SECTION I

COUNTY TREASURER

County Treasurer's Manual

INTRODUCTION

The purpose of this manual is to address the powers and duties relevant to the position of county treasurer. This introduction provides a brief overview. The topics presented will be expanded further in the manual.

In county finance, responsibility for the financial decision making is divided between the auditor and the treasurer. The auditor is the chief accountant, responsible for executing transactions and maintaining financial and budgetary records. Other duties include real estate appraisal, calculation and preparation of the tax duplicate, and assessing taxes. The treasurer is the cash manager, functioning in a manner similar to a banker. This separation of power provides a system of checks and balances and streamlines operations. Good communication is essential between the two offices in order to properly process the workload.

As cash manager, the treasurer collects all cash received by the county. These receipts can be collected directly or indirectly received through the auditor. The treasurer's office makes all deposits. All county expenditures are made by warrant of the county auditor to the treasurer. The treasurer redeems warrants when presented by the bank. All transactions processed are posted by fund to the treasurer's records. Bank activity of the treasury is balanced with the depository on a daily basis. The treasurer provides evidence of this reconciliation to the auditor on a daily basis (form 6) to ascertain that both offices' records are in agreement.

The treasurer is the chief investment officer of the county. Through communication with the auditor, the treasurer should match investment timing with cash flow needs. The goal of investing public money is to protect the public money while trying to maximize returns using eligible investments purchased in compliance with the law.

A primary duty of the county treasurer is the role of tax collector. A tax bill is prepared based on information contained on the duplicate. The collection of real estate and manufactured homes (trailer) tax takes place in December and June. Settlement occurs in February and August. The treasurer also collects personal property tax, based on information provided on personal property tax returns. The collection takes place in April and September with settlement taking place in June and October. The treasurer keeps a detailed record of the collection status of each real estate parcel. Information regarding daily and cumulative year-to-date tax collections by taxing district is compiled using form 7.

Taxpayers not paying their tax bills within the allowable time incur interest and penalties. Taxpayers still owing tax after the date of settlement have their names placed on the delinquent tax list. The list, certified by the treasurer to the auditor, is published in newspapers having general circulation in the county. Payment of delinquent tax is coordinated through the treasurer's office. There are various payment plans available to taxpayers having financial difficulty. In some counties, at the option of the treasurer, a pre-payment plan may be established. This budget plan is especially useful for taxpayers on a fixed income. In cases where taxes owed are not collected through conventional means, the treasurer works with the county prosecutor in foreclosures and other collection proceedings.

Miscellaneous duties performed by the county treasurer include maintaining the bonds of several county officials and sitting on various boards. These boards are the County Budget Commission, the County Board of Revision, the Investment Advisory Board, the Microfilming Board and the Automatic Data Processing Board.

DEPUTIES Ohio Rev. Code § 321.04

Each county treasurer may appoint one or more deputies, and he shall be liable and accountable for their proceedings and misconduct in office.

ATTORNEY GENERAL'S OPINIONS

Op. Att'y Gen. No. 2004-019 states that a person may serve as a member of a board of elections and chief deputy treasurer or administrative assistant for the county treasurer, provided that as chief deputy treasurer or administrative assistant he does not serve on the county budget commission, or account for and disburse the moneys in the county treasury that have been appropriated to the board of elections.

The positions of member of a board of elections and chief deputy treasurer or administrative assistant for the county treasurer are incompatible when the treasurer is a candidate for an office to be filled at that election. (1964 Op. Att'y Gen. No. 897, p. 2-97, questioned.)

Op. Att'y Gen. No. 2006-034 states that a person may not hold within the same county the positions of member of a city legislative authority and chief deputy treasurer or deputy treasurer for the county treasurer when the chief deputy treasurer or deputy treasurer may serve in place of the county treasurer on the county budget commission or a hearing board of the county board of revision.

TRANSFER OF PROPERTY TO SUCCESSOR Ohio Rev. Code §321.06

At the expiration of his term of office or on his resignation or removal from office, the county treasurer shall deliver to his successor all moneys, books, papers, and other property in his possession as treasurer. In case of the death or incapacity of the treasurer, they shall be delivered over by his legal representatives.

CONTRACT WITH FINANCIAL INSTITUTION TO RECEIVE AND PROCESS PAYMENTS AND FEES Ohio Rev. Code §321.03

At the request of the county treasurer, a board of county commissioners may enter into a contract with any financial institution under which the financial institution, in accordance with the terms of the contract, receives at a post office box any type of payment or fee owed or payable to the county, opens the mail delivered to that box, processes the checks and other payments received in such mail and deposits them into the treasurer's account, and provides the county treasurer daily receipt information with respect to such payments. The contract shall not be entered into unless:

- (A) There is attached to the contract a certification by the Auditor of State that the financial institution and the treasurer have given assurances satisfactory to the auditor of state that the records of the financial institution, to the extent that they relate to payments covered by the contract, shall be subject to examination by the Auditor of State to the same extent as if the services that the financial institution has agreed to perform were being performed by the treasurer.
- (B) The contract is awarded in accordance with the Ohio Rev. Code §307.86 to 307.92.
- (C) The treasurer's surety bond includes within its coverage any loss that might occur as the result of the contract.
- (D) The provisions of the contract do not conflict with the accounting and reporting requirements prescribed by the Auditor of State.

CONTENTS OF ACCOUNTS Ohio Rev. Code §321.07

The county treasurer shall keep an accurate account of all moneys received by him, showing the amount, the time, from what source received, and all disbursements made by him, showing the amount, the time, and for what purpose paid. He shall so arrange his accounts that the amount received and paid on account of each separate and distinct fund shall be exhibited in a separate and distinct account.

DAILY STATEMENT TO COUNTY AUDITOR - FORM #6 Ohio Rev. Code §321.09

Each business day, the county treasurer shall make a statement to the county auditor for the preceding day, showing the amount of taxes received and credited to the various undivided tax funds, the amount received on auditor's draft, the amount received from all other sources, the total amount deposited in the depository, the total amount paid by check on the depository, the total amount paid out in cash, the balance in the depository, and the balance in the county treasury.

Inheritance Tax	Dog Tax
Classified Tax	Estate Tax
General Tax	

REDEMPTION OF COUNTY WARRANTS Ohio Rev. Code §321.16

When a warrant drawn on the county treasurer by the county auditor is presented for payment, if there is money in the county treasury or depository to the credit of the fund on which it is drawn, and the warrant is enclosed by the payee thereof, the treasurer shall redeem it by payment of cash or by check on the depository. The warrant, and all information related to the presentment of the warrant, may be provided electronically to the county treasurer.

DEPOSIT OF WARRANTS WITH THE AUDITOR Ohio Rev. Code §321.20

On the first day of each month in each year, the county treasurer shall deposit with the county auditor all warrants he has redeemed and take the auditor's receipt for them.

FEES, COSTS, AND PERCENTAGES SHALL BE FOR USE OF COUNTY Ohio Rev. Code §325.27

All the fees, costs, percentages, penalties, allowances, and other perquisites collected or received by law as compensation for services by a county auditor, county treasurer, probate judge, sheriff, clerk of the court of common pleas, county engineer, or county recorder, shall be received and collected for the sole use of the treasury of the county in which such officers are elected, and shall be held, accounted for, and paid over as public moneys belonging to such county in the manner provided by the Ohio Rev. Code §325.30 and 325.31.

HIRING EMPLOYEES; MANNER OF PAYING COMPENSATION BOND Ohio Rev. Code §325.17

Code §325.27 may appoint and employ the necessary deputies, assistants, clerks, bookkeepers, or other employees for their respective offices, fix the compensation of such employees and discharge them, and shall file certificates of such action with the county auditor. Such compensation shall not exceed, in the aggregate, for each office, the amount fixed by the board of county commissioners for such office. When so fixed the compensation of each such deputy, assistant, bookkeeper, clerk, and other employee shall be paid biweekly from the county treasury, upon the warrant of the auditor. The amount of biweekly payment shall be adjusted so that the total amount paid out to an employee over a period of one year is equal to what he would receive if he were paid semi-monthly. Each of such officers may require such of his employees as he deems proper to give bond to the state, in an amount to be fixed by such officer, with sureties approved by him, conditioned for the faithful

performance of their official duties. Such bond, with the approval of such officer endorsed thereon, shall be deposited with the county treasurer and kept in his office.

From moneys appropriated for their offices, the officers mentioned in the Ohio Rev. Code §325.27 may contract for the services of fiscal and management consultants to aid them in the execution of their powers and duties.

ADDITIONAL ANNUAL SALARY INCREASES FOR CERTAIN OFFICERS; POPULATION RANGES Ohio Rev. Code §325.18

- (A) As used in this section, "Consumer Price Index" means the consumer price index prepared by the United States Bureau of Labor Statistics (U.S. City Average for Urban Wage Earners and Clerical Workers: All Items, 1892-1984=100) or, if that index is no longer published, a generally available comparable index.
- (B) (1) In calendar year 2003, the annual compensation amounts for county auditors under division (D) of section 325.03 of the revised code shall be increased by first increasing the amounts by the percentage under division (B)(1)(a) of this section then further increasing them by the percentage under division (B)(1)(b) of this section. Such percentages are:
- (a) The lesser of three per cent or the percentage increase, if any, in the consumer price index from October 1, 2000, to September 30, 2001, rounded to the nearest one-tenth of one per cent;
 - (b) The lesser of three per cent or the percentage increase, if any, in the consumer price index from October 1, 2001, to September 30, 2002, rounded to the nearest one-tenth of one per cent.
- (2) Each calendar year from 2004 through 2008, the annual compensation of each county auditor shall be increased by the lesser of the following:
- (a) three per cent;
 - (b) the percentage increase, if any, in the consumer price index over the twelve-month period that ends on the thirtieth day of September of the immediately preceding calendar year, rounded to the nearest one-tenth of one per cent.
- (C) Each calendar year from 2002 through 2008, the annual compensation of each county treasurer, sheriff, clerk of the court of common pleas, county recorder, county commissioner, prosecuting attorney, county engineer, and coroner shall be increased by the lesser of the following:
- (1) three per cent;
 - (2) the percentage increase, if any, in the consumer price index over the twelve-month period that ends on the thirtieth day of September of the immediately preceding calendar year, rounded to the nearest one-tenth of one percent.

County Treasurer's Manual

ADDITIONAL ANNUAL SALARY INCREASES FOR CERTAIN OFFICERS; POPULATION RANGES Ohio Rev. Code §325.18 (continued)

- (D) Notwithstanding this section and Ohio Rev. Code sections §325.06, 325.11, 325.14, and 325.15, when computing a salary for any elected county officer under any of those sections, if the population range for the class under which the officer is to be compensated is not the same as the population range for that class for any other such elected county office, the class at which the officer's salary is determined shall be the highest class at which any officer from that same county is compensated under the population range applicable to that officer.

ATTORNEY GENERAL'S OPINIONS

Opinion No. 2003-014 addresses which population figures should be used in arriving at elected officials salaries:

- 1) The most recent federal decennial census must be used to establish a county's population for purposes of determining the annual compensation of the elected officers of that county under the classification and compensation schedules set forth in Ohio Revised Code Chapter 325.
- 2) The results of a federal decennial census are effective as of the date on which the Governor receives the completed tabulations of population from the U.S. Secretary of Commerce. The results of the most recent federal decennial census, the 2000 census, were received by the Governor, and thus became effective, on March 16, 2001.

Opinion No. 2003-027 allows an elected county official or a member of a board of elections to voluntarily waive a portion of the compensation that he is statutorily entitled to receive. When such a waiver is executed and the county auditor is presented with a proper order or voucher for the payment of less compensation than is prescribed by statute, the auditor is required pursuant to Ohio Rev. Code §319.16 to issue a warrant on the county treasury for the amount of compensation set forth in the order or voucher.

Opinion No. 2005-046 concerns in-term compensation changes in that:

- 1) if, at the commencement of a county officer's term, the board of county commissioners made health insurance available to that officer under either of two policies at a fixed dollar amount per month to the officer, with the county paying the balance of such cost, and if the county commissioners make a direct legislative change to the health insurance options available to county personnel under Ohio Rev. Code §305.171 during the officer's term, which results in the county's offering health insurance policies with less coverage, higher deductibles, and higher premiums than were available to the officer at the commencement of the officer's term, the county's continuing to provide coverage to the officer under one of the previously offered policies, at the same cost to the officer, does not violate the prohibition in Ohio Constitution Art. II, §20 against in-term changes in the officer's compensation, even if the number of county dollars expended for such insurance coverage increases during the officer's term.

County Treasurer's Manual

ATTORNEY GENERAL'S OPINIONS (continued)

- 2) If, at the commencement of a county officer's term, the board of county commissioners made available to the officer a choice between two health insurance policies at the same cost to the officer, a county officer's midterm change to coverage under the other policy would not be a prohibited in-term change in compensation, because coverage under either health insurance policy was an option available to the officer at the commencement of the officer's term.

- 3) If, at the commencement of a county officer's term, the board of county commissioners defined its officers' health care benefits as being those benefits the board may choose from time to time for county personnel under Ohio Rev. Code §305.171, a mid-term change by the board in the county's health care benefits under that statute is direct legislative action by the board and may not be applied to a county officer during the term the officer is serving when the county commissioners make such change.

THE BUDGET COMMISSION Ohio Rev. Code §5705.27

The pertinent parts of this section read as follows:

There is hereby created in each county a county budget commission consisting of the county auditor, the county treasurer and the prosecuting attorney. Upon petition filed with the Board of Election, signed by the number of electors of the county equal in amount to three percent of the total number of votes cast for Governor at the most recent election therefore, there shall be submitted to the electors of the county at the next general election occurring not sooner than ninety days after the filing of the petition, the question "Shall the county budget commission consist of two additional members to be elected from the county?" Provision shall be made on the ballot for the election from the county at large of two additional members of the county budget commission who shall be electors of the county if a majority of the electors voting on the question shall have voted in the affirmative. In such counties, where the electors have voted in the affirmative, the county budget commission shall consist of such two elected members in addition to the county auditor, the county treasurer and the prosecuting attorney. Such members, who shall not hold any other public office, shall serve for a term of four years. The commission shall meet at the office of the county auditor in each county on the first Monday in February and on the first Monday in August and shall complete its work on or before the first day of September, annually, unless for good cause the tax commissioner extends the time for completing the work. A majority of members shall constitute a quorum, provided that no action of the commission shall be valid unless agreed to by a majority of the members of the commission. The auditor shall be the secretary of the commission and shall keep a full and accurate record of all proceedings. The auditor shall appoint such messengers and clerks as the commission deems necessary, and the budget commissioners shall be allowed their actual and necessary expenses. The elected members of the commission shall also receive twenty dollars for each day in attendance at commission meetings and in discharge of official duties. Any vacancy among such elected members shall be filled by the presiding judge of the court of common pleas. In adjusting the rates of taxation and fixing the amount of taxes to be levied each year, the commissioners shall be governed by the amount of the taxable property shown on the auditor's tax list for the current year; provided that if the auditor's tax list has not been completed, the auditor shall estimate, as nearly as practicable, the amount of taxable property for such year, and such officers shall be governed by such estimate.

JOINT BUDGET COMMISSION: ADJUSTMENT OF TAX RATE Ohio Rev. Code §5705.48

Whenever a taxing district is located in two or more counties, the budget commission of the counties in which such district is located shall meet in joint session at the call of the chairman of the commission of the county in which the greatest value of taxable property of such taxing district is located, and adjust the rates of taxation for the purpose of such district so as to enforce the limitations on the tax rate prescribed by law and to produce uniform rates throughout the district. The levies for such taxing district purposes shall not be reduced by such joint budget commission below what would be required to enforce such limitation in the part of such district in which the least reduction of such levies is necessary to enforce such limitation, and such levies so fixed shall be applied uniformly throughout such district.

MANDATED OR MINIMUM GUARANTEED RATE Ohio Rev. Code §5705.31

Following the vote of the electors reducing the limitation in Ohio Constitution Article XII, Section 2, from one and one half percent (15 mills) to one percent (10 mills) the legislature enacted a statute providing that each of the subdivisions which were in existence during the last five years of the 15 mill limitation (Tax years 1929 to 1933) should receive two-thirds of the amount they had levied for operation and debt service within the 15 mill limitation.

The pertinent provisions of Paragraph D, of the Ohio Rev. Code §5705.31 reads:

"A minimum levy within the ten-mill limitation for the current expense and debt service of each subdivision or taxing unit, which shall equal two-thirds of the average levy for current expenses and debt service allotted within the fifteen-mill limitation to such subdivision or taxing unit during the last five years the fifteen-mill limitation was in effect unless such subdivision or taxing unit requests an amount requiring a lower rate."

ATTORNEY GENERAL'S OPINIONS

Attorney General Opinion 2005-043 addresses information concerning township land annexation and millage, in that:

- 1) When territory annexed to a municipality remains part of a township, the territory should be included on the abstract of real property and on the tax list and duplicate in the manner in which other property is included, with information reflecting that the property is located in both the township and the municipality, as well as in other appropriate taxing units, in accordance with Ohio Rev. Code §319.28, §5715.16, §5715.23, and other relevant provisions. The determination of the tax reduction factor is made by the Tax Commissioner, in accordance with Ohio Rev. Code §319.301, 16 Ohio Admin. Code 5703-25-48, and other relevant provisions.
- 2) If township territory has been annexed into a municipal corporation and township boundaries have not been conformed to those of the municipality, millage within the 10-mill limitation must be allocated in accordance with the provisions of Ohio Rev. Code §5705.31, §5705.315, other relevant statutes, and any applicable annexation agreements that may exist.

