We have performed the procedures enumerated below on the Waterford Township, Washington County, Ohio (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the year ended December 31, 2019 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the year ended December 31, 2019 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the year ended December 31, 2019, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2019 bank reconciliation. We found no exceptions.
2. We agreed the January 1, 2019 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2018 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions.
3. We agreed the total per the bank reconciliation to the total of the December 31, 2019 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

Cash (Continued)

4. We confirmed the December 31, 2019 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balance to the amount appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found three exceptions. Check 16800 posted December 17, 2007 for \$25, check 15275 dated July 20, 2005 for \$50, and check 23568 dated June 6, 2019 for \$23 had not cleared the bank as of January 31, 2020.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. There were no exceptions.
6. We selected the reconciling credit from the December 31, 2019 bank reconciliation. We found the credit did not trace to the subsequent January or February bank statement. The item was described as a "deflating bank error" with no support maintained. We found the credit for \$20 has been outstanding for several years and should not be. The Fiscal Officer posted an adjustment to correct this amount on November 23, 2021.
7. We inspected the Fund Balance Adjustment Listing to determine whether the adjustments identified in the prior agreed-upon procedures report, due from the General Fund, payable to the Road and Bridge Fund (2031), Ambulance Fund (2191), Special Fire Fund (2192), Special Fire and Ambulance Fund (2193), and Special Fire and Ambulance Levy Fund (2194) were properly posted to the ledgers and reflected in the fund balances in Procedure 2. We found no exceptions.

 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2019. The Receipt Register Report included the proper number of tax.

 - d. We confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	01/31/2020	01/10/2020	\$3,705	\$3,705
State income taxes	01/15/2020	01/10/2020	\$477	\$477
Local income tax	01/31/2020	01/12/2020	\$358	\$358

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.
