We have performed the procedures enumerated below on the Mount Gilead Library's (the Library) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2022 and 2021 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library.

The Board of Trustees and the management of the Library have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2022 and 2021, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2022 and December 31, 2021 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2021 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2020 balances in the prior year Agreed-Upon Procedures working papers. We found no exceptions.
3. We agreed the 2022 and 2021 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2022 and 2021 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Library in the Hinkle System. The amounts agreed.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2022 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.

6. We selected the only reconciling credit (such as deposit in transit) from the December 31, 2022 bank reconciliation:
 - a. We found that the only reconciling credit for \$126 had been recorded in UAN in error. A fund balance adjustment was processed to reverse the transaction.
 - b. We agreed the credit amount to the Receipt Export Report and determined it was dated prior to December 31. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2020.
2. We inquired of management and inspected the Receipt Export Report and Payment Export Report for evidence of debt issued during 2022 or 2021 or debt payment activity during 2022 or 2021. There were no new debt issuances, nor any debt payment activity during 2022 or 2021.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2022 and one payroll check for five employees from 2021 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found one instance where there was no supporting documentation for a seasonal employee's pay rate of \$11.00 per hour.
 - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record. We found no exceptions.

We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2022. We observed the following:

| Withholding (plus employer share, where applicable) | Date Due | Date Paid | Amount Due | Amount Paid |
|---|---------------------|----------------------|-----------------------|------------------------|
| Federal income taxes & Medicare (and social security, for employees not enrolled in pension system) | January 31, 2023 | January 17, 2023 | \$2,892.34 | \$2,892.34 |
| State income taxes | January 17, 2023 | January 12, 2023 | \$600.39 | \$600.39 |
| Local income tax | January 17, 2023 | January 12, 2023 | \$595.45 | \$595.45 |

 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Report and to the names and amounts on the supporting invoices. For ACH payments, the payment date, payee name and amount recorded on the bank statement agreed to the payment date, payee name and amount recorded in the payment export report.  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Budgetary

1. Ohio Admin. Code 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total approved appropriations plus any carryover appropriations for the years ended December 31, 2022 and 2021. We determined that the approval of appropriations was not documented or filed with the county auditor for either year. Therefore, the General Fund's expenditures for 2022 and 2021 exceeded total appropriations by \$863,031 and \$523,639, respectively, contrary to Ohio Admin. Code 117-8-02.

Sunshine Law Compliance

1. We obtained and inspected the Library's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Library management and determined that the Library did not have any completed, denied or redacted public records requests during the engagement period.

5. We inspected the Library's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

9. We inspected the public notices for the public meetings held during the engagement period and determined the Library notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period

1. We inspected the Payment Export Report and identified the Library had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract over \$50,000 for a replacement roof for 2022 and:
 - a. We inspected the sealed bids and board minutes for the contracted expenditure and determined the sealed bids were:
 - i. Opened at the next meeting of the board
 - ii. Publicly read by the fiscal officer

1. Ohio Rev. Code § 117.38 requires libraries to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. The Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Library filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy within the allotted timeframe for the years ended December 31, 2022 and 2021 in the Hinkle system. We found no exceptions.

We were not engaged to, and did not conduct an examination, or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
