INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Waterford Township
Washington County
PO Box 146
Waterford, Ohio 45786

We have performed the procedures enumerated below on Waterford Township's, Washington County, Ohio (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2022 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Cash Summary by Fund Report to the December 31, 2023 balances in the Cash Summary by Fund Report. We found no exceptions.

Cash (Continued)

3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed for the December 31, 2023 reconciliation. On December 31, 2024 reconciliation, the amount on the Fund Status Report and the amount per the Hinkle System report exceeded the adjusted balance per the reconciliation by \$2,712 due to five payments which cleared the bank in December 2024 but were not recorded in the accounting system (UAN) until January 2025.
4. We confirmed the December 31, 2024 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. Check 27680 for \$113 cleared the January bank statement. We found check 19638 for \$25, check 21493 for \$25, check 20101 for \$150, and check 25842 for \$50 did not clear the bank as of January 2025.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected the Cash Summary by Fund Report to determine whether the Findings For Adjustment identified in the prior agreed-upon procedures report due from the Road and Bridge Fund and General Fund payable to the American Rescue Plan Fund, Ambulance Fund, Special Fire Fund, Special Fire and Ambulance Fund, and Special Fire and Ambulance Levy Fund, was properly posted to the ledgers and reflected in the fund balances in Procedure 2. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Washington County Expense Audit Trail report for 2024 and a total of 5 from 2023:
 - a. We compared the amount from the above-named reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
 - b. We inspected the Receipt Detail Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found one receipt in 2024 and one receipt in 2023 totaling \$15,799 and \$308, respectively, which were posted entirely to the General Fund but should have been allocated to the General Fund, Ambulance Fund, Special Fire Fund, Special Fire and Ambulance Fund, Special Fire and Ambulance Levy Fund, and Road and Bridge Fund. As such, an adjustment was needed to reduce the General Fund balance by \$11,052, increase the Ambulance Fund by \$1,139, increase the Special Fire Fund by \$488, increase the Special Fire and Ambulance Fund by \$686, increase the Special Fire and Ambulance Levy Fund by \$667, and increase the Road and Bridge Fund by \$8,072. We therefore requested management to adjust these amounts in the accounting system. The Township provided documentation the Fiscal Officer adjusted these amounts on December 2, 2025.
 - c. We inspected the Receipt Detail Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts (Continued)

2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

Emergency Medical Service Receipts

We confirmed the amounts paid from the Medical Claims Assistance (MCA), the service organization that performs the emergency medical billings to the District during 2024 and 2023, with MCA. We found the amount posted to the Ambulance Fund Charges for Services exceeded the amount confirmed by MCA by \$34,926 and \$14,899 for 2024 and 2023, respectively, due to timing differences.

- a. We inspected the Receipt Register Report to determine whether these receipts were allocated to the proper funds. We found no exceptions.
- b. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2022.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. There were no new debt issuances, nor any debt payment activity during 2024 or 2023.

Payroll Cash Disbursements

1. We selected 1 payroll check for 5 employees from 2024 and 1 payroll check for 5 employees from 2023 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and/or minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We selected 3 new employees and Board of Trustees from 2024 and both employees and Board of Trustees from 2023 and:
 - a. We requested of the Fiscal Officer the employees' personnel files for the Retirement system, Federal, State & Local income tax withholding authorization. The Fiscal Officer could not provide the required authorizations.
 - b. As such, we could not agree the items in a above to the Employee General Information Report.
3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

Payroll Cash Disbursements (Continued)

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	01/31/2025	01/14/2025	\$3,025	\$3,025
State income taxes	01/15/2025	01/14/2025	589	589
Local income tax	01/30/2025	01/24/2025	187	187
OPERS retirement	01/30/2025	01/14/2025	7,270	7,270

We found no exceptions.

4. For the pay periods ended February 29, 2024 and April 30, 2023, we:
 - a. Recomputed the allocation of the Boards of Trustees' salary and employer share withholding to the General Fund and Road and Bridge Fund per the Wage Detail Report.
 - b. Traced the Board of Trustees' pay for time or services performed to supporting certifications the Revised Code requires.

We found no exceptions.

5. We compared total gross pay for the Fiscal Officer and each Trustee for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts. We found that underpayments identified in the agreed-upon procedures report for the period ended December 31, 2022 and 2021 were repaid in 2024. In addition, we found the Fiscal Officer was undercompensated by \$870, two Trustees were undercompensated by \$1,232, and one Trustee was undercompensated by \$506 in 2023.

Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General Fund, Gasoline Tax Fund, and Special fire and Ambulance Fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period. The Township did not have any denied public records requests during the engagement period. The Township did not have any public records requests with redactions during the engagement period.
3. We inquired with Township management and determined that the Township did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2).
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was not displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2).
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.

We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

Sunshine Law Compliance (Continued)

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting
 - b. Filed – placed with similar documents in an organized manner
 - c. Maintained - retained, at a minimum, for the engagement period
 - d. Open to public inspection – available for public viewing or request.

We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
 - a. Executive sessions were only held at regular or special meetings.
 - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - c. Formal governing board actions were adopted in open meetings.

We found no exceptions.

Contract Compliance:

1. We inspected the Appropriation Ledger and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected 1 contract subject to competitive bidding requirements for 2024 and 1 for 2023 and
 - a. We inspected the contract and other bids for the contracted expenditure and determined:
 - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code §5575.01.
 - ii. No bid splitting occurred
 - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
 - iv. No apparent interest in the contract by a public official occurred.

We found no exceptions.

Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the Fiscal Officer obtained the training required by Ohio Rev. Code § 507.12. The Fiscal Officer did not obtain the required hours of training.

Related Party Transactions

1. We inquired with management in order to identify any related party transactions and confirm if the required elected officials abstained from voting. We identified the Township contracts with Ron McCutcheon for mowing services. We found no exceptions.
2. We confirmed the transactions via bank statements. We found no exceptions.

Related Party Transactions (Continued)

3. We obtained supporting evidence for the Related Party Transactions identified in procedure 1. We found no exceptions.
