BASIC AUDIT REPORT

Madison Joint Recreation District
Lake County
P.O. Box 456
Madison, Ohio 44057

We have completed certain procedures in accordance with Ohio Rev. Code Section 117.01(G) to the accounting records and related documents of Madison Joint Recreation District, Lake County, (the District) for the years ended December 31, 2022 and 2021.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the District's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the District's financial statements, transactions or balances for the years ended December 31, 2022 and 2021.

The District's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code Section 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found no significant compliance or accounting issues to report.

Current Status of Matters Reported in our Prior Engagement

1. We noted the District did not file its annual financial reports in a timely manner for the fiscal years ended December 31, 2020 and 2019. Ohio Rev. This matter was corrected for the fiscal years ended December 31, 2022 and 2021.
2. We inquired with District management and determined that the District did not have a public records policy during the engagement period as required by Ohio Rev. Code § 149.43(E)(2). This matter was corrected for the fiscal years ended December 31, 2022 and 2021.
3. We inquired with District management and determined that the District did not have a records retention policy during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). This matter was corrected for the fiscal years ended December 31, 2022 and 2021.
4. We inquired with District management and determined that the District did not have a public records policy during the engagement period and therefore could not provide it to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). This matter was corrected for the fiscal years ended December 31, 2022 and 2021.

5. We inquired with District management and determined that the District did not have a public records policy during the engagement period; therefore, it could not be included in a policy manual as required by Ohio Rev. Code § 149.43(E)(2). This matter was corrected for the fiscal years ended December 31, 2022 and 2021.

6.