County Treasurer's Manual

ATTORNEY GENERAL'S OPINIONS (continued)

- 3) Millage within the 10-mill limitation is allocated on an annual basis in accordance with Ohio Rev. Code §5705.31(D), and the county budget commission (or corresponding entity in a charter county such as Summit County) is empowered to determine each year how to allocate any inside millage that is not required by law to be allocated to a particular taxing unit.
- 4) If the boundaries of annexed township territory are not conformed to those of the municipality before the county auditor submits the abstract of real property to the Tax Commissioner but are so conformed before the end of the year, the property in that territory is subject to a tax levied by the township only if the territory is part of the township when the township certifies the tax to the county auditor pursuant to Ohio Rev. Code §5705.34 for inclusion on the tax list and duplicate pursuant to Ohio Rev. Code §319.28. (1995 Op. Att'y Gen. No. 95-010, approved and followed.)
- 5) If township territory has been annexed into a municipal corporation and township boundaries have not been conformed to those of the municipality, but taxes are calculated and levied as if the boundaries had been conformed, the actions of public officials taken to calculate and levy the taxes are presumed to be valid and of legal effect, and may be modified or corrected only in accordance with provisions of statute or through proper administrative or judicial procedures.
- 6) If the boundaries of annexed township territory are not conformed to those of the municipality at the time of an election, residents of the overlapping territory may vote on both township and municipal issues. Tax levies that are approved by township voters are levied throughout the township according to the township boundaries in existence when the township certifies the tax to the county auditor pursuant to Ohio Rev. Code §5705.34 for inclusion on the tax list and duplicate pursuant to Ohio Rev. Code §319.28, unless a specific statute provides to the contrary.

Attorney General Opinion 2006-006 states that, pursuant to Ohio Rev. Code §5705.31 and Ohio Rev. Code §5705.341, a county budget commission may not disapprove or modify a tax levy in excess of the ten-mill limitation for the general operation of a city board of health even though the board of health has been abolished, provided that the tax levy was properly authorized, approved by the electors of the city, and the amounts to be levied are clearly required by the city's budget or other information submitted by the city.

TAX RATES - INSIDE RATES

This term is applied to tax rates levied without a vote and within the one percent or ten mill limitation imposed by Article XII, Section 2 of the Constitution of Ohio and by the Ohio Rev. Code §5705.02.

OHIO CONSTITUTION ARTICLE XII - TAXATION BY UNIFORM RULE

The pertinent part of Section 2 reads as follows:

"No property, taxed according to value, shall be so taxed in excess of one percent of its true value in money for all state and local purposes, but laws may be passed authorizing additional taxes to be levied outside of such limitation, either when approved by at least a majority of the electors of the taxing district voting on such proposition, or when provided for by the charter of a municipal corporation."

TEN-MILL LIMITATION Ohio Rev. Code §5705.02

The aggregate amount of taxes that may be levied on any taxable property in any subdivision or other taxing unit shall not in any one year exceed ten mills on each dollar of tax valuation of such subdivision or other taxing unit, except for taxes specifically authorized to be levied in excess thereof. VOTE NECESSARY FOR LEVIES Ohio Rev. Code §5705.26

Except as otherwise provided by the Ohio Rev. Code §5705.191, if the majority of the electors voting on a levy authorized by the Ohio Rev. Code §5705.19 to 5705.25, vote in favor of such levy at such election, the taxing authority of the subdivision may levy a tax within such subdivision at the additional rate in excess of the ten-mill limitation during the period and for the purpose stated in the resolution, or at any less rate, or for any of said years or purposes; provided that levies for payment of debt charges shall not exceed the amount necessary for such charges on the indebtedness mentioned in the resolution. If such levy is for the payment of charges on debts incurred prior to January 1, 1935, in excess of the ten-mill limitation but within the fifteen-mill limitation, the taxing authority of said subdivision shall levy in excess of the ten-mill limitation such tax if a majority of the electors voting on the levy vote in favor thereof.

AUDITOR SHALL DISPOSE OF FRACTIONAL MILLS Ohio Rev. Code §319.33

The county auditor need not assess on the taxable property of the county, or of any township, municipal corporation, or school district in such county, for any purpose, any rate of taxation containing or resulting in any fraction other than a decimal fraction or in any decimal fraction less than one-tenth of a mill, but if the sum required to be raised for any purpose results in a fraction less than one-twentieth of a mill, such fraction shall be dropped, and if more than one-twentieth and less than one-tenth, the difference between such fraction and one-tenth of a mill shall be added to the fraction.

The commission shall consider any amount in a reserve balance account that it determines to be unreasonable as unencumbered and as revenue for the purposes of Ohio Rev. Evidentiary matter includes original invoices, receipts, bills and checks, and legible copies of contracts.

If, after having delivered a duplicate to the county treasurer for collection, the county auditor is satisfied that any tax, assessment, recoupment charge, or any part thereof has been erroneously charged, as a result of a clerical error as described in the Ohio Rev. Code §319.35, the county auditor shall give the person so charged a certificate to that effect to be presented to the treasurer, who shall deduct the amount from such tax, assessment, or charge. If, at any time, the auditor discovers that erroneous taxes, assessments, or charges have been charged or collected in previous years, as a result of a clerical error, except for public utility taxes covered under the Ohio Rev. Code §5727.471, the auditor shall call the attention of the county board of revision of such charge or collection at a regular or special session of the board. If the board finds that taxes, assessments, or charges have been erroneously charged or collected as a result of a clerical error, it shall certify that finding to the county auditor. Code §5711.32, the auditor shall do one of the following:

- (1) Draw a warrant on the treasurer in favor of the person paying the erroneous charges, or the personal representative of the person paying the erroneous charges, for the full amount of the taxes, assessments so charged and collected with any applicable interest thereon as prescribed division (E) of this section or by the Ohio Rev.  - (4) Enter into a written undertaking with the person providing for refund of the overpayment in installments. The terms of such an undertaking shall include the amount payable and the due dates of each installment, including the due dates of the final payment, which shall not later than two years after the due date of the first installment. Notwithstanding the Ohio Rev. Code §5719.041 [571.4.1] no interest shall accrue overpayment allowed under that section beyond the day on which the undertaking is entered into.
- (C) The auditor shall have discretion as to which method to use and shall advise the person of the decision within sixty days after receipt of the board's or tax commissioner's certification. The auditor shall draw a warrant for payment of any refund under division (B)(1) or (2) of this section within ninety days after receipt of the certification. Any amount to be credited under division (B)(2) or (3) of this section shall be applied to all or a part of the taxes otherwise due from the person on any property tax due dates after the more than the next ten ensuing due dates. If any portion of the overpayment has not been refunded or credited by the tenth such tax due date or by a time when the auditor determines that the person and the property of the person are not shown on any tax list for the county, the auditor immediately shall draw a warrant to refund that portion.
- Interest allowed under division (E) of this section or by the Ohio Rev. Code §5719.041 [5719.04.1] shall continue to accrue on portions of overpayments credited against future taxes until the last day of the month preceding the day the portion of the overpayment is credited, and shall be computed separately on each portion credited. In computing the interest on a portion of any overpayment credited against current taxes due, the portion shall be considered to have been credited on the last day on which those taxes may be paid without penalty.
- (D) The treasurer shall pay a refund warrant from the undivided general property tax fund and such refund or any prorated refund credit, including interest paid thereon, shall be properly apportioned by the auditor among the subdivision accounts to which the overpayment originally was paid. When the auditor finds that there are insufficient funds present in the undivided tax fund to the credit of any subdivision account for the full repayment of a refund, the auditor may draw a warrant in an amount not exceeding the amount present and the balance, with accrued interest, shall be paid as funds become available. In no instance shall taxes that are to be apportioned to any one subdivision

Code §5711.32, no taxes or assessments shall be refunded unless they have been erroneously charged or collected in the five years next preceding the discovery of such charge or collection by the auditor.

- (E) In the event of an erroneous tax, assessment, or charge against real property, the county auditor shall add the accrued interest to the overpayment, which interest becomes part of the overpayment. The interest accrues on the overpayment from the first day of the month following the date of overpayment until the last day of the month preceding the date of the drawing of the warrant pursuant to division (A) of this section. The interest shall be paid on a prorated basis from the fund or funds to which the overpayment was credited.
- (F) The payment of interest under division (E) of this section shall not be made on an overpayment resulting from a reduction in the appraised true value, other than such a reduction resulting from the correction of a clerical error.

POWER TO TAX AND UNIFORM RULE OF TAXATION

County Treasurer's Manual

POWER TO TAX AND UNIFORM RULE OF TAXATION

CONCEPT AND BACKGROUND

The right and power to tax property is a fundamental attribute of sovereignty. Such right is an essential prerogative of government. Mays v. Cincinnati, 1 Ohio St. 268 (1853).

In Ohio this right and power is given to the legislative branch of the government by Article 11, Section 1, of the Constitution, which provides that the legislative power of the state is vested in the General Assembly.

The exercise of the power of imposing and collecting taxes is legislative, and yet this power is not expressly conferred by our constitution upon the general assembly. It is, however, necessarily included in the legislative authority conferred upon the general assembly by constitution, Article 2, Section 1. Except for other express and implied provisions in the constitution, the power of taxation would be vested in the legislature alone, and without interference on the part of other governmental agencies. State v. Akron Metro Park Dist. 120 Ohio St. 464, 481, (1929).

VALUATION

Valuation is the measuring stick used to fix and determine the share, proportion or percentage of each taxpayer to the total needs of the subdivision. The amount of tax levied by a taxing authority is not determined by the assessed valuation, but by the needs of the subdivision as shown by its budget.

TAX RATE

The tax rate, fixed annually and based upon the needs and requirements of the subdivision as shown by its budget, determine the amount of taxes to be levied.

SUBDIVISION'S POWER TO TAX; LIMITATION Ohio Rev. Code §5705.49

Wherever in the Revised Code the taxing authorities of any subdivision, as defined in the Ohio Rev. Code §5705.01, are authorized to levy taxes on the taxable property within such subdivision, such authority shall extend only to the levy of taxes on the taxable real and public utility property listed on the general tax lists and duplicates, provided for by the Ohio Rev. Code §319.28. Where the amount of indebtedness of any subdivision is limited by law with reference to the tax valuation or aggregate value of the property on the tax list and duplicate of such subdivision, such limitation shall be measured by the property listed on such general tax lists and duplicates in such subdivision.

County Treasurer's Manual

UNIFORM RULE OF TAXATION

Ohio Constitution, Article XII, Section 2, is the provision requiring taxation by uniform rule and presently limiting taxation to 1 % of the true value in money of property and in pertinent part reads as follows:

FINANCE AND TAXATION OHIO CONSTITUTION ARTICLE XII, SECTION 2

No property, taxed according to value, shall be so taxed in excess of one per cent of its true value in money for all state and local purposes, but laws may be passed authorizing taxes to be levied outside of such limitation, either when approved by at least a majority of the electors of the taxing district voting on such proposition, or when provided for by the charter of a municipal corporation. Land and improvements thereon shall be taxed by uniform rule according to value, except that laws may be passed to reduce taxes by providing for a reduction in value of the homestead of permanently and totally disabled residents and resident sixty-five years of age and older, and providing for income and other qualifications to obtain such reduction.

OHIO SUPREME COURT DECISION

Exchange Bank of Columbus v. Hines, 3 Ohio St. 1, 15 (1853)

Taxing is required to be by a uniform rule; that is, by one and the same unvarying standard. Taxing by a uniform rule requires uniformity not only in the rate of taxation, but also uniformity in the mode of the assessment upon the taxable valuation. Uniformity in taxing implies equality in the burden of taxation, and this equality of burden cannot exist without uniformity in the mode of the assessment as well as in the rate of taxation.

The uniformity must be coextensive with the territory to which it is applied. If a state tax, it must be uniform over all the state. If a county, town or city tax, it must be uniform throughout the extent of the territory to which it applies. But the uniformity in the rule required by the Constitution does not stop here. It must be extended to all property subject to taxation, so that all property may be taxed alike, equally, which is taxing by a uniform rule.

TAX TIMES, RATES, BILLS AND RECEIPTS

County Treasurer's Manual

TAX TIMES, RATES, BILLS AND RECEIPTS

ATTACHING OF LIEN FOR TAXES Ohio Rev. Code §5719.01

As used in this Chapter, "taxes" means all general taxes levied against personal property pursuant to the Ohio Rev. Code §5709.01 and all taxes levied pursuant to the Ohio Rev. Code §5707.04.

All personal property subject to taxation shall be liable to be seized and sold for taxes. The personal property of a deceased person in the hands of an executor or administrator shall be liable for any tax due on it from the decedent.

Taxes charged on any tax duplicate, except those upon real estate, shall be a lien on real property of the person charged therewith from the date of the filing of a notice of such lien as provided by law.

WHEN TAXES ARE DUE AND PAYABLE

Real property taxes in Ohio are not determined before October 1, annually, as taxes are assessed at the end of the period, not the beginning.

The Ohio Rev. Code §323.11 fixes the lien of the State for taxes on the first day of January, annually.

It does not relate to the time or the amount of taxes that will be levied at a subsequent date by action of the various taxing authorities. The fact is that practically all levies are made after this date.

The taxing authorities are required to adopt budgets on or before July 15 in each year, except for school districts. The work of the county budget commission is required to be completed on or before September 1, and the taxing subdivision has until September 15 to determine if additional levies are needed. School districts must submit their tax budget by January 15. The work of the budget commission must be completed by March first.

The resolution of necessity must be certified to the board of elections not less than 60 days before the election upon which it will be voted.

Taxes voted at the November election may be levied for the current tax year if the resolution of the taxing authority so provides.

NOTICE OF TAXES ASSESSED Ohio Rev. Code §323.08

The county treasurer shall publish notice of the date of the last date for payment of each installment of taxes once a week for two successive weeks prior to such date in a newspaper of general circulation within the county or as provided in Ohio Rev. Code §7.16.

County Treasurer's Manual

DEFINITION OF NEWSPAPER Ohio Rev. Code §5721.01

As used in the Ohio Rev. Code §5719.04, 5721.03, and 5721.31 and in any other sections of the Revised Code to which those sections are applicable, a “newspaper” or “newspaper of general circulation” has the same meaning as in section 7.12 of the Revised Code.

OFFICE OF COUNTY TREASURER OPEN FOR COLLECTION OF TAXES ON REAL AND PUBLIC UTILITY PROPERTY Ohio Rev. Code §323.09

The office of the county treasurer shall be kept open for the collection of taxes from the time of delivery of the duplicate to the treasurer until the twentieth day of June, except during such time as it may be necessary to close the office for the purpose of the February settlement of such taxes.

DELINQUENT LAND LIST AND DUPLICATE Ohio Rev. Code §5721.011

Immediately after each settlement required by division (C) of the Ohio Rev. Code §321.24, each county auditor shall compile, in substantially the same form as the list and duplicate prepared pursuant to Section 319.28 of the Ohio Revised Code, a list and duplicate of all delinquent lands in the auditor's county. In any such list there may be included lands that have been omitted from a prior list. Lands on which the only unpaid taxes are amounts claimed in good faith not to be due in complaints pending under the Ohio Rev. Code §5715.19 and lands that are the subject of an application for exemption from taxation under the Ohio Rev. Code §5715.27 shall not be included in the list. The delinquent land list and duplicate shall contain the description of the property and the name of the person in whose name it is listed as they appear on the tax list of the previous tax year and the total amount of all taxes, assessments, recoupment charges, penalties, and interest due and unpaid against the entry at the settlement and shall set forth as separate items any interest required to be so entered under divisions (B)(1), (2), and (3) of the Ohio Rev. Code §323.121. The original list shall be kept in the office of the auditor, and the duplicate shall be certified and delivered to the county treasurer within thirty days after the settlement required by division (C) of the Ohio Rev. Code §321.24.

COLLECTION OF DELINQUENT TAXES Ohio Rev. Code §5721.02

The office of the county treasurer shall be kept open to receive the payment of delinquent real property taxes, from the date of the delivery of the delinquent land duplicate, provided for in Ohio Rev. Code §5721.011, until the final publication of the delinquent tax list and the delinquent vacant land tax list as provided in Ohio Rev. Code §5721.03, in order that the name of any taxpayer appearing on either list, who prior to seven days before the first publication of that list pays the delinquent taxes in full, may be stricken from that list and in order that the name of each person appearing on either list, who prior to seven days before the publication of that list enters into a delinquent tax contract under the Ohio Rev. Code §323.31 to pay the delinquent taxes in installments, may be stricken from that list or an asterisk may

be entered in the margin next to the person's name. If payment in full is made subsequent to the first publication and prior to seven days before the second publication of either list, the name of the taxpayer shall be eliminated from the second publication.

EMPLOYING COLLECTORS OF DELINQUENT TAXES Ohio Rev. Code §5721.021

If the board of county commissioners serving a county with a population of at least two hundred thousand deems it necessary, it may, with the consent of the prosecuting attorney, authorize the county treasurer to employ collectors to collect the delinquent taxes on the list mentioned in section 5721.011 of the Revised Code, or part thereof, and fix the compensation of such collectors, and provide for the reasonable and necessary expenses of such collectors in the pursuit of their duties, which shall be paid out of the county treasury. All such compensation and expenses shall be apportioned ratably by the county auditor among all the funds entitled to share in the distribution of the taxes. As used in this section, "delinquent taxes" has the same meaning as under division (E) of section 323.01 of the Revised Code.

RECEIPT FOR PAYMENT OF TAXES; FORM Ohio Rev. Code §323.14

When any tax is paid at the office of the county treasurer or at any tax receiving office, the treasurer shall give a receipt to the person paying it. If any tax is paid to the treasurer by mail, and the person paying it encloses with the payment an addressed envelope with sufficient postage, the treasurer shall enclose a receipt for the taxes in such envelope and deposit it in the mail. No receipt given by the treasurer for payment made otherwise than in lawful money or the notes specified in the Ohio Rev. Code §321.13 shall be valid, unless the moneys represented by such payment are received into the county treasury or a county depository.

The tax receipt given by the treasurer shall be a duplicate of the tax bill unless the treasurer prescribes a different form, approved by the tax commissioner, to be used as a receipt when the tax is paid by the treasurer's application of prepayments pursuant to the Ohio Rev. Code §321.45.

