## BASIC AUDIT REPORT

Antrim Township  
Wyandot County  
3527 County Road 59  
Nevada, Ohio 44849-9731

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of Antrim Township, Wyandot County, Ohio (the Township) for the years ended December 31, 2024 and 2023.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Township's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Township's financial statements, transactions or balances for the years ended December 31, 2024 and 2023.

The Township's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

### Current Year Observation

We noted the Township has an outstanding check in the amount of \$36 from 2005 carried on its monthly reconciliations. Long outstanding checks should periodically be investigated and either voided, re-issued or put in an unclaimed money fund. Failure to properly monitor reconciling items can result in fund balances being incorrectly stated. The Township should ensure procedures are put in place to review and timely correct long outstanding reconciling items.
