**INDEPENDENT AUDITOR'S REPORT**

Perry Township  
Richland County  
2025 Coursen Road  
Bellville, Ohio 44813

To the Board of Trustees:

***Report on the Audit of the Financial Statements***

***Unmodified and Adverse Opinions***

We have audited the financial statements of Perry Township, Richland County, Ohio (the Township), which comprise the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township, as of December 31, 2022 and 2021, or the changes in financial position, thereof for the years then ended.

***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Township, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the financial statements are prepared by Township on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

***Emphasis of Matter***

As discussed in Note 11 to the financial statements for 2022 and 2021, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Township. We did not modify our opinions regarding this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2023, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

**Note 1 – Reporting Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of the Perry Township, Richland County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with the Fredericktown Community Fire District and Troy Township to provide fire services. They also contract with the Fredericktown Community Joint Emergency Ambulance District and Troy Township to provide emergency medical services.

***Public Entity Risk Pool***

The Township participates in Ohio Plan Risk Management, Inc. (OPRM), a public entity risk pool available to Ohio Townships. Note 6 to the financial statements provides additional information for this entity.

The Township’s management believes these financial statements present all activities for which the Township is financially accountable.

**Note 2 - Summary of Significant Accounting Policies**

***Basis of Presentation***

The Township’s financial statements consist of a combined statement of receipts, disbursements and change in fund balances (regulatory cash basis) for all government fund types, which is organized on a fund type basis.

***Fund Accounting***

The Township uses fund accounting to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

***Gas Tax Fund*** The gas tax fund accounts for and reports that portion of the State gasoline tax restricted for maintenance and repair of roads within the Township.

***Road District Fund*** – The Road District Fund receives property tax money for contracting, maintaining and repairing Township roads.

***Capital Project Funds*** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Township’s only capital projects fund is a permanent improvement fund. This fund had no activity in 2022.

**Note 2 - Summary of Significant Accounting Policies (continued)**

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2- 03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund be budgeted annually.

***Appropriations*** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

***Estimated Resources*** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

***Encumbrances*** The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be re-appropriated.

A summary of 2022 budgetary activity appears in Note 3.

***Capital Assets***

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Perry Township**  
*Richland County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2022*

**Note 2 - Summary of Significant Accounting Policies (continued)**

***Nonspendable*** The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Township.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** Trustees can commit amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in general fund is limited to encumbrances outstanding at year end.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure to fund balance is included in Note 10.

**Note 3 – Budgetary Activity**

Budgetary activity for the year ending December 31, 2022 follows:

Fund Type	2022 Budgeted vs. Actual Receipts		
	Budgeted	Actual	Variance
	Receipts	Receipts	
General	\$ 48,256	\$ 60,337	\$ 12,081
Special Revenue	447,795	585,154	137,359
Capital Projects	-	-	-

Fund Type	2022 Budgeted vs. Actual Budgetary Basis Disbursements		
	Appropriation	Budgetary	Variance

General	\$ 139,182	\$ 56,809	\$ 82,373

**Note 4 – Deposits**

To improve cash management, cash received by the Township is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits. A summary of the Township’s deposit accounts are as follows:

	<u>2022</u>
Demand deposit	\$ 517,896

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2022, the Township is holding no unremitted employee payroll withholdings.

***Deposits***

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized by securities specifically pledged by the financial institution to the Township or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**Note 6 – Risk Management**

The Township belongs to the Ohio Plan Risk Management, Inc. (OPRM) (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments (“Members”). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

**Note 6 – Risk Management (continued)**

Effective November 1, 2010 (through October 31, 2017), the corridor is for losses paid is between 60% and 70% of casualty premiums earned in the first \$250,000. Effective November 1, 2016, the OPRM elected to participate in a property loss corridor deductible. The property corridor includes losses paid between 70% and 75%. In 2018, the casualty loss corridor was eliminated and the property corridor was adjusted to losses paid between 65% and 70%. Effective November 1, 2019, the property loss corridor was adjusted to losses between 60% and 67.5% and remain unchanged effective November 1, 2021 and November 1, 2020. OPRM had 769 members as of December 31, 2021 (the latest information available).

The Pool’s audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2021.

Assets	\$ 21,777,439
Liabilities	( 15,037,383)
Members’ Equity	\$ 6,740,056

You can read the complete audited financial statements for OPRM at the Plan’s website, [www.ohioplan.org](http://www.ohioplan.org).

**Note 7 – Defined Benefit Pension Plan**

***Ohio Public Employees Retirement System***

The Township’s employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes the plans’ benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2022, OPERS members contributed 10% of their gross salaries and the Township contributed an amount equaling 14% of participants’ gross salaries. The Township has paid all contributions required through December 31, 2022.

**Note 8 – Postemployment Benefits**

OPERS offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0% during calendar year 2022. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4% during calendar year 2022.

Effective January 1, 2022, OPERS discontinued the group plans currently offered to non-Medicare retirees and re-employed retirees. Instead, eligible non-Medicare retirees will select an individual medical plan. OPERS will provide a subsidy or allowance via an HRA allowance to those retirees who meet health care eligibility requirements. Retirees will be able to seek reimbursement for plan premiums and other qualified medical expenses.

**Note 9 – Contingent Liabilities**

Management believes there are no pending claims or lawsuits.

**Note 10 – Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end, the Township did not have any outstanding encumbrances.

The fund balance of special revenue funds is either restricted or committed. These restricted and committed amounts in the special revenue funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances would be considered assigned.

**Note 11 - COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During 2022, the Township received COVID-19 funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Township.

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Perry Township**  
*Richland County*  
*Notes to the Financial Statements*  
*For the Year Ended December 31, 2021*

**Note 2 - Summary of Significant Accounting Policies (continued)**

***Nonspendable*** The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Township.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** Trustees can commit amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in general fund is limited to encumbrances outstanding at year end.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure to fund balance is included in Note 10.

**Note 4 – Deposits**

To improve cash management, cash received by the Township is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits. A summary of the Township’s deposit accounts are as follows:

	2021
Demand deposits	\$ 531,980

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2021, the Township is holding no unremitted employee payroll withholdings.

***Deposits***

Deposits are insured by the Federal Deposit Insurance Corporation or collateralized by securities specifically pledged by the financial institution to the Township or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

**Note 6 – Risk Management**

The Township belongs to the Ohio Plan Risk Management, Inc. (OPRM) (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments (“Members”). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

**Note 7 – Defined Benefit Pension Plan**

***Ohio Public Employees Retirement System***

The Township’s employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes the plans’ benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2021, OPERS members contributed 10% of their gross salaries and the Township contributed an amount equaling 14% of participants’ gross salaries. The Township has paid all contributions required through December 31, 2021.

**Note 8 – Postemployment Benefits**

OPERS offer cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0% during calendar year 2021. **Note 10 – Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end, the Township did not have any outstanding encumbrances.

The fund balance of special revenue funds is either restricted or committed. These restricted and committed amounts in the special revenue funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances would be considered assigned.

**Note 11 - COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During 2021, the Township received COVID-19 funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Township.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Perry Township  
Richland County  
2025 Coursen Road  
Bellville, Ohio 44813

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type of Perry Township, Richland County, (the Township) as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, and have issued our report thereon dated June 26, 2023, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures which may impact subsequent periods of the Township.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Township's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted certain other matters not requiring inclusion in this report that we reported to the Township's management in a separate letter dated June 26, 2023.

***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
