Local Government Services (LGS) is an integral component of the Auditor of State's office, offering consulting and fiscal advisory services to Ohio's local government agencies, school districts and political subdivisions. We are recognized nationally for our leadership in preparing GAAP basis annual financial reports.

What We Provide:

- Quality Services at Affordable Costs
- Reconstruction of financial records
- Reconciliation of books
- Fiscal distress assistance
- Financial forecast assistance
- Development of policies and procedures
- Evaluation of internal controls
- Annual reports, GAAP conversion and financial statements
- Web-GAAP software to convert year-end cash-basis information into a GAAP conforming-financial report
- Dissolutions and merger assistance
- Manuals, policy bulletins and publications

Training Opportunities:

- LGS provides educational opportunities to keep Ohio's local government officials up-to-date on Ohio laws and fiscal regulations.
- Examples of trainings offered are the Local Government Officials Conference and the mandatory Village Fiscal Officers trainings conducted through regional sessions throughout Ohio.
- Contact LGS to arrange a training program tailored specifically to your entity's needs. **(To find upcoming trainings, visit www.ohioauditor.gov.)**
