Youngstown, Ohio 44503

We have reviewed the *Independent Auditor's Report* of the Youngstown Central Area Community Improvement Corporation, Mahoning County, prepared by Charles E. Harris & Associates, Inc., for the audit period July 1, 2021 through June 30, 2022. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Youngstown Central Area Community Improvement Corporation is responsible for compliance with these laws and regulations.

**INDEPENDENT AUDITOR'S REPORT**

Youngstown Central Area Community Improvement Corporation  
Mahoning County  
242 West Federal Street, Suite 304  
Youngstown, Ohio 44503

To the Board of Trustees:

***Report on the Audit of the Financial Statements***

***Opinion***

We have audited the financial statements of the Youngstown Central Area Community Improvement Corporation, Mahoning County, Ohio (the Corporation), a not-for-profit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Youngstown Central Area Community Improvement Corporation, Mahoning County, Ohio, as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Corporation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Prior Period Financial Statements Audited by a Predecessor Auditor***

The financial statements of the Corporation, as of and for the year ended June 30, 2021, were audited by other auditors, who expressed an unmodified opinion on those statements dated December 24, 2021 prior to the restatement.

As part of our audit of the 2022 financial statements, we also audited the adjustments described in Note K that were applied to restate the 2021 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2021 financial statements of the Corporation other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2021 financial statements as a whole.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 23, 2022, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

# Youngstown Central Area Community Improvement Corporation

## Mahoning County

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

### Note A – Summary of Significant Accounting Policies

#### Organization and Business Activity

The Youngstown Central Area Community Improvement Corporation (the "Corporation") is a nonprofit community improvement organization, which was formed on April 25, 1988, with the primary purpose of promoting industrial and economic development within the central area of the City of Youngstown.

#### Basis of Accounting

The Corporation has prepared its financial statements on the accrual basis in conformity with accounting principles generally accepted in the United States of America. Accrual basis accounting allows for revenue to be recognized when earned and expenses to be recognized when goods or services are received, without regard to the receipt or payment of cash.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Financial Statement Presentation

The Corporation has adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) No. 958-210, Presentation of Financial Statements. Under ASC 958-210, the Corporation is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions - Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. The Corporation has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

Net assets with voluntary designations by the governing board of the organization are considered to be without donor restrictions under the guidelines of FASB ASC 958-205-45-2.

#### Advertising Expense

Advertising costs are expensed as incurred.

# Youngstown Central Area Community Improvement Corporation

## Mahoning County

Notes to Financial Statements  
For the Years Ended June 30, 2022 and 2021

### Note A – Summary of Significant Accounting Policies (continued)

#### Cash and Cash Equivalents

The Corporation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

#### Investments

The Corporation accounts for its investments in marketable securities at their stated fair value in the statements of financial position.

#### Accounts Receivables

Accounts receivables are stated at the amount management expects to collect from balances outstanding at year-end. The potential risk is limited to the amount recorded in the financial statements. Receivables are written off when they are determined to be uncollectible. Based on management's assessment of the credit history with organizations having outstanding balances, it has concluded that all receivables at June 30, 2022 and 2021 are collectible.

#### Prepaid Expenses

Payments made to vendors for services that will benefit periods beyond the end of the fiscal year are recorded as prepaid items by using the consumption method.

#### Property and Equipment

Property and equipment purchased, and real estate given by or transferred from the City of Youngstown to the Corporation are recorded at cost. Donated assets are recorded at fair market value at the date of the gift. Property and equipment are depreciated on the straight-line method over their estimated useful lives of 5 to 30 years. Maintenance and repairs are charged to expense when incurred. Assets with a useful life beyond one year or repairs and maintenance that extend the useful life of an asset beyond one year are capitalized and depreciated over the asset's useful life.

#### Contract Obligations

Certain payments received, such as insurance proceeds and tenant renovations, are deferred and are not recognized as revenue until damages have been repaired or renovations have been completed.

#### Unearned Rent

The Corporation has a rent agreement with the County of Mahoning for the 7th District Court of Appeals (COA) for a 30-year period. The COA has the option to purchase the building for \$1 at any time during the lease period. Rent was prepaid in 2006. The rent will be recognized over the period of the agreement. Rental income received during the years ended June 30, 2022 and 2021 was \$131,332.

#### Operating Deposit

The Corporation has a five (5) year agreement with the County of Mahoning for the operation and maintenance of the Children Services Board Building, wherein the County provided a one-time deposit of \$50,000 to assist with cash flow issues. In the event the agreement is terminated, the Corporation will return the deposit to the County or the deposit will be applied to the final payment due from the County. The agreement is in effect from January 1, 2018 to December 31, 2022.

#### Restriction Policy

The Corporation has no donor-imposed restrictions which need to be classified as net assets with donor restriction.