ATTORNEY GENERAL'S OPINIONS

County Treasurer's Manual

- (A) Each person charged with taxes shall pay to the county treasurer the full amount of such taxes on or before the thirty-first day of December, or shall pay one-half of the current taxes together with the full amount of any delinquent taxes before such date, and the remaining half on or before the twentieth day of June next ensuing. When such taxes are paid by installments, each payment shall be apportioned among the several funds for which taxes have been assessed.
- (B) A tax is paid on or before the dates set forth in this section if the tax payment is received by the county treasurer or if prepayments are applied by the treasurer toward the payment of taxes as provided by the Ohio Rev. Code §321.45 on or before the last day for payment of such tax, or if the tax payment is received after such date in an envelope that was postmarked by the United States Postal Service on or before the last day for payment of such tax. In the event there is more than one date of postmark on the envelope, the earliest date imprinted by the postal service shall be the date of payment.

The postmark by the United States Postal Service shall be the date of payment. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

- (C) The treasurer may delay the closing of the treasurer's books for any collection period for the purpose of receiving and processing such payments.

DELINQUENT TAXES; TIME FOR CHARGING PENALTY Ohio Rev. Code §323.121

- (A)
 - (1) Except as otherwise provided in division (A)(2) of this section, if one-half of the current taxes charged against an entry of real estate together with the full amount of any delinquent taxes are not paid on or before the thirty-first day of December in that year or on or before the last day for payment as extended pursuant to the Ohio Rev. Code §323.17, a penalty of ten percent shall be charged against the unpaid balance of such half of the current taxes on the duplicate. If the total amount of all the taxes is not paid on or before the twentieth day of June, next thereafter, or on or before the last day for payment as extended pursuant to the Ohio Rev. Code §323.17, a like penalty shall be charged on the balance of the total amount of such unpaid current taxes.
 - (2) After a valid delinquent or omitted tax contract that includes unpaid current taxes from a first-half collection period described in section 323.12 of the Revised Code has been entered into under section 323.31 or 5713.20 of the Revised Code, no ten per cent penalty shall be charged against such taxes after the second-half collection period while the delinquent or omitted tax contract remains in effect. On the day a delinquent or omitted tax contract becomes void, the ten per cent penalty shall be charged against such taxes and shall equal the amount of penalty that would have been charged against unpaid current taxes outstanding on the date on which the second-half penalty would have been charged thereon under division (A)(1) of this section if the contract had not been effect.
- (B)
 - (1) On the first day of the month following the last day the second installment of taxes may be paid without penalty, interest shall be charged against and computed on all delinquent taxes other than the current taxes that became delinquent taxes at the close of the last day such second installment could be paid without penalty. The charge shall be for interest that accrued during the period that began on the preceding first day of December and

County Treasurer's Manual

DELINQUENT TAXES; TIME FOR CHARGING PENALTY Ohio Rev. Code §323.121 (continued)

ended on the last day of the month that included the last date such second installment could be paid without penalty. The interest shall be computed at the rate per annum prescribed by Ohio Rev. Code §5703.47 and shall be entered as a separate item on the tax list and duplicate compiled under Ohio Rev. Code §319.28 or 5721.011, whichever list and duplicate are first compiled after the date on which the interest is computed and charged. However, for tracts and lots on the real property tax suspension list under the Ohio Rev. Code §319.48, the interest shall not be entered on the tax list and duplicate compiled under 319.28, but shall be entered in the first tax list and duplicate compiled under the Ohio Rev. Code §5721.011 [5721.01.1] after the date on which the interest in computed and charged.

- (2) In a county on behalf of which a county land reutilization corporation has been organized under Chapter 1724 of the Revised Code, upon the written order of the county treasurer, interest shall be charged against and computed on delinquent taxes as provided in division (B)(2)(a) or (b) of this section, as prescribed in the order:
 - (a) In the manner proved under division (B)(1) and (B)(3) of this section, except that the interest shall be computed at the rate of twelve per cent per annum; or
 - (b) On the first day of the month following the month in which interest otherwise would be charged in accordance with division (B)(1) of this section as specified in the order, and each subsequent month, interest shall be charged against and computed on all delinquent taxes remaining delinquent on the last day of the preceding month at a rate of one percent per month.

The county treasurer shall file a copy of the order directing the rate and manner of charging interest under this division with the county treasurer and the tax commission. If interest is charged under division (B)(2) of this section, interest shall not be charged under division (B)(1) or (3) of this section.

- (3) On the first day of December, the interest shall be charged against and computed on all delinquent taxes. The charge shall be for interest that accrued during the period that began on the first day of the month following the last date prescribed for the payment of the second installment of taxes in the current year and ended on the immediately preceding last day of November. The interest shall be computed at the rate per annum prescribed by the Ohio Rev. Code §5703.47 and shall be entered as a separate item on the tax list and duplicate compiled under the Ohio Rev. Code §319.28 or 5721.011, whichever list and duplicate are first compiled after the date on which the interest is computed and charged. However, for tracts and lots on the real property tax suspension list under the Ohio Rev. Code §319.48, the interest shall not be entered on the tax list and duplicate compiled under the Ohio Rev. Code §319.28, but shall be entered on the first tax list and duplicate compiled under the Ohio Rev. Code §5721.011 after the date on which the interest is computed and charged.
- (4) After a valid delinquent tax contract has been entered into for the payment of any delinquent taxes, no interest shall be charged against such delinquent taxes while the delinquent tax contract remains in effect in compliance with the Ohio Rev. Code §323.31. If a valid delinquent tax contract becomes void, interest shall be charged against the

County Treasurer's Manual

DELINQUENT TAXES; TIME FOR CHARGING PENALTY Ohio Rev. Code §323.121 (continued)

delinquent taxes for the periods that interest was not permitted to be charged while the delinquent tax contract was in effect. The interest shall be charged on the day the delinquent tax contract becomes void and shall equal the amount of interest that would have been charged against the unpaid delinquent taxes outstanding on the dates on which interest would have been charged thereon under divisions (B)(1)(2) and (3) of this section had the delinquent tax contract not been in effect.

- (C) If the full amount of the taxes due at either of the times prescribed by division (A) of this section is paid within ten days after such time, the county treasurer shall waive the collection of and the county auditor shall remit one-half of the penalty provided for in that division for failure to make that payment by the prescribed time.
- (D) The county treasurer shall compile and deliver to the county auditor a list of all tax payments the treasurer has received as provided in division (C) of this section. The list shall include any information required by the auditor for the remission of the penalties waived by the treasurer. The taxes so collected shall be included in the settlement next succeeding the settlement then in process.

FACTORS JUSTIFYING DELAY IN DELIVERY OF TAX DUPLICATE OR CLOSE OF TAX COLLECTION PERIOD Ohio Rev. Code §323.17

When any taxing authority in the county has certified to the board of elections a resolution that would serve to place upon the ballot at a general election or at any special election held prior to the general election but subsequent to the first Tuesday after the first Monday in August the question of a tax to be levied on the current tax list and duplicate for any purpose, or if the auditor has not received the certified reduction factors as required by division (D)(2) of the Ohio Rev. Code §319.301, the time for delivery of shall be extended to the first Monday in December. When delivery of the tax duplicate has been so delayed, the times for payment of taxes as fixed by the Ohio Rev. Code §323.12 may be extended to the thirty-first day of January and the twentieth day of July. In case of emergency the tax commissioner may, by journal entry, extend the times for delivery of the duplicate in any county for an additional fifteen days upon receipt of a written application from the county auditor, in the case of a delay in the delivery of the tax duplicate, or from the treasurer regarding an extension of the time for the billing and collection of taxes.

When a delay in the closing of a tax collection period becomes unavoidable, the tax commissioner, upon application of the county auditor and county treasurer, may extend the time for payment of taxes if he determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order so issued by the commissioner shall prescribe the final extended date for the payment of taxes for that collection period.

"Emergency," as used in this section, includes death or serious illness, any organized work stoppage, mechanical failure of office equipment or machinery, or a delay in complying with the Ohio Rev. Code §5715.24 or 5715.26 which will cause an unavoidable delay in the delivery of duplicates or in the billing or collection of taxes. Such application shall contain a statement describing the emergency that will cause the unavoidable delay. Any application from the county auditor for an extension of time for delivery of the duplicate due to an emergency must be received by the tax commissioner on or before the last day of the month preceding the date required for such delivery, When an extension of time for delivery of the duplicate is so granted, the time for payment of taxes shall be extended for a like period of time.

County Treasurer's Manual

FACTORS JUSTIFYING DELAY IN DELIVERY OF TAX DUPLICATE OR CLOSE OF TAX COLLECTION PERIOD Ohio Rev. Code §323.17 (continued)

Whenever taxable real property has been destroyed or damaged by fire, flood, tornado, or otherwise, in an amount not less than twenty-five per cent of the value as listed and assessed for taxation but in no event less than two thousand dollars of taxable value, the county board of revision, by resolution, may extend the time for payment of taxes on such property not more than one year after the time fixed by the Ohio Rev. Code §323.12. The board shall file a copy of such resolution with the county auditor and county treasurer, stating the name of the owner and description as it appears on the tax list, the taxing district, the type and kind of property destroyed or damaged, and the board's estimate of the amount of such destruction or damage.

ATTORNEY GENERAL'S OPINION

When the time for the payment of real property taxes has been extended, pursuant to Ohio Rev. Code §323.17, the imposition of the penalty for failure to pay real property taxes when due, as provided for in the Ohio Rev. Code §5719.17, is correspondingly extended. 1957 Op. Att'y. Gen. No. 1005.

TAX BILLS MAILED OR DELIVERED; FAILURE TO RECEIVE BILL Ohio Rev. Code §323.13

Except as in provided by the Ohio Rev. Code §323.134, immediately upon receipt of any tax duplicate from the county auditor, but not less than twenty days prior to the last date which the first one-half taxes may be paid without penalty pursuant to the Ohio Rev. Code §323.12 or 323.17, the county treasurer shall cause to be prepared and mailed or delivered to each person charged on such duplicate with taxes or to an agent designated by the person, the tax bill prescribed by the Commissioner of Tax Equalization under the Ohio Rev. Code §323.131. When taxes are paid by installments, the county treasurer shall mail or deliver to each person charged on such duplicate a second tax bill showing the amount due at the time of the second tax collection. The second half tax bill shall be mailed or delivered at least twenty days prior to the close of the second half tax collection period.

After delivery of the delinquent land duplicate as prescribed in the Ohio Rev. Code §5721.011, the county treasurer may prepare and mail to each person in whose name property therein is listed an additional tax bill showing the total amount of delinquent taxes appearing on such duplicate against such property. The tax bill shall include a notice that the interest charge prescribed by division (B) of the Ohio Rev. Code §323.121 has begun to accrue.

A change in the mailing address of any tax bill shall be made in writing to the county treasurer.

Upon certification by the county auditor of the apportionment of taxes and assessments following the transfer of a part of a tract or lot of real estate, and upon request by the owner of any transferred or remaining part of such tract or parcel, the treasurer shall cause to be prepared and mailed or delivered to such owner, a tax bill for the taxes allocated to his part, together with the penalties, interest, and other charges.

Failure to receive any bill required by this section does not excuse failure or delay to pay any taxes shown on such bill or, accepting as provided by division (A) of the Ohio Rev. Code §5715.39, avoid any penalty, interest, or charge for such delay.

County Treasurer's Manual

COURT DECISION

The provision of this section, that the "failure to receive any (tax) bill required by this section does not excuse failure or delay to pay any taxes ... shown on such bill or avoid any penalty ... for such delay," is not controlling where the taxpayer, in good faith, does all that can reasonably be expected of him as a taxpayer to pay the taxes on his property: Ratajczak v. Carney, 102 Ohio App. 183, 2 Ohio Op. 174, 135 N. E. 2d 64 (1956).

ATTORNEY GENERAL'S OPINION

The county treasurer has a mandatory duty under this section, immediately upon receipt of any tax duplicate from the county auditor, to prepare and mail or deliver a tax bill to each person charged on such duplicate: 1958 Op. Att'y. Gen. No. 3137.

FORM OF TAX BILLS Ohio Rev. Code §323.131

Each tax bill prepared and mailed or delivered under the Ohio Rev. Code §323.13 shall be in the form and contain the information required by the tax commissioner. The commissioner may prescribe different forms for each county and may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. In addition to the information required by the commissioner, each tax bill shall contain the following information:

- (A) The taxes levied and the taxes charged and payable against the property.
- (B) The effective tax rate. The words "effective tax rate" shall appear in boldface type.
- (C) The following notices:
 - (1) "Notice: If the taxes are not paid within one year from the date they are due, the property is subject to foreclosure for tax delinquency." Failure to provide such notice has no effect upon the validity of any tax foreclosure to which a property is subjected.
 - (2) "Notice: If the taxes charged against this parcel have been reduced by the 2 ½ per cent tax reduction for residences occupied by the owner the property is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31, ____ (insert the year following the year for which the taxes are due). Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is punishable by imprisonment up to 30 days, a fine up to \$250, or both, and the owner having to repay the amount by which the taxes were erroneously or illegally reduced, plus any interest that may apply.

If the taxes charged against this parcel have not been reduced by the 2 ½ percent tax reduction and the parcel includes a residence occupied by the owner, the parcel may qualify for the tax reduction. To obtain an application for the tax reduction or further information, the owner may contact the county auditor's office at _____. (Insert the address and telephone number of the county auditor's office)."

County Treasurer's Manual

FORM OF TAX BILLS Ohio Rev. Code §323.131 (continued)

- (D) For a tract or lot on the real property tax suspension list under the Ohio Rev. Code §319.48, the following notice: "Notice: The taxes shown due on this bill are for the current year only. Delinquent taxes, penalties, and interest also are due on this property. Contact the county treasurer to learn the total amount due."

The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by the Ohio Rev. Code §321.45 or by the tax commissioner.

PAYMENTS THAT MAY BE ACCEPTED AFTER TAXES BECOME DELINQUENT Ohio Rev. Code §323.132

If one-half of the current taxes charged against an entry of real estate is not paid on or before the thirty-first day of December of the year for which they are charged or on or before the last day for such payment as extended pursuant to the Ohio Rev. Code §323.17, that amount, together with the penalty charged under division (A)(1) of section 323.121 of the Revised Code and all delinquent taxes or installments thereof, charged against such entry may be paid at any time prior to the date on which tax bills for the second half collection are mailed and delivered, without at the same time requiring payment of the second half of such taxes.

If the total amount of such current taxes, delinquent taxes, and all installment payments due under the Ohio Rev. Code § 323.31 are not paid on or before the twentieth day of June, next thereafter, or on or before the last day for that payment as extended pursuant to Ohio Rev. Code §323.17, the balance of the amount of such taxes, plus all penalties and interest imposed by the Ohio Rev. Code §323.121, constitutes the delinquent taxes on such entry, which shall be placed on the delinquent land list and duplicate pursuant to the Ohio Rev. Code §5721.011 and shall be collected in the manner prescribed by law.

A taxpayer may tender, and the treasurer shall accept, the full amount of delinquent taxes charged against an entry of real estate without having to tender at the same time the payment of any current taxes that are due and payable.

A county treasurer may accept partial payments of taxes. Any overpayment shall be refunded by the treasurer in the manner most convenient to the treasurer. When the amount tendered and accepted is less than the amount due, the unpaid balance shall be treated as other unpaid taxes, and, except when the unpaid amount is the penalty, the treasurer shall notify the taxpayer of such deficiency.

If the taxpayer files with the payment of taxes a copy of an application to the tax commissioner for remission of penalty, or the payment is received within ten days after the last day the taxes may be paid without penalty, the county treasurer shall accept a partial payment in which the only unpaid amount is the penalty for late payment.

If, at any time, and having been provided such documentation as may be found acceptable by the county treasurer, the county treasurer determines that due to a clerical error, a taxpayer has overpaid either the first one-half or second one-half payment of current taxes as charged on the tax list and duplicate, the treasurer may refund the amount of the overpayment to the taxpayer in the manner most convenient to the treasurer.

AGREEMENTS WITH FINANCIAL INSTITUTIONS FOR INFORMATION EXCHANGE FOR BILLING PURPOSES Ohio Rev. Code §323.134

As used in this section, "financial institution" means bank as defined in the Ohio Rev. Code §1101.01, a building and loan association as defined in the Ohio Rev. Code §1151.01, or any other person regularly engaging in the business of making or brokering residential mortgage loans on security located in this state.

The county treasurer may request any financial institution to enter into an agreement with the treasurer for information exchanges limited exclusively to the purpose of real property tax billing and payment, including, but not limited to, the sharing of information that is a part of a data processing system. With the approval of the county automatic data processing board or if the county has no board, with the approval of the county auditor, the county treasurer may enter into such an agreement with any consenting financial institution. Where such an agreement enables the treasurer to collect the proper amounts of such taxes due without preparing and sending the tax bills required by the Ohio Rev. Code §323.13, the treasurer need not prepare and send such bills for any entries of real property upon which taxes are properly computed and paid by the use of such information exchange.

