The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2020 beginning fund balances recorded in the 2020 General Ledger to the December 31, 2019 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions.
3. We agreed the 2021 and 2020 bank reconciliation balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the General Ledger and the financial statements filed by the District in the Hinkle System. At December 31, 2020, the General Ledger was \$1,113 lower than the bank reconciliation balance and the balance on the financial statements filed by the District in the HINKLE system due to two checks not being included in the outstanding check listing. The 2021 amounts agreed without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January and February bank statement. We noted three of the four checks outstanding at December 31, 2021 did not clear until April 2022.
 - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31, with the exception of one check which related to a December 31, 2022 expenditure.

We confirmed the property assessment amounts paid from the City of Dayton to the District during 2021 and 2020, with the City. We found no exceptions.

- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Transaction Detail by Vendor Report and to the names and amounts on the supporting invoices. We noted one payment in 2021 was not recorded at the correct date.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