# Youngstown Central Area Community Improvement Corporation

## Mahoning County

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

### Note A – Summary of Significant Accounting Policies (continued)

Net assets with voluntary designations by the governing board are without donor restriction under the guidelines of FASB ASC 958-205-45-2. The Corporation has funds designated for the purpose of transactions related to the construction and rental of the Voinovich Center. These funds are shown on the statements of financial position as “State of Ohio DAS Ohio Center Project Trust Fund”.

#### Program Services

For financial statement purposes, the Corporation is involved with one program service, which is to promote industrial and economic development within the central business district of the City of Youngstown.

#### Functional Allocation of Expenses

The costs of providing the program and related activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

#### Federal Income Taxes

The Corporation is a nonprofit organization and is exempt from federal income taxes under section 501 (c)(3) of the Internal Revenue Code. By virtue of Ohio law, the Corporation is not subject to Ohio income taxes.

Accounting principles generally accepted in the United States require management to evaluate tax positions taken by the Corporation and recognize a tax liability (or asset) if the Corporation has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service (IRS). Management has analyzed the tax positions taken by the Corporation, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Corporation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Corporation's Federal Return of Organization Exempt from Income Tax (federal Form 990) for 2021, 2020, and 2019 are subject to examination by the IRS, generally for three years after they were filed.

### Note B – Commitments and Contingencies

#### Credit Risk from Cash Deposits in Excess of Insurance Limits

The Corporation maintains its cash balances in one financial institution. The balance in bank is insured by the Federal Deposit Insurance Corporation up to a maximum amount of \$250,000 per institution. Balances in excess of the \$250,000 level are considered a contingent risk under generally accepted accounting principles and may occur from time to time with the Corporation. The Corporation had not experienced any losses on such accounts and does not believe it is exposed to any significant risk with respect to such cash.

### Note C - Investments at Fair Value Measurements (State of Ohio DAS Ohio Center Project Trust Fund)

FASB ASC Topic 820 *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of value hierarchy under FASB ASC Topic 820 are described as follows:

# Youngstown Central Area Community Improvement Corporation

## Mahoning County

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

### Note C – Investments at Fair Value Measurements (State of Ohio DAS Ohio Center Project Trust Fund) (continued)

#### Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

#### Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are delivered principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

#### Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2022 and 2021.

Money market: Valued at closing prices reported on actively traded exchanges.

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

	2022		2021	
	Quotes Prices in Active markets for Identical Assets (Level 1) Fair Market Value	Cost	Quotes Prices in Active markets for Identical Assets (Level 1) Fair Market Value	Cost
U.S. Treasury Money Market	\$ 927,598	\$ 927,598	\$ 790,540	\$ 790,540

# Youngstown Central Area Community Improvement Corporation

## Mahoning County

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

### Note D – Line of Credit

The Corporation entered into a line of credit with a local bank on April 4, 2018. The line of credit is secured with a first lien and security interest in the Corporation's accounts, chattel paper, general intangibles, equipment, and documents acquired with the proceeds. No assets of the Corporation are pledged. The line of credit has a maximum principal of \$125,000 and bears interest at the Wall Street Journal prime rate or any successor publication applicable rate. The balance on the line of credit was \$0 as of June 30, 2022 and 2021.

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

### Note I- Liquidity and Availability of Resources

The Corporation's financial assets available within one year of the statement of financial position date for general expenditure are as follows as of June 30:

Financial assets, at year end:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 1,222,127	\$ 824,509
State of Ohio DAS Ohio Center Project Trust Fund	927,598	790,540
Accounts receivable	88,498	203,125
Note receivable	-	50,000
Subtotal Financial assets, at year end	<u>2,238,223</u>	<u>1,868,174</u>
Less those unavailable for general expenditure within one year due to:		
Note Receivable	-	(50,000)
Board designated Savings Account for capital improvements of the Volnovich Center	(637,443)	(636,090)
Board designated Trust Fund for construction and rental of the Volnovich Center	<u>(927,598)</u>	<u>(790,540)</u>
Financial assets available within one year to meet cash needs for general expenditures within one year	<u>\$ 673,182</u>	<u>\$ 391,544</u>

As part of the Corporation's liquidity management it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Cash and cash Equivalents are held in checking, business checking, and business money market accounts. Investments are held in trust accounts. Financial assets that are subject to restriction make them unavailable for general expenditure within one year of the statement of financial position date. As of June 30, 2022 and 2021, the Corporation did not have any financial assets subject to donor restriction.

### Note J - Subsequent Events

The Corporation has evaluated subsequent events through December 23, 2022, the date the financial statements were available to be issued.

### Note K – Prior Period Adjustment

Due to incorrect audit adjustments in the previous audit related to rental and building income recognition and program expenses, the July 1, 2021 net assets changed from \$2,804,418 to \$2,543,086.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Youngstown Central Area Community Improvement Corporation  
Mahoning County  
242 West Federal Street, Suite 304  
Youngstown, Ohio 44503

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Youngstown Central Area Community Improvement Corporation, Mahoning County, Ohio (the Corporation) as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements and have issued our report thereon dated December 23, 2022.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
