800-282-0370

Board of Health  
Springdale City Health District  
11700 Springfield Pike  
Springdale, Ohio 45246

We have reviewed the *Independent Auditors' Report* of the Springdale City Health District, Hamilton County, prepared by Clark, Schaefer, Hackett & Co., for the audit period January 1, 2023 through December 31, 2023. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Springdale City Health District is responsible for compliance with these laws and regulations.

Keith Faber  
Auditor of State  
Columbus, Ohio

January 02, 2025

## **INDEPENDENT AUDITORS' REPORT**

To the Springdale City Health District:

### **Report on the Audit of the Financial Statements**

#### **Unmodified and Adverse Opinions**

We have audited the financial statements of the Springdale City Health District (the Board) which comprises the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2023, and the related notes to the financial statements.

#### **Unmodified Opinion on Regulatory Basis of Accounting**

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type as of and for the year ended December 31, 2023, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

#### **Adverse Opinion on U.S. Generally Accepted Accounting Principles**

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Board as of December 31, 2023, or the changes in financial position thereof for the year then ended.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Governmental Auditing Standards*). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Board, and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

As discussed in Note 2, the financial statements are prepared by the Board on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Board's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Board's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 20, 2024 on our consideration of the Board's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Board's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control over financial reporting and compliance.

*Clark, Schaefer, Hackett & Co.*

**SPRINGDALE CITY HEALTH DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**1. REPORTING ENTITY**

The constitution and laws of the State of Ohio establish the rights of the Springdale City Health District (the Board) as a body corporate and politic. Five members govern the Board with the Mayor of the City of Springdale serving as the Board President. The Mayor appoints all Board members. The Board is responsible for protecting and promoting the health and well-being of the people who live and work in the City of Springdale through effective health policy that promotes disease prevention and community health education.

The Board is part of the City of Springdale (City) through the Health department and is included as part of the City's general fund. The Health department also has grant activity recorded in the City's grants fund. All receipt and disbursement transactions of the Health department are processed through the same financial system as all other departments of the City. The Health department budget is under the control of City Administration. All significant actions of the Board are presented to City Council for approval. The Board is reported as a blended component unit of the City of Springdale.

The Board believes the financial statement presents all activities for which the Board is financially accountable.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation

The Board's financial statement consists of a statement of receipts, disbursements and changes in fund balances (regulatory cash basis).

Fund Accounting

The Board uses funds of the City to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Board are presented below:

General Fund - The general fund accounts for all financial activity not accounted for in the special revenue fund. The general fund balance is available to the Board for any purpose provided it is expended according to the general laws of Ohio and City Charter.

Special Revenue Fund – This fund accounts for grants obtained from outside agencies for other than capital purposes.

Basis of Accounting

The financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

The statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

**SPRINGDALE CITY HEALTH DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**Budgetary Process**

The Ohio Revised Code and City Charter requires that each fund be budgeted annually.

**Appropriations** - Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the department level in the general fund, and the fund level in the special revenue fund, and appropriations may not exceed estimated resources. City Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

**Estimated Resources** - Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. City Council must approve estimated resources.

**Encumbrances** - The Ohio Revised Code requires the Board to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over and need not be reappropriated.

A summary of 2023 budgetary activity appears in Note 3.

**Deposit and Investments**

The City holds the Board's deposits and investments as the Board's custodian.

**Capital Assets**

The City records disbursements for acquisitions when paid. The accompanying financial statement does not report these items as assets.

**Accumulated Leave**

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statement does not include a liability for unpaid leave.

**Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Board must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**Nonspendable** - The Board classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Restricted** - Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**Committed** - Board members can *commit* amounts via formal action. The Board must adhere to these commitments unless the Board amends the formal action. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**SPRINGDALE CITY HEALTH DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2023**

---

Assigned - Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by the Board or a Board official delegated that authority by formal action, or by State Statute.

Unassigned - Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Board applies restricted resources first when disbursements are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when disbursements are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

### 3. BUDGETARY ACTIVITY

Budgetary activity for the year ending 2023 is as follows:

**2023 Budgeted –vs- Actual Receipts**

Fund	Budgeted Receipts	Actual Receipts	Variance
General Fund	\$88,645	\$122,733	\$34,088
Special Revenue - Grants Fund	185,394	219,964	34,570

**2023 Budgeted –vs- Actual Budgetary Basis Expenditures**

Fund	Appropriations	Budgetary Expenditures	Variance
General Fund	\$593,405	\$583,252	\$10,153
Special Revenues - Grants Fund	225,386	206,309	\$19,077

### 4. RISK MANAGEMENT

The Board has obtained commercial insurance (through being a department of the City) through the Miami Valley Risk Management Association (MVRMA), a property and casualty pooling arrangement. MVRMA's deductible is \$2,500 per community per occurrence. MVRMA retains responsibility for the payment of claims within specified self-insured retention limits prior to the application of coverage provided by excess reinsurance contracts. MVRMA's per-occurrence retention limit for property was \$250,000 with the exception of boiler and machinery for which there was a \$25,000 to \$500,000 per-occurrence retention limit. General liability had a per-occurrence retention limit of \$12,000,000. Settled claims have not exceeded commercial coverage in any of the past three years. There have been no significant reductions in insurance coverage from the prior year. The insurance covered includes:

**SPRINGDALE CITY HEALTH DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2023**

---

- \* Property and general liability
- \* Vehicles
- \* Boiler and machinery
- \* Cyber coverage
- \* Crime coverage
- \* Pollution liability

#### 5. DEFINED BENEFIT PENSION PLANS

##### Ohio Public Employees Retirement System

The Board's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% in 2023, of their gross salaries and the City contributed an amount equaling 14% of participants' gross salaries. The City has paid all contributions required through December 31, 2023.

#### 6. POSTEMPLOYMENT BENEFITS

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan, which includes multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients of both the traditional pension and the combined plans. The portion of employer contributions allocated to health care for members in the traditional pension plan was 0 percent during 2023.

#### 7. CONTINGENT LIABILITIES

Amounts grantor agencies pay to the Board as grants are subject to audit and adjustment by the grantor. The grantor may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*****INDEPENDENT AUDITORS' REPORT**

To the Springdale City Health District:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Springdale City Health District (the Board) as of and for the year ended December 31, 2023, and the related notes to the financial statements and have issued our report thereon dated November 20, 2024, wherein we noted the Board followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Board's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, we do not express an opinion on the effectiveness of the Board's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Board's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Board's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
