INDEPENDENT AUDITOR'S REPORT

Geauga County Agricultural Society Geauga County P.O. Box 402 Burton, Ohio 44021

To the Board of Directors:

Report on the Audit of the Financial Statements

Unmodified and Adverse Opinions

We have audited the financial statements of the Geauga County Agricultural Society, Geauga County, Ohio (the Society), which comprises the cash balances, receipts and disbursements for the governmental fund type total as of and for the years ended November 30, 2022 and 2021, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for the governmental fund type total as of and for the years ended November 30, 2022 and 2021, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Society, as of November 30, 2022 and 2021, or the changes in financial position thereof for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Society, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by the Society on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Society's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- · exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Society's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Geauga County Agricultural Society Geauga County Independent Auditor's Report Page 3

conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
raise substantial doubt about the Society's ability to continue as a going concern for a reasonable
period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 8, 2023, on our consideration of the Society's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Society's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Society's internal control over financial reporting and compliance.

Notes to the Financial Statements
For the Year Ended November 30, 2022

Note 1 - Reporting Entity

The Geauga County Agricultural Society (the Society), is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a County agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1823 to operate an annual agricultural fair. The Society sponsors the week-long Geauga County Fair during September. During the fair, harness races are held, culminating in the running of the Geauga County Fair Harness Racing. Geauga County is not financially accountable for the Society. The Board of Directors manages the Society. The Board is made up of nineteen directors serving staggered three-year terms. Society members elect Board members from its membership. Members of the Society must be residents of Geauga County and pay an annual membership fee to the Society.

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair and harness racing during fair week. Other activities at the fairgrounds include facility rental, track and stall rental, and community events including Antique Market. The reporting entity does not include any other activities or entities of Geauga County, Ohio.

The Junior Fair Board's and Junior Livestock Sale Committee's financial activity are reported in the Society's financial statement.

The Society's management believes this financial statement presents all activities for which the Society is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Society's financial statement consists of a statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

Basis of Accounting

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

Deposits and Investments

The Society's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Capital Assets

The Society records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

Geauga County
Notes to the Financial Statements
For the Year Ended November 30, 2022

Leases

The Society is the lessor/lessee in various leases (as defined by GASB 87) related to buildings, vehicles, and other equipment under noncancelable leases. Lease revenue/disbursements are recognized when they are received/paid.

Income Tax Status

The Society is a not-for-profit organization, exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Society is not a private foundation within the meaning of Section 509 (a). Contributions to the Society are deductible per Section 170(b) (1) (A) (v1). Management is unaware of any actions or events that would jeopardize the Society's tax status.

Race Purse

Buckeye stake races are held during the Geauga County Fair. The Society pays all Sustaining and Entry fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees Horse owners and Ohio Harness Horseman's Association pay fees to the Society to qualify horses for entry into stake races. They must make payment before a horse can participate in a stake race. The accompanying financial statement reports these fees as Sustaining and Entry Fees.

Ohio Fairs Fund The State of Ohio contributes money to the Society from the Ohio Fairs Fund to supplement the race purse. See Note 4 for additional information.

Pari-mutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the "handle"), less commission, is paid to bettors in accordance with the payoffs, as the pari-mutuel wagering system determines. The Society contracts with a totalizer service to collect bets and provide the pari-mutuel wagering system.

Pari-mutuel wagering commission (the commission) is the Society's share of total pari-mutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statement as Pari-mutuel Wagering Commission. See Note 4 for additional information.

Note 3 - Deposits and Investments

The Society maintains a deposits and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at November 30 was as follows:

	2022

Note 4 - Horse Racing

State Support Portion of Purse

The financial statement reports Ohio Fairs Fund money received to supplement race purses for the Fiscal Year Ended November 30, 2022, in the amount of \$6,239 as State Support.

Pari-mutuel Wagering

The Society does not record the Total Amount Bet or the Payoff to Bettors in the accompany financial statement, rather, it records the Pari-mutuel Wagering Commission which is the Society's share of total pari-mutuel wagers after paying winning bettors. The expenses of providing the pari-mutuel wagering system are called Tote Services, and these expenses along with the total service commission are netted against the Parimutuel Wagering Commission. State taxes, which are also paid from the Pari-mutuel Wagering Commission, are reflected in Other Operating Disbursements, and the amount remaining is the Society's net portion.

Note 1 – Reporting Entity

The Geauga County Agricultural Society (the Society), is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a County agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1823 to operate an annual agricultural fair. The Society sponsors the week-long Geauga County Fair during September. During the fair, harness races are held, culminating in the running of the Geauga County Fair Harness Racing. Geauga County is not financially accountable for the Society. The Board of Directors manages the Society. The Board is made up of nineteen directors serving staggered three-year terms. Society members elect Board members from its membership. Members of the Society must be residents of Geauga County and pay an annual membership fee to the Society.

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair and harness racing during fair week. Other activities at the fairgrounds include facility rental, track and stall rental, and community events including Antique Market. The reporting entity does not include any other activities or entities of Geauga County, Ohio.

The Junior Fair Board's and Junior Livestock Sale Committee's financial activity are reported in the Society's financial statement.

The Society's management believes this financial statement presents all activities for which the Society is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Society's financial statement consists of a statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

Basis of Accounting

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

Deposits and Investments

The Society's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Capital Assets

The Society records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

Income Tax Status

The Society is a not-for-profit organization, exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Society is not a private foundation within the meaning of Section 509 (a). Contributions to the Society are deductible per Section 170(b) (1) (A) (v1). Management is unaware of any actions or events that would jeopardize the Society's tax status.

Race Purse

Buckeye stake races are held during the Geauga County Fair. The Society pays all Sustaining and Entry fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees Horse owners and Ohio Harness Horseman's Association pay fees to the Society to qualify horses for entry into stake races. They must make payment before a horse can participate in a stake race. The accompanying financial statement reports these fees as Sustaining and Entry Fees.

Ohio Fairs Fund The State of Ohio contributes money to the Society from the Ohio Fairs Fund to supplement the race purse. See Note 4 for additional information.

Pari-mutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the "handle"), less commission, is paid to bettors in accordance with the payoffs, as the pari-mutuel wagering system determines. The Society contracts with a totalizer service to collect bets and provide the pari-mutuel wagering system.

Pari-mutuel wagering commission (the commission) is the Society's share of total pari-mutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statement as Pari-mutuel Wagering Commission. See Note 4 for additional information.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Geauga County Agricultural Society Geauga County P.O. Box 402 Burton, Ohio 44021

To the Board of Directors:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the cash balances, receipts, and disbursements for the governmental fund type total as of and for the years ended November 30, 2022 and 2021 and the related notes to the financial statements of the Geauga County Agricultural Society, Geauga County, (the Society) and have issued our report thereon dated November 8, 2023, wherein we noted the Society followed financial reporting provisions Ohio Rev. Code § 117.38 and Ohio Admin. Code 117-2-03(C) permit.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Society's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. Accordingly, we do not express an opinion on the effectiveness of the Society's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Society's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Society's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Society's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Society's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
