We have reviewed the *Independent Accountants' Report on Applying Agreed-Upon Procedures of Washington Township, Pickaway County*, prepared by Julian & Grube, Inc., for the period January 1, 2020 through December 31, 2021. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code. In conjunction with the work performed by the Independent Public Accountant, the Auditor of State is issuing the following:

Finding for Recovery Repaid Under Audit

Ohio Rev. Code §§ 505.24(A) and (B) states that in calendar year 2018, each township trustee is entitled to compensation in an amount for each day of service in the business of the township, to be paid from the township treasury. In townships having a budget of more than seven hundred fifty thousand dollars but not more than one million five hundred thousand dollars, fifty-six dollars and seventy-one cents per day for not more than two hundred days. In calendar year 2019 and in each calendar year thereafter through calendar year 2028, the amounts paid as specified in division (A) of this section shall be increased by one and three-quarters per cent.

Ohio Const. Art. II, Section 20 states that the general assembly, in cases not provided for in the constitution, shall fix the term of office and the compensation of all officers; but no change therein shall affect the salary of any officer during his existing term, unless the office be abolished.

Washington Township Trustees James Ewing and Dennis Shaw, were elected for the terms of January 1, 2018 through December 31, 2021. During 2020 and 2021, both Trustees were paid at the increased rate outlined in Ohio Rev. Code § 505.24(B). However, the Trustees were not eligible for the increased rate since they were not elected or appointed on or after December 27, 2018. As a result, both Trustees were overpaid by \$800.

In accordance with the foregoing facts, and pursuant to Ohio Rev. Code § 117.28, a Finding for Recovery for public money illegally expended is hereby issued against James Ewing and in favor of Washington Township, in the amount of \$800, and against Dennis Shaw and in favor of Washington Township, in the amount of \$800, both in favor of the General Fund.

On July 31, 2022, \$800 was deducted from the monthly salaries for Trustees James Ewing and Dennis Shaw. As a result, this finding is considered to be repaid in full and constitutes a Finding for Recovery Repaid Under Audit.

No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

We found in the Cash Summary by Fund Report the beginning balance was \$667,203, while the balance on the prior year audited statements was \$658,450, a difference of \$8,753. We also agreed the January 1, 2021 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2020 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the 2021 and 2020 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2021 and 2020 to the total fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2021 bank account balances with the Township's financial institutions. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2021 bank reconciliation without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2021 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.

 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes* and the County Expense by Vendor Report for 2021 and a total of five from 2020:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger Report. The amounts agreed.

2. We inquired of management, and inspected the Revenue Ledger Report and Appropriation Ledger Report for evidence of debt issued during 2021 or 2020 or debt payment activity during 2021 or 2020. There were no new debt issuances, nor any debt payment activity during 2021 or 2020.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2021 and one payroll check for five employees from 2020 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary).
 - i. We inspected the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - ii. We agreed these items to the information used to compute gross and net pay related to this check.

We found several of the employees' personnel files were missing some of the required withholding authorization forms. Also, we found two instances (one in 2021 and one in 2020) where members of the Board of Trustees were overcompensated according to their statutorily-approved rates by \$33.00 each. Both noted instances relate to the exceptions noted in Step 3 of this section. Also, we found one instance in 2021 where the fiscal officer was undercompensated according to his statutorily-approved rate by \$28.00. This instance also relates to the exceptions noted in Step 3 of this section.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2021 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2021. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2022	December 31, 2021	\$816.52	\$816.52
State income taxes	January 15, 2022	December 31, 2021	145.83	145.83
OPERS retirement	January 30, 2022	December 31, 2021	1,741.98	1,741.98
School District Income Tax	January 31, 2022	December 31, 2021	90.49	90.49

We found no exceptions.

3. We compared total gross pay for the fiscal officer and each board member for 2021 and 2020 to the compensation permitted by Ohio Revised Code §§ 507.09 and 505.24, respectively. We found two trustees were over compensated by \$400 each in 2020 and 2021, one trustee was under compensated by \$206 in 2021 and the fiscal officer was under compensated by \$339 in 2021.

4. We inquired of management and inspected the Wage Detail Report for the years ended December 31, 2021 and 2020 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with Ohio Rev. Code §§ 505.60, 505.601, 505.602 and 505.603 and federal regulations.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Appropriation Ledger Report for the year ended December 31, 2021 and 10 from the year ended 2020 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2021 and 2020 for the General, Gasoline Tax, and Fire and Emergency Medical Levy fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Appropriation Ledger Report for the Private Purpose Trust Fund. Not more than 5% of non-spendable monies were released, spent, or otherwise modified during the engagement period.
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2021 and 2020 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c). We noted that the policy did not mention not limiting the number of responses that may be made to a particular person, limiting the number of responses during a specified period of time, or establishing a fixed period of time before responding to public record requests.
2. We selected the single public records request from the engagement period and inspected the request to determine the following:
 - a. The Township was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.
 - b. The Township did not have any denied public records requests during the engagement period.
 - c. The Township did not have any public records requests with redactions during the engagement period.
3. We inquired whether the Township had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission, noting the Township's Records Commission did not meet during the engagement period.
8. We inquired with Township management and determined that the Fiscal Officer and Board of Trustees are all elected; however, a public records training was not attended by each elected official or their designee as required by Ohio Rev. Code § 149.43(E)(1).
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

HB 481 / HB 614 Coronavirus Relief Fund (CRF) Compliance

1. We inquired of management and those charged with governance and documented how the Township decided to spend their CRF allocations and how the Township documented their compliance with the CARES Act three-prong test. We then selected five transactions including payroll, non-payroll, and subgrant/subloan transactions, and determined the Township:
 - a. Spent the CRF money (including additional distributions or redistributions) in accordance with use of funds requirements and
 - b. Maintained appropriate supporting documentation.We found no exceptions.
2. We recalculated the unencumbered balance the local government should have paid back to the county treasurer and determined the unencumbered balance of money was not returned to the county treasurer by November 20, 2020.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, in the Hinkle system. Financial information was filed on March 15, 2022 for the years ended December 31, 2021 and 2020, which was not within the allotted timeframe.
2. We inquired of the fiscal officer to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The fiscal officer, whom is newly-elected, obtained 16.75 of the required 18 hours of training. In addition, the fiscal officer has not taken 2 hours of ethics training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