FULL AMOUNT OF TAXES CHARGED MUST BE PAID; EXCEPTIONS; PAYMENT BY OWNER OF UNDIVIDED INTEREST Ohio Rev. Code §323.15

The county treasurer may accept payment of less than the full amount of taxes charged and payable for all purposes on real estate at the times provided by the Ohio Rev. Code §323.12 and 323.17, in such amounts as the county treasurer considers reasonable. Except as otherwise provided by Ohio Rev. Code §323.133, 323.31, and 5715.19, and when the collection of a particular tax is legally enjoined, interest and penalties shall accrue on the unpaid amount as prescribed by section 323.121 of the Revised Code. A person claiming to be the owner of an undivided interest in any real estate may present to the county auditor the recorded evidence of the existence and fractional extent of such interest, and the auditor may note the existence and extent of such interest, as ascertained by the auditor, on the margin of the tax list in the name of such person and give a certificate of the interest to the county treasurer, who shall enter it on the margin of the tax duplicate. Any person claiming to be entitled to or in any way interested in such interest may pay, and the treasurer may receive that proportion of the full amount of the taxes charged and payable for all purposes on the real estate affected, which is represented by the fraction expressing the extent of such interest. The payment so made and received shall be entered on the duplicate, shall be credited by the treasurer at the time of the next succeeding settlement of real estate taxes, and shall have the effect of relieving the undivided interest in such real estate, so entered on the margin of the tax list and duplicate, from the lien of the taxes charged on such duplicate against the real estate. Thereafter, in making up the tax list and duplicate, the auditor shall enter such interest and the proportional value of it separately from the other interest in such land, and shall adjust the value of the latter accordingly.

TAXES DUE UPON TRANSFER OF PROPERTY Ohio Rev. Code §323.47

- (A) If land held by tenants in common is sold upon proceedings in partition, or taken by the election of any of the parties to such proceedings, or real estate is sold by administrators, executors, guardians, or trustees, the court shall order that the taxes, penalties, and assessments then due and payable, and interest on those taxes, penalties, and assessments, that are or will be a lien on such land or real estate at the time the deed is transferred following the sale, be discharged out of the proceeds of such sale or election. For purposes of determining such amount, the county treasurer shall estimate the amount of taxes, assessments, interest, and penalties that will be payable at the

County Treasurer's Manual

time the deed of the property is transferred to the purchaser. If the county treasurer's estimate exceeds the amount of taxes, assessments, interest, and penalties actually payable when the deed is transferred to the purchaser, the officer who conducted the sale shall refund to the purchaser the difference between the estimate and the amount actually payable. If the amount of taxes, assessments, interest, and penalties actually payable when the deed is transferred to the purchaser exceeds the county treasurer's estimate, the officer shall certify the amount of the excess to the treasurer, who shall enter that amount on the real and public utility property tax duplicate opposite the property; the amount of the excess shall be payable at the next succeeding date prescribed for payment of taxes in Ohio Rev. Code §323.12.

- (B) (1) If real estate is sold at judicial sale, the court shall order that the total of the following amounts shall be discharged out of the proceeds of the sale but only to the extent of such proceeds:
 - (a) Taxes and assessments the lien for which attaches before the confirmation of sale but that are not yet determined, assessed, and levied for the year in which confirmation occurs, apportioned pro rata to the part of that year that precedes confirmation, and any penalties and interest on those taxes and assessments;
 - (b) All other taxes, assessments, penalties, and interest the lien for which attached for a prior tax year but that have not been paid on or before the date of confirmation.
- (2) Upon the request of the officer who conducted the sale, the county treasurer shall estimate the amount in division (B)(1)(a) of this section. If the county treasurer's estimate exceeds that amount, the officer who conducted the sale shall refund to the purchaser the difference between the estimate and the actual amount. If the actual amount exceeds the county treasurer's estimate, the officer shall certify the amount of the excess to the treasurer, who shall enter that amount on the real and public utility property tax duplicate opposite the property; the amount of the excess shall be payable at the next succeeding date prescribed for payment of taxes in Ohio Rev. Code §323.12.

COUNTY TREASURER MAY ENFORCE PAYMENT OF PAST DUE TAXES Ohio Rev. Code §323.25

When taxes charged against an entry on the tax duplicate, or any part of those taxes, are not paid within sixty days after delivery of the delinquent land duplicate to the county treasurer as provided by the Ohio Rev. Code §5721.011, the county treasurer shall enforce the lien for the taxes by civil action in the treasurer's official capacity as treasurer, for the sale of such premises in the same way mortgage liens are enforced or for the transfer of such premises to an electing subdivision pursuant to Ohio Rev. Code §323.28, in the court of common pleas of the county, in a municipal court with jurisdiction, or in the county board of revision with jurisdiction pursuant to Ohio Rev. Code §323.66. After the civil action has been instituted, but before the expiration of the applicable redemption period, any person entitled to redeem the land may do so by tendering to the county treasurer an amount sufficient, as determined by the court or board of revision, to pay the taxes, assessments, penalties, interest, and charges then due and unpaid, and the costs incurred in the civil action, and by demonstrating that the property is in compliance with all applicable zoning regulations, land use restrictions, and building, health, and safety codes.

COUNTY TREASURER MAY ENFORCE PAYMENT OF PAST DUE TAXES Ohio Rev. Code §323.25 (continued)

If the delinquent land duplicate lists minerals or rights to minerals listed pursuant to Ohio Rev. Code §5713.04, 5713.05 and 5713.06, the county treasurer may enforce the lien for taxes against such minerals or rights to minerals by civil action, in the treasurer's official capacity as treasurer, in the manner prescribed by this section, or proceed as provided under Ohio Rev. Code §5721.46.

If service by publication is necessary, such publication shall be made once a week for three consecutive weeks instead of as provided by the rules of civil procedure, and the service shall be complete at the expiration of three weeks after the date of the first publication. If the prosecuting attorney determines that service upon a defendant may be obtained ultimately only by publication, the prosecuting attorney may cause service to be made simultaneously by certified mail, return receipt requested; ordinary mail; and publication. The treasurer shall not enforce the lien for taxes against real property to which the following applies:

- (A) The real property is the subject of an application for exemption from taxation under Ohio Rev. Code §5715.27 and does not appear on the delinquent land duplicate;
- (B) The real property is the subject of a valid delinquent tax contract under Ohio Rev. Code §323.31 for which the county treasurer has not made certification to the county auditor that the delinquent tax contract has become void in accordance with that section;
- (C) A tax certificate respecting that property has been sold under Ohio Rev. Code §5721.32 or 5721.33; provided, however, that nothing in this division shall prohibit the county treasurer or the county prosecuting attorney from enforcing the lien of the state and its political subdivisions for taxes against a certificate parcel with respect to any or all of such taxes that at the time of enforcement of such lien are not the subject of a tax certificate.

Upon application of the plaintiff, the court shall advance such cause on the docket, so that it may be first heard.

ATTORNEY GENERAL'S OPINION

Ohio Attorney General Opinion 96-054 states that "the county treasurer is not authorized to employ a private attorney to act on behalf of the county treasurer in the collection of delinquent property taxes... only a board of county commissioners is authorized to employ an attorney to act on behalf of the county treasurer in the collection of delinquent real property taxes."

AUTHORITY OF TAX COMMISSIONER Ohio Rev. Code §323.251

The tax commissioner shall exercise the authority provided by law relative to the actions of the local authorities as provided in the Ohio Rev. Code §323.25, 323.49, and 5721.18 if any act or proceedings required by such sections are not done or instituted within the time limited by such sections. All expenses incurred in a county by the commissioner under this section shall be borne by the county.

TAX ON MANUFACTURED OR MOBILE HOMES Ohio Rev. Code §4503.06 (continued)

- (b) The situs of a manufactured or mobile home not located in this state on the first day of January, but located in this state subsequent to that date, is the local taxing district in which the home is located thirty days after it is acquired or first enters this state.

 - (a) By multiplying the assessable value of the home by the tax rate of the taxing district in which the home has its situs, and deducting from the product thus obtained any reduction authorized under Ohio Rev. Code §4503.065. The tax levied under this formula shall not be less than thirty-six dollars, unless the home qualifies for a reduction in assessable value under Ohio Rev. Code §4503.065, in which case there shall be no minimum tax and the tax shall be the amount calculated under this division.
 - (b) The assessable value of the home shall be forty per cent of the amount arrived at by the following computation:
 - (i) If the cost to the owner, or market value at time of purchase, whichever is greater, of the home includes the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

For the first calendar year in which the home is owned	
by the current owner	80%
2 nd calendar year	x 75%
3 rd calendar year	x 70%
4 th calendar year	x 65%

7 th calendar year	x 65%
8 th calendar year	x 60%
9 th calendar year	x 55%
10 th and each year thereafter	50%

The first calendar year means any period between the first day of January and the thirty-first day of December of the first year.

- (2) On a home in which ownership was transferred or that first acquired situs in this state on or after January 1, 2000:
 - (a) By multiplying the assessable value of the home by the effective tax rate, as defined in Ohio Rev. Code §323.08, for residential real property of the taxing district in which the home has its situs, and deducting from the product thus obtained the reductions required or authorized under Ohio Rev. Code §319.302, division (B) of Ohio Rev. Code §323.152, or Ohio Rev. Code §4503.065.
 - (b) The assessable value of the home shall be thirty-five per cent of its true value as determined under division (L) of this section.

In the case of an emergency as defined in Ohio Rev. Code §323.17, the tax commissioner, by journal entry, may extend the times for delivery of the duplicate for an additional fifteen days upon receiving a written application from the county auditor regarding an extension for the delivery of the duplicate, or from the county treasurer regarding an extension of the time for the billing and collection of taxes. The application shall contain a statement describing the emergency that will cause the unavoidable delay and must be received by the tax commissioner on or before the last day of the month preceding the day delivery of the duplicate is otherwise required. When an extension is granted for delivery of the duplicate, the time period for payment of taxes shall be extended for a like period of time. When a delay in the closing of a tax collection period becomes unavoidable, the tax commissioner, upon application by the county auditor and county treasurer, may order the time for payment of taxes to be extended if the tax commissioner determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order shall prescribe the final extended date for payment of taxes for that collection period.
- (4) After January 1, 1999, the owner of a manufactured or mobile home taxed pursuant to division (D)(1) of this section may elect to have the home taxed pursuant to division (D)(2) of this section by filing a written request with the county auditor of the taxing district in which the home is located on or before the first day of December of any year. Upon the filing of the request, the county auditor shall determine whether all taxes levied

under division (D)(1) of this section have been paid, and if those taxes have been paid, the county auditor shall tax the manufactured or mobile home pursuant to division (D)(2) of this section commencing in the next tax year.

- (5) A manufactured or mobile home that acquired situs in this state prior to January 1, 2000, shall be taxed pursuant to division (D)(2) of this section if no manufactured home tax had been paid for the home and the home was not exempted from taxation pursuant to division (E) of this section for the year for which the taxes were not paid.
- (6)
 - (a) Immediately upon receipt of any manufactured home tax duplicate from the county auditor, but not less than twenty days prior to the last date on which the first one-half taxes may be paid without penalty as prescribed in division (F) of this section, the county treasurer shall cause to be prepared and mailed or delivered to each person charged on that duplicate with taxes, or to an agent designated by such person, the tax bill prescribed by the tax commissioner under division (D)(7) of this section. When taxes are paid by installments, the county treasurer shall mail or deliver to each person charged on such duplicate or the agent designated by such person a second tax bill showing the amount due at the time of the second tax collection. The second half tax bill shall be mailed or delivered at least twenty days prior to the close of the second half tax collection period. A change in the mailing address of any tax bill shall be made in writing to the county treasurer. Failure to receive a bill required by this section does not excuse failure or delay to pay any taxes shown on the bill or, except as provided in Division (A) of Ohio Rev. Code §5715.39, avoid any penalty, interest, or charge for such delay.
 - (b) After delivery of the copy of the delinquent manufactured home tax list under division (H) of this section, the county treasurer may prepare and mail to each person in whose name a home is listed an additional tax bill showing the total amount of delinquent taxes charged against the home as shown on the list. The tax bill shall include a notice that the interest charge prescribed by division (G) of this section has begun to accrue.
- (7) Each tax bill prepared and mailed or delivered under division (D)(6) of this section shall be in the form and contain the information required by the tax commissioner. The commissioner may prescribe different forms for each county and may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by Ohio Rev. Code §321.45 or by the tax commissioner. In addition to the information required by the commissioner, each tax bill shall contain the following information:
 - (a) The taxes levied and the taxes charged and payable against the manufactured or mobile home;

County Treasurer's Manual

- (b) The following notice: "Notice: If the taxes are not paid within sixty days after the county auditor delivers the delinquent manufactured home tax list to the county treasurer, you and your home may be subject to collection proceedings for tax delinquency." Failure to provide such notice has no effect upon the validity of any tax judgment to which a home may be subjected.
- (c) In the case of manufactured or mobile homes taxed under division (D)(2) of this section, the following additional information:
 - (i) The effective tax rate. The words "effective tax rate" shall appear in boldface type.
 - (ii) The following notice: "Notice: if the taxes charged against this home have been reduced by the 2-1/2 per cent tax reduction for residences occupied by the owner but the home is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31 of the year for which the taxes are due. Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is punishable by imprisonment up to 30 days, a fine up to \$250, or both, and in the owner having to repay the amount by which the taxes were erroneously or illegally reduced, plus any interest that may apply.

If the taxes charged against this home have not been reduced by the 2-1/2 per cent tax reduction and the home is a residence occupied by the owner, the home may qualify for the tax reduction. To obtain an application for the tax reduction or further information, the owner may contact the county auditor's office at _____ (insert the address and telephone number of the county auditor's office)."

- (E) (1) A manufactured or mobile home is not subject to this section when any of the following applies:
 - (a) It is taxable as personal property pursuant to Ohio Rev. Code §5709.01. Any manufactured or mobile home that is used as a residence shall be subject to this section and shall not be taxable as personal property pursuant to Ohio Rev. Code §5709.01.
 - (b) It bears a license plate issued by any state other than this state unless the home is in this state in excess of an accumulative period of thirty days in any calendar year.
 - (c) The annual tax has been paid on the home in the state for the current year.
 - (d) The tax commissioner has determined, pursuant to Ohio Rev. Code §5715.27, that the property is exempt from taxation, or would be exempt from taxation under Ohio Rev. Code §5709 if it were classified as real property.

- (2) A travel trailer or park trailer, as these terms are defined in Ohio Rev. Code §4501.01, is not subject to this section if it is unused or unoccupied and stored at the owner's normal place of residence or at a recognized storage facility.
- (3) A travel trailer or park trailer, as these terms are defined in Ohio Rev. Code §4501.01, is subject to this section and shall be taxed as a manufactured or mobile home if it has a situs longer than thirty days in one location and is connected to existing utilities, unless either of the following applies:
 - (a) The situs is in a state facility or a camping or park area as defined in division (B), (G), (H), or (R) of Ohio Rev. Code §3733.01;
 - (b) The situs is in a camping or park area that is a tract of land that has been limited to recreational use by deed or zoning restrictions and sub divided for sale of five or more individual lots for the express or implied purpose of occupancy by either self-contained recreational vehicles as defined in division (E) of Ohio Rev. Code §3733.01, or by dependent recreational vehicles as defined in division (F) of Ohio Rev. Code §3733.01.
- (F) Except as provided in Division (D)(3) of this section, the manufactured home tax is due and payable as follows:
 - (1) When a manufactured or mobile home has a situs in this state, as provided in this section, on the first day of January, one-half of the amount of the tax is due and payable on or before the first day of March and the balance is due and payable on or before the thirty-first day of July. At the option of the owner of the home, the tax for the entire year may be paid in full on the first day of March.
 - (2) When a manufactured or mobile home first acquires a situs in this state after the first day of January, no tax is due and payable for that year.
- (G) (1) If one-half of the current taxes charged under this section against a manufactured or mobile home, together with the full amount of any delinquent taxes or any installment thereof required to be paid under a written undertaking, are not paid on or before the thirty-first day of January in that year, or on or before the last day for such payment as extended pursuant to Ohio Rev. Code §4503.063, a penalty of ten per cent shall be charged against the unpaid balance of such half of the current taxes. If the total amount of all such taxes is not paid on or before the thirty-first day of July, next thereafter, or on or before the last day for such payment as extended pursuant to Ohio Rev. Code §4503.063, a like penalty shall be charged on the balance of the total amount of such unpaid current taxes.
 - (2) (a) On the first day of the month following the last day the second installment of taxes may be paid without penalty beginning in 2000, interest shall be charged against and computed on all delinquent taxes other than the current taxes that became delinquent taxes at the close of the last day such second installment could be paid without penalty. The charge shall be for interest that accrued during the period that began on the preceding first day of December and ended on the last day of the month that included the last date such second installment

could be paid without penalty. The interest shall be computed at the rate per annum prescribed by Ohio Rev. Code §5703.47 and shall be entered as a separate item on the delinquent manufactured home tax list compiled under division (H) of this section.

- (b) On the first day of December beginning in 2000, the interest shall be charged against and computed on all delinquent taxes. The charge shall be for interest that accrued during the period that began on the first day of the month following the last date prescribed for the payment of the second installment of taxes in the current year and ended on the immediately preceding last day of November. The interest shall be computed at the rate per annum prescribed in Ohio Rev. Code §5703.47 and shall be entered as a separate item on the delinquent manufactured home tax list.
- (c) After a valid undertaking has been entered into for the payment of any delinquent taxes, no interest shall be charged against such delinquent taxes while the undertaking remains in effect in compliance with Ohio Rev. Code §323.31. If a valid undertaking becomes void, interest shall be charged against the delinquent taxes for the periods that interest was not permitted to be charged while the undertaking was in effect. The interest shall be charged on the day the undertaking becomes void and shall equal the amount of interest that would have been charged against the unpaid delinquent taxes outstanding on the dates on which interest would have been charged thereon under divisions (G)(1) and (2) of this section had the undertaking not been in effect.
- (3) If the full amount of the taxes due at either of the times prescribed by division (F) of this section is paid within ten days after such time, the county treasurer shall waive the collection of and the county auditor shall remit one-half of the penalty provided for in this division for failure to make that payment by the prescribed time.
- (4) The treasurer shall compile and deliver to the county auditor a list of all tax payments the treasurer has received as provided in division (G)(3) of this section. The list shall include any information required by the auditor for the remission of the penalties waived by the treasurer. The taxes so collected shall be included in the settlement next succeeding the settlement then in progress.
- (H) (1) The county auditor shall compile annually a "delinquent manufactured home tax list" consisting of homes the county treasurer's records indicate have taxes that were not paid within the time prescribed by divisions (D)(3) and (F) of this section, have taxes that remain unpaid from prior years, or have unpaid tax penalties or interest that have been assessed.
- (2) Within thirty days after the settlement under division (H)(2) of Ohio Rev. Code §321.24 the county auditor shall deliver a copy of the delinquent manufactured home tax list to the county treasurer. The auditor shall update and publish the delinquent manufactured home tax list annually in the same manner as delinquent real property tax lists are published. The county auditor may apportion the cost of publishing the list among taxing districts in proportion to the amount of delinquent manufactured home taxes so published that each taxing district is entitled to receive upon collection of those taxes, or the county auditor may charge the owner of a home on the list a flat fee established under Ohio Rev.

