INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Board of County Commissioners
Crawford County
112 East Mansfield Street
Bucyrus, Ohio 44820
and
The Director,
Ohio Environmental Protection Agency
50 W. Town Street, Suite 700
Columbus, OH 43215

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of Crawford County, Ohio (the County) for the year ended December 31, 2022, and have separately issued our unmodified report thereon dated June 27, 2023. These statements present the landfill within the General Fund and also within the County's governmental activities.

In a letter to the Ohio Environmental Protection Agency dated June 27, 2023 (the Letter), Robyn Sheets, Crawford County Auditor, specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below on the County. The County's management is responsible for the information presented in the Letter.

The County has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of solely providing assistance to you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. This report may not be suitable for any other purpose. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Admin. Code 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

- 5 Total assured environmental costs
- 6 Total annual revenue

The amounts on line 6 agree to the basic fund financial statements of the County, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in Note 18 to the basic financial statements following Governmental Accounting Statement Number 18.

Efficient • Effective • Transparent

We were engaged by the County to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion respectively, on the letter. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the County and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
