The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2023 and 2022 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library.

The Board of Trustees and the management of the Library have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2023 and 2022, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash

1. We recalculated the December 31, 2023 and December 31, 2022 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2022 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2021 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the Fund Ledger Report. We found no exceptions.

### **Cash – (Continued)**

3. We agreed the 2023 and 2022 bank reconciliation as of December 31, 2023 and 2022 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Library in the Hinkle System. The amounts agreed.
4. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2023 bank reconciliation without exception. We were unable to confirm the remaining bank balance of \$196.50 for the Library's Paypal account, as the Fiscal Officer stated that they no longer use the account and she cannot access it.

  - a. We were unable to trace the credit to the subsequent January, February or March bank statements. We found that the credit of \$6,752.45 from the State of Ohio was not properly deposited into the primary bank account. The amount is marked as voided on the State Distribution Listing.
  - b. We agreed the credit amounts to the Receipts Register and determined they were dated prior to December 31. We found no exceptions.

### **Property Taxes and Intergovernmental Cash Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, the State Distribution Transaction Lists (DTL) and the County Auditor's DTLs from 2023 and a total of 5 from 2022:
  - a. We compared the amount from the above named report(s) to the amount recorded in the UAN receipt register report. The amounts agreed except for one Rollback during 2023 for \$6,752.45. This amount was listed as voided on the State Distribution Transaction List, but the client entered it as receipt into UAN. This receipt is still outstanding at year end.
