**INDEPENDENT AUDITOR'S REPORT**

Rome Township  
Athens County  
6306 Green Valley Road  
Guysville, OH 45735

To the Board of Trustees:

***Report on the Audit of the Financial Statements***

***Unmodified and Adverse Opinions***

We have audited the financial statements of Rome Township, Athens County, Ohio (the Township), which comprises the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township, as of December 31, 2022 and 2021, or the changes in financial position, thereof for the years then ended.

***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Township, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the financial statements are prepared by Township on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

***Emphasis of Matter***

As discussed in Note 11 to the financial statements for 2022 and 2021, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the Township. We did not modify our opinions regarding this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 3, 2023, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

**Note 1 – Reporting Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of Rome Township, Athens County, (the Township) as a body corporate and politic. A publicly elected three-member Board of Trustees directs the Township. The Township provides general government services, road and bridge maintenance, and cemetery maintenance. The Township has a Volunteer Fire Department to provide fire protection and emergency medical services.

**Public Entity Risk Pools**

The Township participates in a public entity risk pool. Note 6 to the financial statements provides additional information for this entity.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Presentation**

The Township's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types which is organized on a fund type basis.

**Fund Accounting**

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

**General Fund** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

**Special Revenue Funds** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

**Road and Bridge Fund** This fund receives property tax money for constructing, maintaining, and repairing Township roads and bridges.

**Gasoline Tax Fund** This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

**Motor Vehicle License Fund** This fund receives money from vehicle registration fees and is used for maintaining and repairing Township roads.

**Permissive Motor Vehicle License Fund** This fund receives money from vehicle registration fees and is used for maintaining and repairing Township roads.

**Cemetery Fund** This fund receives property tax money to maintain 21 cemeteries within the Township.

**Fire Fund** This fund receives property tax money for fire protection in the Township.

**Note 2 – Summary of Significant Accounting Policies (Continued)**

***Fund Accounting (Continued)***

***Dust Control/Road Maintenance Fund*** This fund receives property tax money for dust control and road maintenance.

***Miscellaneous Special Revenue Fund*** This fund receives Federal FEMA grant money to repair road slips.

***Debt Service Funds*** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. The Township had the following significant Debt Service Fund:

***General Bond Retirement Fund*** This fund receives transfers to retire bonded debt issued to finance road equipment and construction projects.

***Basis of Accounting***

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund be budgeted annually.

***Appropriations*** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Appropriations lapse at year end.

***Estimated Resources*** Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must approve estimated resources.

***Encumbrances*** The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2022 budgetary activity appears in Note 3.

***Deposits and Investments***

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

**Note 2 – Summary of Significant Accounting Policies (Continued)**

**Capital Assets**

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**Accumulated Leave**

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

**Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

**Note 4 – Deposits and Investments**

To improve cash management, cash received by the Township is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Township's deposit and investment accounts are as follows:

	2022
<b>Cash Management Pool:</b>	
Demand deposits	\$ 630,153

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2022, the Township is holding no unremitted employee payroll withholdings.

**Deposits**

Deposits are either insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

- Public official's liability
- Cyber
- Law enforcement liability
- Automobile liability
- Vehicles
- Property
- Equipment breakdown

The Pool reported the following summary of assets and actuarially-measured liabilities available to pay those liabilities as of December 31: Most Current Information Available

	2021
Cash and investments	\$34,880,599
Actuarial liabilities	\$10,601,444

**Note 7 – Defined Benefit Pension Plan**

***Ohio Public Employees Retirement System***

All Township employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2022.

**Note 8 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2022. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2022.

**Note 8 – Postemployment Benefits (Continued)**

Effective January 1, 2022, OPERS discontinued the group plans currently offered to non-Medicare retirees and re-employed retirees. Instead, eligible non-Medicare retirees will select an individual medical plan. OPERS will provide a subsidy or allowance via an HRA allowance to those retirees who meet health care eligibility requirements. Retirees will be able to seek reimbursement for plan premiums and other qualified medical expenses.

**Note 9 – Debt**

Debt outstanding at December 31, 2022, was as follows:

	Principal	Interest Rate
General Obligation Bond - Fire House Addition	\$ 289,213	0.85%

The Township issued a general obligation bond for the amount of \$360,001 at an interest rate of 0.85% in 2022 to finance the construction of a fire house addition. The Township’s taxing authority collateralized the bonds. Maturity date is September 22, 2026.

**Amortization**

Amortization of the above debt, including interest, is scheduled as follows:

Year Ending December 31:	General Obligation Bond - Fire House Addition
2023	\$ 73,846
2024	73,846
2025	73,846
2026	73,846
Total	\$ 295,384

**Note 10 – Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control.

The fund balance of special revenue funds is either restricted or committed. In the general fund, outstanding encumbrances would be considered assigned. There were no encumbrances at year end.

