use the proceeds to purchase a fire tanker. We scanned the Appropriation Ledger and observed the District made a payment to buy the fire tanker on July 24, 2019.

Payroll Cash Disbursements

1. We selected one payroll check for all employees from 2020 and one payroll check for all employees from 2019 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files and/or minute record for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.
We found no exceptions.
 - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
 - c. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minutes. We found no exceptions.
 - d. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2020 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2020. We observed the following:

Payroll Cash Disbursements (Continued)

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2021	January 12, 2021	\$58.56	\$58.56
State income taxes	January 15, 2021	January 14, 2021	\$14.40	\$14.40
OPERS retirement	January 30, 2021	January 13, 2021	\$161.54	\$161.54

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2020 and 10 from the year ended 2019 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found seven instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2020 and 2019 for the General fund. We observed that General Fund expenditures for 2020 exceeded total appropriations by \$131,131.91, contrary to Ohio Rev. Code § 5705.41(B)
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2020 and 2019 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

Sunshine Law Compliance (Continued)

4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the District's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the District's poster describing their Public Records Policy was displayed conspicuously in all branches of the District as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

9. We inspected the public notices for the public meetings held during the engagement period and determined the District notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

Sunshine Law Compliance (Continued)

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:

 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).

Other Compliance

1. Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2020 and 2019 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list(s) of authorized users, and
 - a list of all credit card account transactions.
 - a. We inspected the established policy(ies) obtained above and determined it is:
 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the entity.We found no exceptions.
 - b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.We noted that the authorized users were unknown on the supporting documentation. We recommended to district have each authorized user sign their receipts for authorizations in the future. No other exceptions noted.
 - c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
 - i. No unpaid beginning balance was carried forward to the current billing cycle,
 - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
