Dear Ms. Kruse and Ms. Liddil:

We have performed the procedures enumerated below solely to assist you in gaining assurance over compliance with Ohio Revised Code (ORC) Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2022. Management of the State Board of Deposit (BOD) is responsible for compliance with Ohio Revised Code (ORC) Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2022.

The BOD has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting you in gaining assurance over compliance with Ohio Revised Code (ORC) Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2022. This report may not be suitable for any other purpose. The procedures performed may not address all of the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

1. We identified all BOD meetings held in accordance with ORC 135.02 (meetings to be held on the call of the chairperson at least annually) for the period under review. We inspected the BOD minutes to determine whether a quorum was present, determine whether prior minutes were approved, identify decisions made, and determine if minutes contained sufficient facts and information to understand rationale behind decisions made.

Findings: We determined the Board of Deposit met in the months of September 2021, December 2021, March 2022 and June 2022. Pursuant to our inspection of the BOD minutes for these months, we determined that a quorum was present and prior minutes were approved. In addition, the minutes contained sufficient facts and information to understand the rationale behind decisions made.

2. We determined if the chairperson of the BOD provided a monthly report notifying the BOD members of the interim deposits, as required by ORC 135.02, and posted that report monthly to a web site maintained by the Treasurer of State.

Findings: Pursuant to our inspection of the BOD web site maintained by the Treasurer of State, we determined that the chairperson of the BOD posted a monthly report notifying the BOD members of interim deposits.

3. We obtained copies of Treasurer of State-prepared "Monthly Fee Analysis" Excel spreadsheets (hard and soft copies) for fiscal year 2022 that were prepared to analyze the monthly account analysis statements (i.e., bank statements) for the nine most significant sub-accounts of the State's primary bank (currently Key Bank), and:

- a. We determined that the standard deviation formula within the spreadsheet was calculated correctly.

Findings: No exceptions were found as a result of this procedure.

- b. We haphazardly selected ten monthly fees from the nine analysis spreadsheets and traced to the bank statements.

Findings: No exceptions were found as a result of this procedure.

- c. We haphazardly selected five monthly fees from the nine analysis spreadsheets that were identified by the Manager as exceeding two standard deviations and thus requiring investigation per Treasurer of State policy and obtained supporting documentation for the difference in monthly bank fees to verify the differences were explained and documented.

Findings: No exceptions were found as a result of this procedure.

We were engaged by the BOD to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA and applicable attestation standards in the Comptroller General of the United States' Government Auditing Standards. We were not engaged and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on gaining assurance over compliance with Ohio Revised Code (ORC) Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2022. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the BOD and to meet our other ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the State Board of Deposit and Auditor of State, and this report is not suitable for any other purpose.