**Note 11 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio’s state of emergency ended in June, 2021 while the national state of emergency continues. During 2022, the Township received \$69,582 American Rescue Plan Act funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Township. The impact on the Township’s future operating costs, revenues, and additional recovery from funding, either federal or state, cannot be estimated.

**Note 2 – Summary of Significant Accounting Policies (Continued)**

***Capital Assets***

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

***Restricted*** Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

***Unassigned*** Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

	2021
<b>Cash Management Pool:</b>	
Demand deposits	\$ 908,482

The Township does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2021, the Township is holding no unremitted employee payroll withholdings.

**Deposits**

Deposits are either insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**Note 5 – Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

**Note 7 – Defined Benefit Pension Plan**

***Ohio Public Employees Retirement System***

All Township employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2021.

**Note 8 – Postemployment Benefits**

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement, and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2021. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2021.

The fund balance of special revenue funds is either restricted or committed. In the general fund, outstanding encumbrances would be considered assigned. There were no encumbrances at year end.

**Note 11 – COVID-19**

The United States and the State of Ohio declared a state of emergency in March of 2020 due to the COVID-19 pandemic. Ohio's state of emergency ended in June, 2021 while the national state of emergency continues. During 2021, the Township received \$69,031 American Rescue Plan Act funding. The financial impact of COVID-19 and the continuing emergency measures will impact subsequent periods of the Township. The impact on the Township's future operating costs, revenues, and additional recovery from funding, either federal or state, cannot be estimated.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Rome Township  
Athens County  
6306 Green Valley Road  
Guysville, OH 45735

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental fund type of Rome Township, Athens County, (the Township) as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, and have issued our report thereon dated April 3, 2023, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. We also noted the financial impact of COVID-19 and the continuing emergency measures which may impact subsequent periods of the Township.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a certain deficiency in internal control, described in the accompanying schedule of findings as item 2022-001 that we consider to be a material weakness.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Township's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also noted other matters not requiring inclusion in this report that we reported to the Township's management in a separate letter dated April 3, 2023.

***Township's Response to Finding***

*Government Auditing Standards* requires the auditor to perform limited procedures on the Township's response to the finding identified in our audit and described in the accompanying corrective action plan. The Township's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**SCHEDULE OF FINDINGS  
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

<b>FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS</b>
--

**FINDING 2022-001 - Material Weakness**

**Financial Reporting - Posting Receipts and Disbursements**

The Township should have procedures and controls in place to prevent and detect errors in financial reporting. During 2022 and 2021, receipts and disbursements were not always posted or classified correctly. The following posting errors were noted:

For 2022

- Reclassification of disbursements from Public Safety to Capital Outlay in the Fire House Fund for the construction of a fire house addition.
- Reclassification of disbursements from General Government and Human Services to Public Works in the General and Miscellaneous Special Revenue Funds for road expenditures.

For 2021

- Reclassification of disbursements from General Government, Public Safety, Public Works, and Human Services to Capital Outlay in the General, Motor Vehicle License Tax, Gasoline Tax, Road and Bridge, Cemetery, Fire House, and Miscellaneous Special Revenue Funds for capital expenditures.
- Reclassification of disbursements from Human Services to Public Works in the Miscellaneous Special Revenue Fund for FEMA road expenditures.
- Reclassification of Sale of Notes to Sale of Bonds in the Fire House Fund.

Not posting receipts and disbursements correctly resulted in the financial statements requiring reclassification entries. The financial statements reflect all reclassifications.

Also, during 2022 and 2021 aspects of the notes to the financial statements were corrected from the Hinkle filing to agree to the financial statements in the audit report and to include all necessary note disclosures. We made corrections to the following note disclosures:

- Budgetary Activity
- Deposits and Investments
- Postemployment Benefits
- Debt
- Fund Balances
- Covid-19

We recommend the Fiscal Officer refer to the Ohio Township Handbook, Uniform Accounting Network (UAN) Manual and Auditor of State guidance to determine the proper establishment of disbursement accounts and proper posting. Also, to help ensure accuracy and reliability in the financial reporting process, we recommend management perform a detailed review of its draft financial statements and notes to the financial statements. Such review should include procedures to ensure that all receipts and disbursements are properly identified and classified on the financial statements. We recommend the Township use the most current available templates for financial statements and notes to the financial statements on the Auditor of State's website <http://www.ohioauditor.gov/references/shells/regulatory.html> to prepare an accurate annual financial report.