County Treasurer's Manual

TAX ON MANUFACTURED OR MOBILE HOMES Ohio Rev. Code §4503.06 (continued)

Code §319.54 for the cost of publishing the list and, if the fee is not paid, may place the fee upon the delinquent manufactured home tax list as a lien on the listed home, to be collected as other manufactured home taxes.

- (3) When taxes, penalties, or interest are charged against a person on the delinquent manufactured home tax list and are not paid within sixty days after the list is delivered to the county treasurer, the county treasurer shall, in addition to any other remedy provided by law for the collection of taxes, penalties, and interest, enforce collection of such taxes, penalties, and interest by civil action in the name of the treasurer against the owner for the recovery of the unpaid taxes following the procedures for the recovery of delinquent real property taxes in Ohio Rev. Code §323.25 and 323.28. The action may be brought in municipal or county court, provided the amount charged does not exceed the monetary limitations for original jurisdiction for civil actions in those courts.

It is sufficient, having made proper parties to the suit, for the treasurer to allege in the treasurer's bill of particulars or petition that the taxes stand chargeable on the books of the county treasurer against such person, that they are due and unpaid, and that such person is indebted in the amount of taxes appearing to be due the county. The treasurer need not set forth any other matter relating thereto. If it is found on the trial of the action that the person is indebted to the state, judgment shall be rendered in favor of the treasurer prosecuting the action. The judgment debtor is not entitled to the benefit of any law for stay of execution or exemption of property from levy or sale on execution in the enforcement of the judgment.

- (I) The total amount of taxes collected shall be distributed in the following manner: four per cent shall be allowed as compensation to the county auditor for the county auditor's service in assessing the taxes; two per cent shall be allowed a compensation to the county treasurer for the services the county treasurer renders as a result of the tax levied by this section. Such amounts shall be paid into the county treasury, to the credit of the county general revenue fund, on the warrant of the county auditor. Fees to be paid to the credit of the real estate assessment fund shall be collected pursuant to division (B) of Ohio Rev. Code §319.54 and paid into the county treasury, on the warrant of the county auditor. The balance of the taxes collected shall be distributed among the taxing subdivisions of the county in which the taxes are collected and paid in the same ratio as those taxes were collected for the benefit of the taxing subdivision. The taxes levied and revenues collected under this section shall be in lieu of any general property tax and any tax levied with respect to the privilege of using or occupying a manufactured or mobile home in Ohio except as provided in Ohio Rev. Code §4503.04 and 5741.02.
- (J) An agreement to purchase or a bill of sale for a manufactured home shall show whether or not the furnishings and equipment are included in the purchase price.
- (K) If the county treasurer and the county prosecuting attorney agree that an item charged on the delinquent manufactured home tax list is uncollectible, they shall certify that determination and the reasons to the county board of revision. If the board determines that amount is uncollectible, it shall certify its determination to the county auditor, who shall strike the item from the list.

under division (D)(4) of this section, to have the home taxed under division (D)(2) of this section. The true value shall include the value of the home, any additions, and any fixtures, but not any furnishings in the home. In determining the true value of a manufactured or mobile home, the auditor shall consider all facts and circumstances relating to the value of the home, including its age, its capacity to function as a residence, any obsolete characteristics, and other factors that may tend to prove its true value.

- (2)
 - (a) If a manufactured or mobile home has been the subject of an arm's length sale between a willing seller and a willing buyer within a reasonable length of time prior to the determination of true value, the auditor shall consider the sale price of the home to be the true value for taxation purposes.
 - (b) The sale price in an arm's length transaction between a willing seller and a willing buyer shall not be considered the true value of the home if either of the following occurred after the sale:
 - (i) The home has lost value due to a casualty;
 - (ii) An addition or fixture has been added to the home.
- (3) The auditor shall have each home viewed and appraised at least once in each six-year period in the same year in which real property in the county is appraised pursuant to Ohio Rev. Code §5713, and shall update the appraised values in the third calendar year following the appraisal. The person viewing or appraising a home may enter the home to determine by actual view any additions or fixtures that have been added since the last appraisal. In conducting the appraisals and establishing the true value, the auditor shall follow the procedures set forth for appraising real property in Ohio Rev. Code §5713.01 and 5713.03.
- (4) The auditor shall place the true value of each home on the manufactured home tax list upon completion of an appraisal.
- (5)
 - (a) If the auditor changes the true value of a home, the auditor shall notify the owner of the home in writing, delivered by mail or in person. The notice shall be given at least thirty days prior to the issuance of any tax bill that reflects the change. Failure to receive the notice does not invalidate any proceeding under this section.
 - (b) Any owner of a home or any other person or party listed in division (A)(1) of Ohio Rev. Code §5715.19 may file a complaint against the true value of the home as appraised under this section. The complaint shall be filed with the county auditor on or before the thirty-first day of March of the current tax year, or the date of closing of the collection for the first half of manufactured home taxes for the current tax year, whichever is later. The auditor shall present to the county board of revision all complaints filed with the auditor under this section. The board shall hear and investigate the complaint and may take action on it as provided under Ohio Rev. Code §5715.11 to 5715.19.

- (c) If the county board of revision determines, pursuant to a complaint against the valuation of a manufactured or mobile home filed under this section, that the amount of taxes, assessments, or other charges paid was in excess of the amount due based on the valuation as finally determined, then the overpayment shall be refunded in the manner prescribed in Ohio Rev. Code §5715.22.
 - (d) Payment of all or part of a tax under this section for any year for which a complaint is pending before the county board of revision does not abate the complaint or in any way affect the hearing and determination thereof.
- (M) If the county auditor determines that any tax, assessment, charge, or any part thereof has been erroneously charged as a result of a clerical error as defined in Ohio Rev. Code §319.35, the county treasurer and the county board of revision shall remove the erroneous charges on the manufactured home tax list or delinquent manufactured home tax list, and refund any erroneous charges that have been collected, with interest, in the same manner as is prescribed in Ohio Rev. Code §319.36 for erroneous charges against real property.
- (N) As used in this section and Ohio Rev. Code §4503.061:
 - (1) "Manufactured home taxes" includes taxes, penalties, and interest charged under division (C) or (G) of this section and any penalties charged under division (G) or (H)(5) of Ohio Rev. Code §4503.061.
 - (2) "Current taxes" means all manufactured home taxes charged against a manufactured or mobile home that have not appeared on the manufactured home tax list for any prior year. Current taxes become delinquent taxes if they remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent.
 - (3) "Delinquent taxes" means:
 - (a) Any manufactured home taxes that were charged against a manufactured or mobile home for a prior year, including any penalties or interest charged for a prior year and the costs of publication under division (H)(2) of this section, and that remain unpaid;
 - (b) Any current manufactured home taxes charged against a manufactured or mobile home that remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent, including any penalties or interest and the costs of publication under division (H)(2) of this section.

- (D)
- (1) All owners of manufactured or mobile homes subject to the manufactured home tax being relocated to or having situs in a county that has not adopted a permanent registration system, as provided in division (F) of this section, shall register the home within thirty days after the home is relocated or first acquires situs under Ohio Rev. Code §4503.06 and thereafter shall annually register the home with the county auditor of the county containing the taxing district in which the home has its situs.
 - (2) Upon the annual registration, the county treasurer shall issue a tax bill stating the amount of annual manufactured home tax due under Ohio Rev. Code § 4503.06, as provided in division (D)(6) of that section.  - (b) An endorsement of the county auditor that the manufactured home transfer tax imposed pursuant to Ohio Rev. Code §322.06 and any fees imposed under division (F) of Ohio Rev. Code § 319.54 have been paid.
 - (2) If all the taxes have not been paid, the clerk shall notify the vendee to contact the county treasurer of the county containing the taxing district in which the home has its situs at the time of the proposed transfer. The county treasurer shall then collect all the taxes that are due for the year of the transfer and all previous years not exceeding a total of five years. The county treasurer shall distribute that part of the collection owed to the county treasurer of other counties if the home had its situs in another county during a particular year when the unpaid tax became due and payable. The burden to prove the situs of the home in the years that the taxes were not paid is on the transferor of the home. Upon payment of such taxes, the county auditor shall remove all remaining taxes from the manufactured home tax list and the delinquent manufactured home tax list, and the county treasurer shall release all liens for such taxes. The clerk of courts shall issue a certificate of title, free and clear of all liens for manufactured home taxes, to the transferee of the home.
 - (3) Once the transfer is complete and the certificate of title has been issued, the transferee shall register the manufactured or mobile home pursuant to division (C) or (D) of this section with the county auditor of the county containing the taxing district in which the home remains after the transfer or, if the home is relocated to another county, with the county auditor of the county to which the home is relocated. The auditor shall charge five dollars for the notice, and deposit the amount to the credit of the county real estate assessment fund to be used to pay the costs of administering this section and Ohio Rev. Code §4503.06. The auditor shall not issue a relocation notice unless all taxes owed on the home under Ohio Rev. The county auditor shall provide to each manufactured and mobile home dealer, without charge, a supply of relocation notices to be distributed to purchasers pursuant to this section.
- (3) The notice shall be in the form of a one-foot square yellow sign with the words "manufactured home relocation notice" printed prominently on it. The name of the owner of the home, the home's registration number or vehicle identification number, the county and the address or location to which the home is being moved, and the county in which the notice is issued shall also be entered on the notice.
- (4) The relocation notice must be attached to the rear of the home when the home is being moved on a public road. TAX SETTLEMENTS

County Treasurer's Manual

TAX SETTLEMENTS

SETTLEMENT FOR REAL AND PUBLIC UTILITY PROPERTY TAXES; CERTIFICATION OF DELINQUENT LIST Ohio Rev. Code §319.43

- (A) On or before the fifteenth day of February and on or before the tenth day of August of each year, the county auditor shall attend at the auditor's office to make settlement with the county treasurer and ascertain the amount of real property taxes and assessments and public utility property taxes with which such treasurer is to stand charged. At each August settlement the auditor shall take from the duplicate previously put into the hands of the treasurer for collection a list of all such taxes and assessments as the treasurer has been unable to collect, describing in such list the property on which the delinquent taxes and assessments are charged as described on the duplicate, and note on the list, in a marginal column, the several reasons assigned by the treasurer why such taxes and assessments should not be collected. Such list shall be signed by the treasurer, who shall testify to its correctness, under oath to be administered by the auditor.

- (B) When making a settlement required by this section, if the county treasurer, under division (A) or (B) of section 321.341 of the Revised Code, has made advance payments to the several taxing districts of the current year unpaid taxes or current year delinquent taxes by means of a current unpaid or delinquent tax line of credit or by means of any other type of borrowing, the county auditor shall not apportion the current year unpaid taxes or current year delinquent taxes thereafter collected if the distribution of the taxes and assessments was made by means of such borrowing. The county treasurer shall apply the current year unpaid taxes or current year delinquent taxes, as applicable and upon collection, to repayment or reimbursement of the source from which the money to make the advance payments was borrowed. The county auditor shall not apportion the penalties and interest on such current year unpaid taxes and current year delinquent taxes collected thereafter to the several subdivisions. The county treasurer shall retain the penalties and interest in the county treasury and shall credit the penalties and interest to the county land reutilization corporation fund established under section 321.263 of the Revised Code pending appropriation to and for the benefit of a county land reutilization corporation organized under Chapter 1724 of the Revised Code.

SETTLEMENT BY AUDITOR WITH TREASURER FOR TAXES; CERTIFICATION OF DELINQUENT TAX AND ASSESSMENT LIST BY TREASURER; LIABILITY OF TREASURER Ohio Rev. Code §319.49

On or before the thirtieth day of June and on or before the thirty-first day of October of each year the county auditor shall attend at his office to make settlement with the county treasurer and ascertain the amount of general personal and classified property taxes with which such treasurer is to stand charged.

At each October settlement, the auditor shall take from the duplicates previously put into the hands of the treasurer for collection a list of all such taxes and assessments as the treasurer has been unable to collect, describing in such list the assessments on which such delinquent taxes are charged, as described on the duplicates, and note on the list, in a marginal column, the several reasons assigned by the treasurer why such taxes could not be collected. Such list shall be signed by the treasurer, who shall testify to the correctness of the list, under oath to be administered by the auditor. After deducting the amount of such taxes as returned delinquent and the collection fees allowed the treasurer from the several taxes charged on the duplicates in a just and ratable proportion, the treasurer shall be held liable for the balance of such taxes. After first correcting any error which may have occurred in the apportionment of taxes at any previous settlement, the auditor shall certify the balance due the state, the balance due the county, and the balance due each other taxing district, and shall record such list of delinquencies in his office forthwith.

At each such settlement, the auditor shall allow to the treasurer, on the moneys received or collected and accounted for by the treasurer, the treasurer's fees, at the rate or percentage allowed by law, at a full settlement of the treasurer.

The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as real property taxes.

County Treasurer's Manual

SETTLEMENT BY COUNTY TREASURER WITH COUNTY AUDITOR; ALLOWANCE OF FEES Ohio Rev. Code §321.24 (continued)

The amount distributed to each taxing district shall be reduced by the total of the amounts computed for the district under Ohio Rev. The tax commissioner shall make available to taxing districts such information as is sufficient for a taxing district to be able to determine the amount of the reduction in its distribution under this section.

- (G) (1) Within thirty days after the day of the settlement required in division (D) of this section, the county treasurer shall notify the tax commissioner that the settlement has been completed. Upon receipt of that notification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified under former Ohio Rev. Code §319.311 and paid in the state's fiscal year 2003 multiplied by the percentage specified in division (G)(2) of this section. The payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall distribute the amount thereof among the various taxing districts of the county as if it had been levied, collected, and settled as personal property taxes. The amount received by a taxing district under this division shall be apportioned among its funds in the same proportion as the current year's personal property taxes are apportioned.
- (2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former Ohio Rev. Code §319.311 and paid under division (G)(1) of this section in the state's fiscal year 2003:

County Treasurer's Manual

SETTLEMENT BY COUNTY TREASURER WITH COUNTY AUDITOR; ALLOWANCE OF FEES Ohio Rev. Code §321.24 (continued)

- (I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code. Within ninety days after the receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified by the treasurer. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges that the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as manufactured home taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as manufactured home taxes.

ADVANCE PAYMENT TO LOCAL AUTHORITIES Ohio Rev. Code §321.34

The pertinent parts of Section 321.34 reads as follows:

When the local authorities by resolution so request, the county auditor shall pay on draft to township clerks, treasurers of municipal corporations, the treasurer of any board of education, and the treasurer of any other political subdivision or taxing district whose funds derived from taxes or other sources are payable by law to the county treasurer, any money that may be in the county treasury to the accounts of such local authorities, respectively, and lawfully applicable to the purpose of the current fiscal year in which such request is made. The auditor and county treasurer shall retain any amounts needed to make such payments of obligations of local political subdivisions or taxing districts as are required by law to be paid directly by the county authorities.

The request of a local authority for payment or advance payment under this section of any money in the county treasury to the accounts of the local authorities in no way abrogates the right of a county treasurer to advance payment of current year unpaid taxes or current year delinquent taxes under section 321.341 of the Revised Code, and to retain the penalties and interest on those taxes upon their collection as authorized by that section. Nothing in this section prohibits a county treasurer from making an advance payment of a local authority under section 321.341 of the Revised Code, notwithstanding that a local authority has not requested advance payment by resolution as otherwise provided in this section.

ADVANCE PAYMENT OF UNPAID TAXES TO TAXING DISTRICTS Ohio Revised Code §321.341

- (A) Within one hundred twenty days after the last day on which the first installment of current taxes may be paid without penalty, the county treasurer of a county in which a county land reutilization corporation is organized under Chapter 1724. of the Revised Code, in the treasurer's sole discretion, may advance the payment of current year unpaid taxes that are due and payable to any of the taxing districts, upon presentation of the warrant by the county auditor. The treasurer may make advance payment of the current year unpaid taxes from one or more of the following:
 - (1) Collections of taxes and assessments during the one-hundred-twenty-day period;

 - (4) Any other source of funds lawfully available for that purpose.
- (B) Within one hundred twenty days after the last day on which the second installment of current taxes may be paid without penalty, the county treasurer, in the treasurer's sole discretion, may advance the payment of current year delinquent taxes to any of the taxing districts, upon presentation of the warrant by the county auditor. SECTION VIII

COLLECTION OF TAXES

County Treasurer's Manual

COLLECTION OF TAXES

POWER OF COUNTY TREASURER TO BECOME RECEIVER OF LAND; PROCEDURE; EXCEPTION Ohio Rev. Code §323.49

- (A) In addition to all other means provided by law for collecting taxes and assessments charged upon real estate specifically as such and penalties and interest charged on any tax list and duplicate or delinquent land tax list in any county against any entry of real estate, the county treasurer at any time after any installment of such taxes and assessments has been delinquent for more than six months and remains due and unpaid shall apply by petition to the court of common pleas to be appointed receiver ex officio of the rents, issues, and income of the real property against which such taxes and assessments are charged, for the purpose of satisfying out of such rents, issues, and income the taxes and assessments upon such real property, together with the penalties, interest, and costs charged or thereafter becoming chargeable on any tax list and duplicate, or otherwise collectible in respect thereof, and such costs and expenses of the receivership as are allowed by the court.
- (B) If the proper parties are before the court, it shall be sufficient for the treasurer to allege in such petition the description of such real property that appears on the tax list and duplicate, that the money appearing to be due and unpaid by the tax list and duplicate or by the delinquent land tax list has been due and unpaid for more than six months, and that the treasurer believes that the collection thereof can be made by applying the rents, issues, and income of such real property thereto, without setting forth in the petition any other or special matter relating thereto. The prayer of the petition shall be that the court make an order that the rents, issues, and income of such real property be applied to the payment of the amount set forth in the petition, and if a penalty is otherwise chargeable by law on all or any part of such amount, to the payment of such penalty to the date of final entry in such action, and that the plaintiff be appointed receiver ex officio of such rents, issues, and income for that purpose.
- (C) In such proceedings the treasurer may join in one action any number of lots or lands, but the decree and any orders shall be rendered separately, and any proceedings may be severed in the decision of the court for the purpose of trial or appeal, where an appeal is allowed, and the court shall make such order for payment of costs as it deems equitable.
- (D) The tax duplicate or the delinquent land tax certificate filed by the auditor with the prosecuting attorney shall be prima-facie evidence of the trial of such action of the amount and validity of the taxes, assessments, and charges appearing due and unpaid thereon and of the nonpayment thereof. The petition of the treasurer shall be verified and shall be prima-facie evidence of all other facts therein stated.
- (E) This section does not apply to any of the following:
 - (1) Real estate entirely used and occupied in good faith by the owner thereof as a private residence;
 - (2) The collection of delinquent taxes and assessments charged against real property, the payment of which is subject to a delinquent tax contract entered into pursuant to the Ohio Rev. Code §323.31, so long as the delinquent tax contract remains in effect.
 - (3) The collection of delinquent taxes charged against real property that is the subject of an application for exemption from taxation pursuant to the Ohio Rev. Code §5715.27.

POWER OF COUNTY TREASURER TO BECOME RECEIVER OF LAND; PROCEDURE; EXCEPTION Ohio Rev. Code §323.49 (continued)

- (F) A county treasurer appointed under this section as receiver ex officio of the rents, issues, and income of the real property against which the delinquent taxes, assessments, penalties, interest, and charges are charged, with consent of the court, may enter into a written agreement with a county land reutilization corporation organized under Chapter 1724 of the Revised Code for the corporation, acting as the treasurer's agent, to exercise all powers granted to the treasurer under this section and the order of appointment as receiver ex officio.

DECISION OF COURT; RENTAL VALUE OF COMMERCIAL PROPERTY; ABILITY TO COLLECT TAXES FROM INCOME; DISCHARGE OF RECEIVER Ohio Rev. Code §323.50

In proceedings brought under the Ohio Rev. Code §323.49, finding shall be entered of the amount of taxes and assessments found due and unpaid, of the penalty, interest, costs, and charges, and of the probable annual amount of the rents, issues and income of such real property, together with the probable costs and expenses of the receivership. If such real property is used in whole or in part by the owner thereof for manufacturing, mercantile, industrial, commercial, or other business purposes, the court of common pleas shall find the annual rental value thereof, which shall be considered as rents, issues and income of such real property for the purposes of this section. If the court finds that the amount due and unpaid, together with penalty, interest, costs, and other charges, and the costs and expenses of the receivership applied for can be so collected, the court shall order the same to be satisfied out of the rents, issues, and income of such property, shall appoint the county treasurer receiver ex officio thereof, and may consent to the agency of a county land reutilization corporation if requested by the treasurer in a petition filed under division (F) of section 323.49 of the Revised Code; provided that if the court finds that the aggregate probable annual amount of the rents, issues, and income of such real property joined in any one such action is less than two thousand dollars, it shall be conclusively presumed that the amount due and unpaid, together with penalty, interest, costs, and other charges, cannot be collected, and in such event no such order shall be made and the proceedings shall be dismissed, but the court in such event shall adjudge the costs of the proceedings against the defendant unless it is found that the action was improvidently filed, in which event the costs may be adjudged against the treasurer who shall pay the same from an appropriation made for such purposes by the board of county commissioners. Such receiver or the receiver's agent shall not be required to give bond other than the treasurer's official bond. Upon application of any proper party, the court shall, after a full hearing, order the receiver or the receiver's agent to pay out of the rents, issues, and income collected by the receiver or the receiver's agent from such property such expenses in connection with the maintenance and operation of the property as the court finds necessary to secure the greatest income from such property, and shall from such rents, issues, and income order the payment of premiums for fire, windstorm, and public liability insurance.

If the real property is used in whole or in part by the owner thereof for manufacturing, mercantile, industrial, commercial, or other business purposes, the court shall order such owner to pay to the receiver or the receiver's agent in equal monthly installments, in advance, the annual rental value of such real property, as found by the court, until the amount for satisfaction of which such appointment was made, together with costs and expenses of the receivership have been paid in full. If any such installment of rent is not paid when due, such order shall have the effect of a writ authorizing the receiver or the receiver's agent summarily to evict such owner from such real property and to exclude such owner from the use and occupation thereof until such order is complied with. Whenever the amount for the satisfaction of which such appointment has been made, has been fully satisfied out of the rents, issues, and income collected by the receiver or the receiver's agent from such property, and the discharge of the receiver or the receiver's agent has been decreed by the court, the proceedings shall be dismissed, and the owner or any person interested in the real property may upon presentation of a certified copy of the final decree of the court to the treasurer receive receipted tax bills for the payment of the taxes so satisfied.

The compensation allowed in accordance with this section on settlements made on or before the dates prescribed by law, or the reduced compensation allowed in accordance with this section on settlements made after the dates prescribed by law or any lawful extension of such date, shall be apportioned ratably by the auditor and deducted from the shares or portion of the revenue payable to the State as well as to the county, township, corporations, and school districts. ADVANCE PAYMENT OF INSTALLMENTS OF SPECIAL ASSESSMENT; CANCELLATION OF INSTALLMENTS; USE OF MONEY Ohio Rev. Code §323.071

The taxing authority of any political subdivision which levies any special assessment or reassessment payable in installments over a period of more than one year may by resolution authorize its fiscal officer to accept payment in cash of all of the installments of such assessments or reassessments charged against any lot or parcel of land and not due at the time such resolution is adopted. Such taxing authority may waive the payment of interest included in such installments, except that if such installments are pledged to payment of outstanding bonds or notes, interest upon such installments must be collected at the rate borne by such bonds or notes up until the time when the amount of such bonds or notes, not less than the amount of such installments, can be paid, redeemed, or purchased according to their terms or by agreement with their holders.

If such installments have been certified to the county auditor for collection, the fiscal officer of the subdivision shall, upon the payment of such installments, certify the fact of payment to said auditor, who shall thereupon cancel such installments upon his records.

If any bonds or notes issued in anticipation of the levy or collection of such installments are outstanding, the money derived from such payments shall be used only for the payment, redemption, or purchase of, and the payment of interest on, such bonds or notes, and if the subdivision has no such bonds or notes outstanding, such money shall be used for the payment of any other funded debt of the subdivision. If the subdivision has no funded debt, such money shall be credited to its general fund and used for the purposes thereof.

Any assessment in the amount of twenty-five dollars or less, or any unpaid balance of twenty-five dollars or less, shall be paid in full, and not in installments, at the time the first or next installment would otherwise become due and payable.

APPORTIONMENT OF UNPAID SPECIAL ASSESSMENTS Ohio Rev. Code §319.42

Whenever a portion of a tract or parcel of real estate is conveyed to another owner, and such tract or parcel bears unpaid special assessments, the authority certifying such assessments shall, on request of the county auditor, furnish the auditor with the proportionate amounts of the assessments to be allocated to the portion of the original tract or parcel so conveyed to another owner, and the lien of the assessments, as levied against the original tract or parcel, shall extend to the portion conveyed only to the extent of the amount so allocated to the portion by the certifying authority. This section does not change the total amount of the assessments as originally levied, or the total amount of the balances due.

SUPREME COURT DECISION

Where a part of a tract of land is acquired by a public authority by condemnation, the court would be neither authorized, under Section General Code No. 2595 (Ohio Rev. Code §319.42), nor would have general equity power, to apportion installments of special assessments to become due in the future between the land appropriated and the residue. In such a case it is the duty of the court to either make the advance payments, as provided in General Code No. 5677 (Ohio Rev. Code §5719.16), or to set aside a sufficient sum to pay, from the compensation fund, any special assessment liens payable in the future, before making any payments from such fund to the landowner. Boyle v. Middleburgh Realty Co., 75 Ohio App. 368, 62 N.E.2d 262, 31 Ohio Op. 130 (1944).

DEFINITIONS; PREPAYMENTS Ohio Rev. Code §321.45

- (A) (1) (a) A county treasurer may enter into a written agreement with any taxpayer for the payment of current taxes, upon mutually agreed on terms and conditions, under which both of the following occur:
- (i) The taxpayer agrees to tender prepayments of taxes on a parcel of property or manufactured or mobile home listed on the tax duplicate in the name of the taxpayer;
 - (ii) If a discount is not given under division (B)(2) of this section any earnings on prepayments in an escrow fund or depository account shall be paid to the credit of a special interest account to be used by the treasurer only for the payment of the expenses incurred in establishing and administering the system for collecting prepayments under division (B)(1) of this section.
- (b) A county treasurer and a taxpayer may enter into both a written agreement for the payment of current taxes under division (B)(1)(a) of this section and a written contract for the payment of delinquent taxes under Ohio Rev. Code §323.31.
- (2) In addition to providing for the items numerated in division (B)(1) of this section, the agreement may provide for the treasurer to invest prepayments held in the escrow or depository account, subject to Chapter 135. of the Ohio Revised Code, and apply the investment earnings thereon, after deducting an amount to pay the expenses incurred by the treasurer in establishing and administering the prepayment system, as a discount against the total taxes due of each taxpayer entering into such an agreement. The balance applied to the discounts shall be apportioned among taxpayers in such a manner that the

County Treasurer's Manual

DEFINITIONS; PREPAYMENTS Ohio Rev. Code §321.45 (continued)

discount credited to a taxpayer for each parcel of residential real property for which taxes are prepaid is commensurate with the amount of current taxes due and the length of time current taxes are held in escrow. Discounts accruing to prepayments made for a tax year shall be applied against total taxes due for the ensuing tax year. No discount shall be apportioned to a taxpayer who fails to pay the total taxes due or fails to make prepayments pursuant to the terms of the agreement.

- (B) A prepayment accepted by a treasurer under an agreement under division (B) of this section does not constitute a payment of taxes until it is applied toward the payment of taxes as provided in this section. A separate prepayment agreement is required for each parcel of property, except that a taxpayer who makes prepayments on more than one parcel may enter into a single agreement covering all of the parcels. The single agreement shall specify the manner in which each prepayment shall be apportioned among the parcels. The treasurer shall keep a separate record for each parcel showing the date and the amount of each prepayment.
- (C) No treasurer shall fail to apply prepayments toward the payment of taxes as required pursuant to an agreement entered into under division (B) of this section.

COMPENSATION FOR SERVICES; FEES; PAYMENTS TO REAL ESTATE ASSESSMENT FUND AND TAX ASSESSMENT COLLECTION FUND; REPORTS Ohio Rev. Code §319.54

- (A) On all moneys collected by the county treasurer on any tax duplicate of the county, other than estate tax duplicates, and on all moneys received as advance payments of personal property and classified property taxes, the county auditor, on settlement with the treasurer and tax commissioner, on or before the date prescribed by law for such settlement or any lawful extension of such date, shall be allowed as compensation for the county auditor's services the following percentages:
 - (1) On the first one hundred thousand dollars, two and one-half percent;
 - (2) On the next two million dollars, eight thousand three hundred eighteen ten-thousandths of one percent;
 - (3) On the next two million dollars, six thousand six hundred fifty-five ten-thousandths of one percent.
 - (4) On all further sums, one thousand six hundred sixty-three ten thousandths of one percent.

If any settlement is not made on or before the date prescribed by law for such settlement or any lawful extension of such date, the aggregate compensation allowed to the auditor shall be reduced one per cent for each day such settlement is delayed after the prescribed date. No penalty shall apply if the auditor and treasurer grant all requests for advances up to ninety per cent of the settlement pursuant to section 321.34 of the Revised Code. The compensation allowed in accordance with this section on settlements made before the dates prescribed by law, or the reduced compensation allowed in accordance with this section on settlements made after the date prescribed by law or any lawful extension of such date, shall be apportioned ratably by the auditor and deducted from the shares or portions of the revenue payable to the state as well as to the county, townships, municipal corporations, and school districts.

County Treasurer's Manual

PAYMENTS TO DELINQUENT TAX AND ASSESSMENT COLLECTION FUND; USE OF EXCESS AMOUNTS Ohio Rev. Code §321.261

(A) In each county treasury there shall be created the treasurer's delinquent tax and assessment collection fund and the prosecuting attorney's delinquent tax and assessment collection fund. Except as otherwise provided in this division, two and one-half per cent of all delinquent real property, personal property, and manufactured and mobile home taxes and assessments collected by the county treasurer shall be deposited in the treasurer's delinquent tax and assessment collection fund, and two and one-half per cent of such delinquent taxes and assessments shall be deposited in the prosecuting attorney's delinquent tax and assessment collection fund. The board of county commissioners shall appropriate to the county treasurer from the treasurer's delinquent tax and assessment collection fund, and shall appropriate to the prosecuting attorney from the prosecuting attorney's delinquent tax and assessment collection fund, money to the credit of the respective fund, and except as provided in division (D) of this section, the appropriation shall be used only for the following purposes:

- (1) By the county treasurer or the county prosecuting attorney in connection with the collection of delinquent real property, personal property, and manufactured and mobile home taxes and assessments, including proceedings related to foreclosure of the state's lien for such taxes against such property;
- (2) With respect to any portion of the amount appropriated from the treasurer's delinquent tax and assessment collection fund for the benefit of the county land reutilization corporation organized under Chapter 1724 of the Revised Code, the county land reutilization corporation. Upon the deposit of amounts in the treasurer's delinquent tax and assessment collection fund, any amounts allocated at the direction of the treasurer to the support of the county land reutilization corporation shall be paid out of such fund to the corporation upon a warrant of the county auditor.

If the balance in the treasurer's or prosecuting attorney's delinquent tax and assessment collection fund exceeds three times the amount deposited into the fund in the preceding year, the treasurer or prosecuting attorney, on or before the twentieth day of October of the current year, may direct the county auditor to forgo the allocation of delinquent taxes and assessments to that officer's respective fund in the ensuing year. If the county auditor receives such direction, the auditor shall cause the portion of taxes and assessments that otherwise would be credited to the fund under this section in that ensuing year to be allocated and distributed among taxing units' funds as otherwise provided in this chapter and other applicable law.

(B) During the period of time that a county land reutilization corporation is functioning as such on behalf of a county, the board of county commissioners, upon the request of the county treasurer, may designate by resolution that an additional amount, not exceeding five per cent of all collections of delinquent real property, personal property, and manufactured and mobile home taxes and assessments, shall be deposited in the treasurer's delinquent tax and assessment collection fund and be available for appropriation by the board for the use of the corporation. Any such amounts so deposited and appropriated under this division shall be paid out of the treasurer's delinquent tax and assessment collection fund to the corporation upon a warrant of the county auditor.

(C) Annually by the first day of December, the county treasurer and the prosecuting attorney each shall submit a report to the board of county commissioners regarding the use of the moneys appropriated from their respective delinquent tax and assessment collection funds. Each report

County Treasurer's Manual

PAYMENTS TO DELINQUENT TAX AND ASSESSMENT COLLECTION FUND; USE OF EXCESS AMOUNTS Ohio Rev. Code §321.261 (continued)

shall specify the amount appropriated from the fund during the current calendar year, an estimate of the amount so appropriated that will be expended by the end of the year, a summary of how the amount appropriated has been expended in connection with delinquent tax collection activities or land reutilization, and an estimate of the amount that will be credited to the fund during the ensuing calendar year.

The annual report of a county land reutilization corporation required by section 1724.05 of the Revised Code shall include information regarding the amount and use of the moneys that the corporation received from the treasurer's delinquent tax and assessment collection fund.

- (D) (1) In any county, if the county treasurer or prosecuting attorney determines that the delinquent tax and assessment collection fund exceeds the amount required to be used as prescribed by division (A) of this section, the county treasurer or prosecuting attorney may expend the excess to prevent residential mortgage foreclosures in the county and to address problems associated with other foreclosed real property. The amount used for that purpose in any year may not exceed the amount that would cause the fund to have a reserve of less than twenty per cent of the amount expended in the preceding year for the purposes of division (A) of this section. The county treasurer or prosecuting attorney may not expend any money from the officer's fund for the purpose of land reutilization unless the county treasurer or prosecuting attorney obtains the approval of the county investment advisory committee established under section 135.341 of the Revised Code.

Money authorized to be expended under division (D)(1) of this section shall be used to provide financial assistance in the form of loans to borrowers in default on their home mortgages, including for the payment of late fees, to clear arrearage balances, and to augment moneys used in the county's foreclosure prevention program. The money also may be used to assist municipal corporations or townships in the county, upon their application to the county treasurer, prosecuting attorney, or the county department of development, in the nuisance abatement of deteriorated residential buildings in foreclosure, or vacant, abandoned, tax-delinquent, or blighted real property, including paying the costs of boarding up such buildings, lot maintenance, and demolition.

- (2) In a county having a population of more than one hundred thousand according to the department of development's 2006 census estimate, if the county treasurer or prosecuting attorney determines that the balance to the credit of that officer's corresponding delinquent tax and assessment collection fund exceeds the amount required to be used as prescribed by division (A) of this section, the county treasurer or prosecuting attorney may expend the excess to assist townships or municipal corporations located in the county as provided in division (D) (2) of this section, provided that the combined amount so expended each year in a county shall not exceed three million dollars. Upon application for the funds by a township or municipal corporation, the county treasurer or prosecuting attorney may assist the township or municipal corporation in abating foreclosed residential nuisances, including paying the costs of securing such buildings, lot maintenance, and demolition. At the prosecuting attorney's discretion, the prosecuting attorney also may apply the funds to costs of prosecuting alleged violations of criminal and civil laws governing real estate and related transactions, including fraud and abuse.

ATTORNEY GENERAL'S OPINION

Ohio Attorney General Op. No. 97-030 states that the county treasurer is charged with the duty of collecting taxes and penalties on delinquent personal and classified property list, together with applicable interest. When the proceeds of a tax levy are received by the fiscal officer of the subdivision, in this case the county treasurer, they must be deposited in the subdivision's treasury "to the credit of the appropriate fund." The "appropriate fund" is the fund that receives the proceeds of the levy that generated the tax.

however, a person entering into a delinquent tax contract who owns and occupies residential real property may request, and the treasurer shall allow, a delinquent tax contract providing for payment in installments over a period of no fewer than two years after the date of the first payment made under the contract.

- (5) For each delinquent tax contract entered into under division (A) of this section, the county treasurer shall determine and shall specify in the delinquent tax contract the number of installments, the amount of each installment, and the schedule for payment of the installments. Except as otherwise provided for taxes, penalties, and interest under division (B) of section 319.43 of the Revised Code, the part of each installment payment representing taxes and penalties and interest thereon shall be apportioned among the several taxing districts in the same proportion that the amount of taxes levied by each district against the entry in the preceding tax year bears to the taxes levied by all such districts against the entry in the preceding tax year. The part of each payment representing assessments and other charges shall be credited to those items in the order in which they became due. Each payment made to a taxing district shall be apportioned among the taxing district's several funds for which taxes or assessments have been levied.
 - (6) When an installment payment is not received by the treasurer when due under a delinquent tax contract entered into under division (A) of this section or any current taxes or special assessments charged against the property become unpaid, the delinquent tax contract becomes void unless the treasurer permits a new delinquent tax contract to be entered into; if the treasurer does not permit a new delinquent tax contract to be entered into, the treasurer shall certify to the auditor that the delinquent tax contract has become void.
 - (7) Upon receipt of certification described in division (A)(6) of this section, the auditor shall destroy the duplicate copy of the voided delinquent tax contract. If such copy has been filed with the prosecuting attorney, the auditor immediately shall deliver the certification to the prosecuting attorney, who shall attach it to the appropriate certificate and the duplicate copy of the voided delinquent tax contract or strike through the asterisk entered in the margin of the master list next to the entry for the tract or lot that is subject of the voided delinquent tax contract. The prosecuting attorney then shall institute a proceeding to foreclose the lien of the state in accordance with section 323.25, sections 323.65 to 323.79, or section 5721.18 of the Revised Code or, in the case of delinquent vacant land, a foreclosure proceeding in accordance with section 323.25, sections 323.65 to 323.79, or section 5721.18 of the Revised Code, or a foreclosure and forfeiture proceeding in accordance with Ohio Rev. Code §5721.14. In the case of a manufactured or mobile home, the county treasurer shall cause a civil action to be brought as provided under division (H) of Ohio Rev. Code §4503.06.
- (B) If there is an outstanding tax certificate respecting a delinquent parcel under Ohio Rev. Code §5721.32 or §5721.33, a written delinquent tax contract may not be entered into under this section. To redeem a tax certificate in installments, the owner or other person seeking to redeem the tax certificate shall enter into a redemption payment plan under division (C) of Ohio Rev. Code §5721.38.

UNDERTAKING BEFORE FORECLOSURE TO PAY DELINQUENT TAXES IN INSTALLMENTS; CONDITIONS VOIDING AGREEMENT FOR FAILURE TO PAY ON TIME Ohio Rev. Code §323.31 (continued)

- (C) As used in this section, 'unpaid current taxes' means any current taxes charged on the general tax list and duplicate of real and public utility property or the manufactured home tax list and duplicate that remain unpaid after the last day prescribed for payment of the first installment of such taxes without penalty, and any penalties associated with such taxes.

REDEMPTION OF DELINQUENT LAND Ohio Rev. Code §5721.25

Ohio Rev. Code §5721.25 states in part that, "After a foreclosure proceeding has been instituted, but before the filing of an entry of confirmation of sale pursuant to the proceeding or before the expiration of the alternative redemption period as may apply under Ohio Rev. Code §323.78, any person entitled to redeem the land who has not previously defaulted on a delinquent tax contract under Ohio Rev. Code §323.31 with respect to that delinquent land may enter into a delinquent tax contract with the county treasurer for the payment of the taxes, assessments, penalties, interest, and charges found to be due and unpaid on such land, together with the costs incurred in the proceeding as determined by the court or board of revision, upon demonstrating that the property is in compliance with all applicable zoning regulations, land use restriction, and building, health, and safety codes. The execution of a delinquent tax contract shall not stop the prosecution of a proceeding to judgment. The delinquent tax contract shall be paid as prescribed by §323.31 of the Revised Code over a period not to exceed five years after the date of the first payment made under the contract. The delinquent tax contract may be terminated if the court or board of revision determines that the property is not in compliance with all applicable zoning regulations, land use restrictions, and building, health, and safety codes during the term of the contract. The court or board of revision shall retain jurisdiction over the delinquent land until the total amount set forth in the delinquent tax contract is paid, notwithstanding any conveyance of the land to another owner during the period that the delinquent tax contract is outstanding."

If any payment under a delinquent tax contract is not paid when due, or if the contract is terminated because the property is not in compliance with all applicable zoning regulations, land use restrictions, and building, health, and safety codes, the county treasurer shall, at the time the payment is due and unpaid or the contract is terminated, advise the court or board of revision rendering the judgment of foreclosure, and the court or board of revision shall order such land sold for the amount of taxes, assessments, penalties, interest, and charges then due and owing on such land in the manner provided in Ohio Rev. Code §5721.19, or disposed of as otherwise applicable under Ohio Rev. Code §323.65 to §323.79, without appraisal or sale.

Upon the receipt of each payment pursuant to any delinquent tax contract, the county treasurer shall enter the amount of such payment on the tax duplicate, and, upon request, shall give a receipt for the amount paid to the person paying it. The receipt shall be in the form prescribed by the tax commissioner.

Except as otherwise provided in this section, the portion of the amount tendered under this section representing taxes, and penalties and interest thereon, shall be apportioned among the several taxing districts in the same proportion that the amount of taxes levied by each district against the delinquent property in the preceding tax year bears to the taxes levied by all such districts against the property in the preceding tax year. The portion of the payment representing assessments and other charges shall be credited to those items in the order in which they became due. To the extent that the county treasurer, under Ohio Rev. Code §321.341, had made advance payments to the several taxing districts, from sources other than the later collection of such taxes, of the current year unpaid taxes or current year delinquent

taxes during the year when such taxes were levied for collection, such taxes, together with the penalties and interest charged on such taxes during such year, shall, upon collection, not be apportioned among the several taxing districts, but shall be retained by the county treasurer and applied in accordance with Ohio Rev. Code §321.341.

COLLECTION OF PAST DUE TAXES BY DISTRESS; ADVERTISEMENT; REAL ESTATE EXCEPTION; FEES Ohio Rev. Code §5719.081

When taxes are past due and unpaid, the county treasurer may distrain sufficient goods and chattels belonging to the person charged with such taxes, if such goods and chattels are found within the county, to pay the taxes remaining due, any penalty and interest thereon, and the costs that have accrued. Such treasurer shall immediately advertise in three public places in the township where the property was taken the time and the place it will be sold. If the taxes, penalty, interest and costs accrued on the property are not paid before the day appointed for such sale, which shall be not less than ten days after the taking of the property, the treasurer shall sell it at public venue or so much of the property as will pay such taxes, penalty, interest and costs.

For making distress and sale for the payment of taxes, the treasurer shall be allowed the same fees as are allowed to constables for making levy and sale of property on execution. Traveling fees shall be computed from the county seat to the place of making the distress.

PROCEEDINGS WHEN UNABLE TO COLLECT TAXES BY DISTRESS Ohio Rev. Code §5719.082

If the county treasurer is unable to collect by distress taxes assessed upon a person, corporation, executor, administrator, guardian, receiver, accounting officer, agent, or factor, he shall apply to the clerk of the court of common pleas in his county at any time after the semiannual settlement of the treasurer with the county auditor, and the clerk shall cause notice to be served upon such corporation, executor, administrator, guardian, receiver, accounting officer, agent, or factor, requiring him to show cause why he should not pay such taxes and any penalty and interest thereon. If he fails to show sufficient cause, the court of common pleas, at the term to which such notice is returnable, shall enter a rule against him for such payment and the costs of the proceedings, which rule shall have the same force and effect as a judgment and shall be enforced by attachment or execution or such process as the court directs.

ATTORNEY GENERAL'S OPINIONS

There is no authority for remission or compromise of a claim for personal taxes not erroneously or negligently charged; but where the taxes are not fully collectible because of insolvency of the taxpayer and existence of prior liens against his property subject to be seized and sold for taxes, the county treasurer may collect less than the sum charged under the direct authority of the court. 1922 Op. Att'y. Gen. No. 22-2950.

ATTORNEY GENERAL'S OPINIONS (continued)

Where it appears that the county treasurer will be unable to collect the full amount of personal property tax, due to encumbrances in excess of the value of real property owned by a delinquent taxpayer, such treasurer may, under the authority of the Ohio Rev. Code §323.19, seek and obtain an order of the court of common pleas and accept a lesser amount than appears on the personal property tax duplicate, provided the delinquent taxpayer has shown sufficient cause and such court has made a finding and issued an order to that effect. 1959 Op. Att'y. Gen. No. 856.

TAX BILL AS TO DEFICIENCY ASSESSMENT; ADDITIONAL PENALTY; DELINQUENT TAXES; REMISSION OF PENALTY Ohio Rev. Code §5711.33

- (A) (1) When a county treasurer receives a certificate from a county auditor pursuant to division (A) of the Ohio Rev. Code §5711.32 charging the treasurer with the collection of an amount of taxes due as the result of a deficiency assessment, the treasurer shall immediately prepare and mail a tax bill to the taxpayer owing such tax. The tax bill shall contain the name of the taxpayer; the taxable value, tax rate, and tax charged for each year being assessed; the total amount of taxes due; the final date payment may be made without additional penalty; and any other information the treasurer considers pertinent or necessary. Taxes due and payable as a result of a deficiency assessment, less any amount specifically excepted from collection under division (B) of the Ohio Rev. Code §5711.32, shall be paid with interest thereon as prescribed by the Ohio Rev. Code §5719.041 on or before the sixtieth day following the date of issuance of the certificate by the county auditor. The balance of taxes found due and payable after a final determination by the tax commissioner or a final judgment of the board of tax appeals or any court to which such final judgment may be appealed, shall be paid with interest thereon as prescribed by the Ohio Rev. Code §5719.041 on or before the sixtieth day following the date of certification by the auditor to the treasurer pursuant to division (C) of the Ohio Rev. Code §5711.32 of such final determination or judgment. Such final dates for payment shall be determined and exhibited on the tax bill by the treasurer.
- (2) If, on or before the sixtieth day following the date of a certification of a deficiency assessment under division (A) of the Ohio Rev. Code §5711.32 or of a certification of a final determination or judgment under division (C) of the Ohio Rev. Code §5711.32, the taxpayer pays the full amount of taxes and interest due at the time of the receipt of certification with respect to that assessment, determination, or judgment no interest shall accrue or be charged with respect to that assessment, determination, or judgment for the period that begins on the first day of the month in which the certification is made and that ends on the last day of the month preceding the month in which such sixtieth day occurs.
- (B) When the taxes charged, as mentioned in division (A) of this section, are not paid within the time prescribed by such division, a penalty of ten percent of the amount due and unpaid and interest for the period described in division (A)(2) of this section shall accrue at the time the treasurer closes the treasurer's office for business on the last day so prescribed, but if the taxes are paid within ten days subsequent to the last day prescribed, the treasurer shall waive the collection of and the auditor shall remit one-half of the penalty. The treasurer shall not thereafter accept less than the full amount of taxes and penalty except as otherwise authorized by law. Such penalty shall be distributed in the same manner and at the same time as the tax upon which it has accrued. The whole amount collected shall be included in the next succeeding settlement of appropriate taxes.

TAX BILL AS TO DEFICIENCY ASSESSMENT; ADDITIONAL PENALTY; DELINQUENT TAXES; REMISSION OF PENALTY Ohio Rev. Code §5711.33 (continued)

- (C) When the taxes charged, as mentioned in division (A) of this section, remain unpaid after the final date for payment prescribed by such division, such charges shall be deemed to be delinquent taxes. The county auditor shall cause such charges, including the penalty which has accrued pursuant to this section, to be added to the delinquent tax duplicate in accordance with the Ohio Rev. Code §5719.04.
- (D) The county auditor, upon consultation with the county treasurer, shall remit a penalty imposed under division (B) of this section or division (D) of the Ohio Rev. Code §5719.03 for the late payment of taxes when:
- (1) The taxpayer could not make timely payment of the tax because of the negligence or error of the county auditor or county treasurer in the performance of a statutory duty relating to the levy or collection of such tax.
 - (2) In cases other than those described in division (D)(1) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.
 - (3) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax, if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.
 - (4) The taxpayer demonstrates that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.
 - (5) In cases other than those described in divisions (D)(1) to (4) of this section, the taxpayer's failure to make timely payment of the tax is due to reasonable cause and not willful neglect.
- (E) The taxpayer, upon application within sixty days after the mailing of the county auditor's decision, may request the tax commissioner to review the denial of the remission of a penalty by the county auditor. The application may be filed in person or by certified mail. If the application is filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal service shall be treated as the date of filing. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer and to the county treasurer and county auditor, who shall correct the tax list and duplicate accordingly. The commissioner may issue orders and instructions for the uniform implementation of this section by all county auditors and county treasurers, and such orders and instructions shall be followed by such officers.

County Treasurer's Manual

REMISSION OF ILLEGALLY ASSESSED TAXES OR LATE PAYMENT PENALTY Ohio Rev. Code §5715.39

The tax commissioner may remit real property taxes, manufactured home taxes penalties, and interest found by the commissioner to have been illegally assessed. The commissioner also may remit any penalty charged against any real property or manufactured or mobile home that was the subject of an application for exemption from taxation under the Ohio Rev. Code §5715.27 if the commissioner determines that the application requested such exemption in good faith. The commissioner shall include notice of the remission in the commissioner's certification to the county auditor required under that section.

The commissioner, on application by a taxpayer, shall remit a penalty for late payment of any real property taxes or manufactured home taxes when:

- (A) The taxpayer could not make timely payment of the tax because of the negligence or error of the auditor or treasurer in the performance of a statutory duty relating to the levy or collection of such tax.
- (B) In cases other than those described in division (A) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.
- (C) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.
- (D) The taxpayer demonstrates to the satisfaction of the commissioner that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the U.S. postal service on or before the last day for payment of such tax. A private meter post mark on an envelope is not a valid post mark for the purposes of establishing the date of payment of such tax.

The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer, to the county treasurer, and to the county auditor, who shall correct the tax list and duplicate accordingly.

This section shall not provide to the taxpayer any remedy with respect to any matter that the taxpayer may be authorized to complain of under the provisions of the Ohio Rev. Code §4503.06, §5715.19, 5717.02, and 5727.47.

Applications for remission, and documents of any kind related to those applications, filed with the tax commissioner under this section, are public records within the meaning of the Ohio Rev. Code §149.43, unless otherwise excepted under that section.

The complaint shall name all parties having any interest of record in the abandoned land that was discovered in the title search.
- (B) (1) In accordance with Civil Rule 4, the clerk of court promptly shall serve notice of the summons and the complaint filed under division (A) of this section to the last known address of the record owner of the abandoned land and to the last known address of each lienholder or other person having a legal or equitable ownership interest or security interest of record identified by the title search. The notice shall inform the addressee that delinquent taxes stand charged against the abandoned land; that the land will be sold at public auction or otherwise disposed of if not redeemed by the owner or other addressee; that the sale or transfer will occur at a date, time, and place, and in the manner prescribed in sections 323.65 to 323.79 of the Revised Code; that the owner or other addressee may redeem the land by paying the total of the impositions against the land at any time before confirmation of sale or transfer of the parcel as prescribed in sections 323.65 to 323.79 of the Revised Code or before the expiration of the alternative redemption period, as may be applicable to the proceeding; that the case is being prosecuted by the prosecuting attorney of the county in the name of the county treasurer for the county in which the abandoned land is located or by a certificate holder, whichever is applicable; of the name, address, and telephone number of the county board of revision before which the action is pending; of the board case number for the action, which shall be maintained in the official file and docket of the clerk of court; and that all subsequent pleadings, petitions, and papers associated with the case and filed by any interested party must be filed with the clerk of court and will become part of the case file for the board of revision.
- (2) The notice required by division (B)(1) of this section also shall inform the addressee that any owner of record may, at any time on or before the twentieth day after service of process is perfected, file a pleading with the clerk of court requesting that the board dismiss the complaint and order that the abandoned land identified in the notice be removed from the abandoned land list. The notice shall further inform the addressee that, upon filing such a pleading to remove the abandoned land from that list, the abandoned land will be removed from the list and cannot thereafter be disposed of under sections 323.65 to 323.79 of the Revised Code, until the record owner of the abandoned land who is provided notice under division (B)(1) of this section sells or otherwise conveys the owner's ownership interest, and that any future attempts to collect delinquent taxes,

interest, penalties, and charges owed with respect to that land and appearing on the delinquent tax list or delinquent vacant land tax list, whichever the case may be, will be conducted in accordance with the judicial foreclosure proceedings and other remedies and procedures prescribed under sections 323.25 to 323.28 or under Chapters 5721., 5722., and 5723. of the Revised Code until the record owner sells or otherwise conveys the owner's ownership interest.

