BASIC AUDIT REPORT

Hiram Energy Special Improvement District, Inc.
Portage County
P.O. Box 65
Hiram, Ohio 44234

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of the Hiram Energy Special Improvement District, Inc., Portage County, (the District) for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the District’s financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the District’s financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The District’s management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observation

Ohio Rev. Code Section 117.38 requires entities to file their financial information with the Auditor of State within 60 days of the fiscal year end. For the year ended December 31, 2021, the District did not file a complete annual report within 60 days of the fiscal year end. The 2021 report was due on March 1, 2022 but was filed on March 2, 2022.

The District should submit their financial information by the required due date to avoid a late filing comment.

Current Status of Matters Reported in our Prior Engagement

Our prior audit for the years ended December 31, 2020 and 2019 noted the District did not file a complete annual report or an Electronic Filing Waiver Request within 60 days of the fiscal year end. This was repeated in our current year observation above.
