## BASIC AUDIT REPORT

Ridge Township  
Wyandot County  
16686 Township Highway 21  
Carey, Ohio 43316-9576

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of Ridge Township, Wyandot County, Ohio (the Township) for the years ended December 31, 2024 and 2023.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Township's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Township's financial statements, transactions or balances for the years ended December 31, 2024 and 2023.

The Township's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

### Current Year Observations

1. We noted the Fiscal Officer has not attended annual continuing education programs provided by the Auditor of State to fulfill the requirements of the Fiscal Integrity Act as outlined in **Ohio Rev. Code § 733.81**. This could result in improper education of the Fiscal Officer regarding the office's duties. Fiscal officers are required to self-report their hours; otherwise they will not receive credit for the training. Fiscal Officers can access and print their certificates via the Fiscal Integrity Act portal available at <https://ohioauditor.gov/fiscalintegrity/default.html> . The Fiscal Officer should attend the required amount of training to fulfill these requirements, maintain proof of completion of the training, and enter her hours into the Fiscal Integrity Act portal.
2. We noted none of the elected officials, or their appropriate designee, have attended three hours of public records training for each term of office as required by **Ohio Rev. Code § 109.43(B)** and **Ohio Rev. Code § 149.43(E)(1)**. The training received must be certified by the Ohio Attorney General. Proof of completion of training must include documentation either from the Attorney General's Office or from another entity certified by the Attorney General to provide the training to the elected official or his/her appropriate designee. Attendees who successfully complete the training will receive a certificate to serve as proof of training.

This could result in improper education of public offices regarding the offices' duties related to public records requests as well as improper withholding of information from stakeholders. The elected officials, or their appropriate designee(s), should during their term of office, attend public records training and maintain proof of completion of training.

3. We noted the Township does not have an adopted records retention schedule policy. It therefore cannot have a copy of said policy available to the public. **Ohio Rev. Code § 109.43(B)(2)** states, in part, a public office also “shall have available a copy of its current records retention schedule at a location readily available to the public.” Failure to have and follow records retention schedule could result in public records being disposed of prematurely. The Township should implement procedures to provide the appropriate policy is approved to help avoid issues with public records requests.

The Ohio History Connection provides suggested records retention scheduled to aide local governments in creating and adopting their own records retention schedule. Information regarding these model retention schedules is available at the following web address:
