For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

 - a. Receipt amount per the Receipt Register Report agreed to the amount recorded to the credit of the customer's account in the Detail of Charges Paid Report. The amounts agreed.
 - b. Amount charged for the related billing period:
 - i. Agreed with the debit to accounts receivable in the Financial Journal for the billing period. We found no exceptions.

OWDA Loan #7898	63,044

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loans debt activity for 2021 and 2020 and agreed principal and interest payments from the related debt amortization schedules to water operating fund and sewer capital fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Village made the payments. We found no exceptions.
4. For new debt issued during 2020, we inspected the debt legislation, which stated the Village must use the proceeds for the creation of a Water Department Asset Management Plan. We inspected the Payment Register Detail Report and observed the Village created an Asset Management Plan in May of 2020.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Withholdings Detail Report and:

We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	January 6, 2022	\$2,830	\$2,830
State income taxes	January 15, 2022	January 6, 2022	506	506

We found no exceptions.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Mayor's Court Transactions and Cash Balances

1. We recalculated the December 31, 2021 and December 31, 2020 bank reconciliations. We found no exceptions.

 - a. Duplicate receipt book.
 - b. Docket, including comparing the total fine paid to the judgment issued by the judge (i.e. mayor)
 - c. Case file.

The amounts recorded in the cash book, receipts book, docket and case file agreed.

6. From the cash book, we selected one month from the year ended December 31, 2021 and one month from the year ended 2020 and determined whether:
 - a. The monthly sum of fines and costs collected for those months agreed to the amounts reported as remitted to the Village, State or other applicable government in the following month. We found no exceptions.
 - b. The totals remitted for these two months per the cash book agreed to the returned canceled checks. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the cash book.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Drug Law Enforcement and Police Fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.

2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balance. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

5. We inspected the Village's policy manual and determined the public records policy was not included as required by Ohio Rev. Code § 149.43(E)(2).
6. We observed that the Village's poster describing their Public Records Policy was displayed conspicuously in all branches of the Village as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Village notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

1. We inquired of management and those charged with governance and documented how the Village decided to spend their CRF allocations and how the Village documented their compliance with the CARES Act three-prong test. We then selected five transactions including payroll, non-payroll, and subgrant/subloan transactions and determined the Village:
 - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We inquired with management and inspected the Appropriation Ledgers Report to determine the local government did not have an unencumbered balance of money to pay back to the county treasurer. We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2021 and 2020 in the Hinkle system. We found no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained the required training.

Attestation standards established by the American Institute of Certified Public Accountants require that we request a written statement from the Village stating that cash receipts and disbursements to which we applied procedures has been accurately measured or evaluated. We requested that the Village provide such a statement but the Council and/or fiscal officer refused to do so.

We were engaged by the Village to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Village and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
