## BASIC AUDIT REPORT

Village of Melrose  
Paulding County  
705 State Street  
P.O. Box 101  
Melrose, Ohio 45861-0101

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Village of Melrose, Paulding County, Ohio (the Village) for the years ended December 31, 2021 and 2020.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Village's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Village's financial statements, transactions or balances for the years ended December 31, 2021 and 2020.

The Village's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

### Current Year Observations

1. We noted the Village did not file their 2020 Annual Financial Report timely. Ohio Rev. Code § 117.38 provides that each public office, other than a state agency, shall file a financial report for each fiscal year. The report shall be certified by the proper officer or board and filed with the auditor of state within sixty days after the close of the fiscal year. At the time the report is filed with the auditor of state, the chief fiscal officer shall publish notice in a newspaper published in the taxing district. The notice shall state the financial report has been completed by the public office and is available for public inspection at the office of the chief fiscal officer.

The Village did not file the 2020 annual report until March 11, 2021. Failure to file by the required date could result in penalties of \$25 per day up to maximum of \$750. The Village should take the necessary steps to ensure the financial report is prepared completely in accordance with Auditor of State Bulletin 2015-007 and filed within the sixty day time frame.

2. We noted three council members did not attend or have an appropriate designee attend the required Public Records training. Ohio Rev. Code §§ 109.43(B) and 149.43(E)(1) require that officials elected to statewide or local office, or their appropriate designees, receive three hours of Public Records training for each term of office. The training received must be certified by the Ohio Attorney General. Proof that training has been completed can include documentation that either the Attorney General's office or another entity certified by the Attorney General provided the training the elected official received. Attendees who successfully complete the training will receive a certificate to serve as proof of training. Failure to attend the required Public Records training could result in elected officials not being properly informed of public records requirements. The elected officials shall receive training on public records laws during each term of office and retain the certificate from the Attorney General as proof of training.

**Current Status of Matters Reported in our Prior Engagement**

Item 2 noted above was also reported in our prior engagement for the years ended December 31, 2019 and 2018.