- (C) Subsequent pleadings, motions, or papers associated with the case and filed with the clerk of court shall be served upon all parties of record in accordance with Civil Rules 4 and 5, except that service by publication in any case requiring such service shall require that any such publication shall be advertised in the manner, and for the time periods and frequency, prescribed in section 5721.18 of the Revised Code. A party that fails to appear after being served with notice of a final or interim hearing, by publication or otherwise, shall be deemed to be in default, and no further service as to any subsequent proceedings is required on such a party. Any inadvertent noncompliance with those rules does not serve to defeat or terminate the case, or subject the case to dismissal, as long as actual notice or service of filed papers is shown by a preponderance of the evidence or is acknowledged by the party charged with notice or service, including by having made an appearance or filing in relation to the case. The county board of revision may conduct evidentiary hearings on the sufficiency of process, service of process, or sufficiency of service of papers in any proceeding arising from a complaint filed under this section. Other than the notice and service provisions contained in Civil Rules 4 and 5, the Rules of Civil Procedure shall not be applicable to the proceedings of the board. The board of revision may utilize procedures contained in the Rules of Civil Procedure to the extent that such use facilitates the needs of the proceedings, such as vacating orders, correcting clerical mistakes, and providing notice to parties. To the extent not otherwise provided in sections 323.65 to 323.79 of the Revised Code, the board may apply the procedures prescribed by sections 323.25 to 323.28 or Chapters 5721, 5722, and 5723 of the Revised Code. Board practice shall be in accordance with the practice and rules, if any, of the board that are promulgated by the board under section 323.66 of the Revised Code and are not inconsistent with sections 323.65 to 323.79 of the Revised Code.
- (D) At any time after a foreclosure action is filed under this section, the county board of revision may, upon its own motion, dismiss the case without prejudice if it determines that, given the complexity of the case or other circumstances, a court would be a more appropriate forum for the action.

Ohio Rev. Code §323.70

- (A) Subject to this section and to sections 323.71 and 323.72 of the Revised Code, a county board of revision shall conduct a final hearing on the merits of a complaint filed under section 323.69 of the Revised Code, including the validity or amount of any impositions alleged in the complaint, not sooner than thirty days after the service of notice of summons and complaint has been perfected. If, after a hearing, the board finds that the validity or amount of all or a portion of the impositions is not supported by a preponderance of the evidence, the board may order the county auditor to remove from the tax list and duplicate amounts the board finds invalid or not supported by a preponderance of the evidence. The auditor shall remove all such amounts from the tax list and duplicate as ordered by the board of revision, including any impositions asserted under sections 715.26 and 715.261 of the Revised Code.

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (B) If, on or before the twentieth day after service of process is perfected under division (B) of section 323.69 of the Revised Code, a record owner or the United States government files with the clerk of court a motion requesting that the county board of revision order the complaint to be dismissed and the abandoned land removed from the abandoned land list, the board shall, without conducting a hearing on the matter, promptly dismiss the complaint for foreclosure of that land and order the land to be removed from the list. Thereafter, until the record owner sells or otherwise conveys the owner's ownership interest, any attempts to collect delinquent taxes, interest, penalties, and charges owed with respect to that land and appearing on the delinquent tax list or delinquent vacant land tax list, whichever the case may be, shall be conducted in accordance with the judicial foreclosure proceedings and other remedies and procedures prescribed under sections 323.25 to 323.28 or under Chapters 5721., 5722., and 5723. of the Revised Code.

Ohio Rev. Code §323.71

- (A) (1) If the county board of revision, upon its own motion or pursuant to a hearing under division (A)(2) of this section, determines that the impositions against a parcel of abandoned land that is the subject of a complaint filed under section 323.69 of the Revised Code exceed the fair market value of that parcel as currently shown by the latest valuation by the auditor of the county in which the land is located, then the board may proceed to hear and adjudicate the case as provided under sections 323.70 and 323.72 of the Revised Code. Upon entry of an order of foreclosure, the parcel may be disposed of as prescribed by division (G) of section 323.73 of the Revised Code.

If the board of revision, upon its own motion or pursuant to a hearing under division (A)(2) of this section, determines that the impositions against a parcel do not exceed the fair market value of the parcel as shown by the county auditor's then-current valuation of the parcel, the parcel shall not be disposed of as prescribed by division (G) of section 323.73 of the Revised Code, but may be disposed of as otherwise provided in section 323.73, 323.74, 323.75, 323.77, or 323.78 of the Revised Code.

- (2) By a motion filed not later than seven days before a final hearing on a complaint is held under section 323.70 of the Revised Code, an owner or lienholder may file with the county board of revision a good faith appraisal of the parcel from a licensed professional appraiser and request a hearing to determine whether the impositions against the parcel of abandoned land exceed or do not exceed the fair market value of that parcel as shown by the auditor's then-current valuation of that parcel. If the motion is timely filed, the board of revision shall conduct a hearing and shall make a factual finding as to whether the impositions against the parcel exceed or do not exceed the fair market value of that parcel as shown by the auditor's then-current valuation of that parcel. An owner or lienholder must show by a preponderance of the evidence that the impositions against the parcel do not exceed the auditor's then-current valuation of the parcel in order to preclude the application of division (G) of section 323.73 of the Revised Code.
- (B) Any parcel of abandoned land for which the complaint is not dismissed and that is not removed from the abandoned land list in accordance with division (A) of this section or pursuant to a dismissal petition filed under division (B) of section 323.70 of the Revised Code shall be disposed of as prescribed in sections 323.65 to 323.79 of the Revised Code.

County Treasurer's Manual

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (C) Notwithstanding sections 323.65 to 323.79 of the Revised Code to the contrary, for purposes of determining in any proceeding under those sections whether the total of the impositions against the abandoned land exceed the fair market value of the abandoned land, it is prima-facie evidence and a rebuttable presumption that may be rebutted to the county board of revision that the auditor's then-current valuation of that abandoned land is the fair market value of the land, regardless of whether an independent appraisal has been performed.

Ohio Rev. Code §323.72

- (A) (1) At any time after a complaint is filed under section 323.69 of the Revised Code, and before a decree of foreclosure is entered, the record owner or another person having a legal or equitable ownership interest in the abandoned land may plead only that the impositions shown by the notice to be due and outstanding have been paid in full or are invalid or inapplicable in whole or in part, and may raise issues pertaining to service of process and the parcel's status as abandoned land.
- (2) At any time before confirmation of sale or transfer of abandoned land or before the expiration of the alternative redemption period, a lienholder or another person having a security interest of record in the abandoned land may plead that the impositions shown by the notice to be due and outstanding have been paid in full or, subject to division (C) of this section, that in order to preserve the lienholder's or other person's security interest of record in the land, the complaint should be dismissed and the abandoned land should be removed from the abandoned land list and not disposed of as provided in sections 323.65 to 323.79 of the Revised Code.
- (B) If the record owner or another person having a legal or equitable ownership interest in a parcel of abandoned land files a pleading with the county board of revision under division (A)(1) of this section, or if a lienholder or another person having a security interest of record in the abandoned land files a pleading with the board under division (A)(2) of this section that asserts that the impositions have been paid in full, the board shall schedule a hearing for a date not sooner than thirty days, and not later than ninety days, after the board receives the pleading. Upon scheduling the hearing, the board shall notify the person that filed the pleading and all interested parties, other than parties in default, of the date, time, and place of the hearing, and shall conduct the hearing. The only questions to be considered at the hearing are the amount and validity of all or a portion of the impositions, whether those impositions have in fact been paid in full, and, under division (A)(1) of this section, whether valid issues pertaining to service of process and the parcel's status as abandoned land have been raised. If the record owner, lienholder, or other person shows by a preponderance of the evidence that all impositions against the parcel have been paid, the board shall dismiss the complaint and remove the parcel of abandoned land from the abandoned land list, and that land shall not be offered for sale or otherwise conveyed under sections 323.65 to 323.79 of the Revised Code. If the record owner, lienholder, or other person fails to appear, or appears and fails to show by a preponderance of the evidence that all impositions against the parcel have been paid, the board shall proceed in the manner prescribed in section 323.73 of the Revised Code. A hearing under this division may be consolidated with any final hearing on the matter under section 323.70 of the Revised Code.

If the board determined that the impositions have been paid, then the board, on its own motion, may dismiss the case without a hearing.

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (C) If a lienholder or another person having a security interest of record in the abandoned land, other than the owner, timely files a pleading under division (A)(2) of this section requesting that the complaint be dismissed and the parcel of land be removed from the abandoned land list and not disposed of as provided in sections 323.65 to 323.79 of the Revised Code in order to preserve the lienholder's or other person's security interest, the county board of revision may approve the request if the board finds that the sale or other conveyance of the parcel of land under those sections would unreasonably jeopardize the lienholder's or other person's ability to enforce the security interest or to otherwise preserve the lienholder's or other person's security interest. The board may conduct a hearing on the request and make a ruling based on the available and submitted evidence of the parties. If the board approves the request without a hearing, the board shall file the decision with the clerk of court, and the clerk shall send a notice of the decision to the lienholder or other person by ordinary mail. In order for a lienholder or other person having a security interest to show for purposes of this division that the parcel of abandoned land should be removed from the list in order "to preserve the lienholder's or other person's security interest," the lienholder or other person must make a minimum showing by a preponderance of the evidence pursuant to section 323.71 of the Revised Code that the impositions against the parcel of abandoned land do not exceed the fair market value of the abandoned land as determined by the auditor's then-current valuation of that parcel, which valuation is presumed, subject to rebuttal, to be the fair market value of the land.
- (D) If a pleading as described in division (B) or (C) of this section is filed and the county board of revision approves a request made under those divisions, regardless of whether a hearing is conducted under division (C) of this section, the board shall dismiss the complaint.

If the county board of revision does not dismiss the complaint or does not approve a request as described in division (B) or (C) of this section after conducting a hearing, the board shall proceed with the final hearing prescribed in section 323.70 of the Revised Code and file its decision on the complaint for foreclosure with the clerk of court. The clerk shall send written notice of the decision to the parties by ordinary mail or by certified mail, return receipt requested. If the board renders a decision ordering the foreclosure and forfeiture of the parcel of abandoned land, the parcel shall be disposed of under section 323.73 of the Revised Code.

Ohio Rev. Code §323.73

- (A) Except as provided in division (G) of this section or section 323.78 of the Revised Code, a parcel of abandoned land that is to be disposed of under this section shall be disposed of at a public auction scheduled and conducted as described in this section. At least twenty-one days prior to the date of the public auction, the clerk of court or sheriff of the county shall advertise the public auction in a newspaper of general circulation that meets the requirements of section 7.12 of the Revised Code. The advertisement shall include the date, time, and place of the auction, the permanent parcel number of the land if a permanent parcel number system is in effect in the county as provided in section 319.28 of the Revised Code or, if a permanent parcel number system is not in effect, any other means of identifying the parcel, and a notice stating that the abandoned land is to be sold subject to the terms of sections 323.65 to 323.79 of the Revised Code.

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (B) The sheriff of the county or a designee of the sheriff shall conduct the public auction at which the abandoned land will be offered for sale. To qualify as a bidder, a person shall file with the sheriff on a form provided by the sheriff a written acknowledgment that the abandoned land being offered for sale is to be conveyed in fee simple to the successful bidder. At the auction, the sheriff of the county or a designee of the sheriff shall begin the bidding at an amount equal to the total of the impositions against the abandoned land, plus the costs apportioned to the land under section 323.75 of the Revised Code. The abandoned land shall be sold to the highest bidder. The county sheriff or designee may reject any and all bids not meeting the minimum bid requirements specified in this division.
- (C) Except as otherwise permitted under section 323.74 of the Revised Code, the successful bidder at a public auction conducted under this section shall pay the sheriff of the county or a designee of the sheriff a deposit of at least ten per cent of the purchase price in cash, or by bank draft or official bank check, at the time of the public auction, and shall pay the balance of the purchase price within thirty days after the day on which the auction was held. Notwithstanding section 321.261 of the Revised Code, with respect to any proceedings initiated pursuant to sections 323.65 to 323.79 of the Revised Code, from the total proceeds arising from the sale, transfer, or redemption of abandoned land, twenty per cent of such proceeds shall be deposited to the credit of the county treasurer's delinquent tax and assessment collection fund to reimburse the fund for costs paid from the fund for the transfer, redemption, or sale of abandoned land at public auction. Not more than one-half of the twenty per cent may be used by the treasurer for community development, nuisance abatement, foreclosure prevention, demolition, and related services or distributed by the treasurer to a land reutilization corporation. The balance of the proceeds, if any, shall be distributed to the appropriate political subdivisions and other taxing units in proportion to their respective claims for taxes, assessments, interest, and penalties on the land. Upon the sale of foreclosed lands, the clerk of court shall hold any surplus proceeds in excess of the impositions until the clerk receives an order of priority and amount of distribution of the surplus that are adjudicated by a court of competent jurisdiction or receives a certified copy of an agreement between the parties entitled to a share of the surplus providing for the priority and distribution of the surplus. Any party to the action claiming a right to distribution of surplus shall have a separate cause of action in the county or municipal court of the jurisdiction in which the land reposes, provided the board confirms the transfer or regularity of the sale. Any dispute over the distribution of the surplus shall not affect or revive the equity of redemption after the board confirms the transfer or sale.
- (D) Upon the sale or transfer of abandoned land pursuant to this section, the owner's fee simple interest in the land shall be conveyed to the purchaser. A conveyance under this division is free and clear of any liens and encumbrances of the parties named in the complaint for foreclosure attaching before the sale or transfer, and free and clear of any liens for taxes, except for federal tax liens and covenants and easements of record attaching before the sale.
- (E) The county board of revision shall reject the sale of abandoned land to any person if it is shown by a preponderance of the evidence that the person is delinquent in the payment of taxes levied by or pursuant to Chapter 307., 322., 324., 5737., 5739., 5741., or 5743. of the Revised Code or any real property taxing provision of the Revised Code. The board also shall reject the sale of abandoned land to any person if it is shown by a preponderance of the evidence that the person is delinquent in the payment of property taxes on any parcel in the county, or to a member of any of the following classes of parties connected to that person:

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (1) A member of that person's immediate family;
 - (2) Any other person with a power of attorney appointed by that person;
 - (3) A sole proprietorship owned by that person or a member of that person's immediate family;
 - (4) A partnership, trust, business trust, corporation, association, or other entity in which that person or a member of that person's immediate family owns or controls directly or indirectly any beneficial or legal interest.
- (F) If the purchase of abandoned land sold pursuant to this section or section 323.74 of the Revised Code is for less than the sum of the impositions against the abandoned land and the costs apportioned to the land under division (A) of section 323.75 of the Revised Code, then, upon the sale or transfer, all liens for taxes due at the time the deed of the property is conveyed to the purchaser following the sale or transfer, and liens subordinate to liens for taxes, shall be deemed satisfied and discharged.
- (G) If the county board of revision finds that the total of the impositions against the abandoned land are greater than the fair market value of the abandoned land as determined by the auditor's then-current valuation of that land, the board, at any final hearing under section 323.70 of the Revised Code, may order the property foreclosed and, without an appraisal or public auction, order the sheriff to execute a deed to the certificate holder or county land reutilization corporation that filed a complaint under section 323.69 of the Revised Code, or to a community development organization, school district, municipal corporation, county, or township, whichever is applicable, as provided in section 323.74 of the Revised Code. Upon a transfer under this division, all liens for taxes due at the time the deed of the property is transferred to the certificate holder, community development organization, school district, municipal corporation, county, or township following the conveyance, and liens subordinate to liens for taxes, shall be deemed satisfied and discharged.

Ohio Rev. Code §323.74

- (A) If a public auction is held for abandoned land pursuant to section 323.73 of the Revised Code, but the land is not sold at the public auction, the county board of revision may order the disposition of the abandoned land in accordance with division (B) or (C) of this section.
- (B) The abandoned land offered for sale at a public auction as described in section 323.73 of the Revised Code, but not sold at the auction, may be offered for sale in any usual and customary manner by the sheriff as other provided by law. The subsequent public auction may be held in the same manner as the public auction was held under section 323.73 of the Revised Code, but the minimum bid at an auction held under this division shall be the lesser of fifty per cent of fair market value of the abandoned land as currently shown by the county auditor's latest valuation, or the sum of the impositions against the abandoned land plus the costs apportioned to the land under section 323.75 of the Revised Code. Notice of any subsequent sale pursuant to this section may be given in the original notice of sale listing the time, date, and place of the subsequent sale.
- (C) Upon certification from the sheriff that abandoned land was offered for sale at a public auction as described in section 323.73 of the Revised Code but was not purchased, a community development organization or any school district, municipal corporation, county, or township in which the land is located may request that title to the land be transferred to the community

development organization, school district, municipal corporation, county, or township at the time described in this division. The request shall be delivered to the board of revision at any time from the date the complaint for foreclosure is filed under section 323.69 of the Revised Code, but not later than sixty days after the date on which the land was first offered for sale. The request shall include a representation that the organization, district, or political subdivision, not later than thirty days after receiving legal title to the abandoned land will begin basic exterior improvements that will protect the land from further unreasonable deterioration. The improvements shall include, but are not limited to, the removal of trash and refuse from the exterior of the premises and the securing of open, vacant, or vandalized areas on the exterior of the premises. The representation shall be deemed to have been given if the notice is supplied by an electing subdivision as defined in section 5722.01 of the Revised Code.

- (D) The county board of revision, upon any adjudication of foreclosure and forfeiture against the abandoned land, may order the sheriff to dispose of the abandoned land as prescribed in sections 323.65 to 323.79 of the Revised Code. The order by the board shall include instructions to the sheriff to transfer the land to the specified community development organization, school district, municipal corporation, county, or township after payment of the costs of disposing of the abandoned land pursuant to section 323.75 of the Revised Code or, if any negotiated price has been agreed to between the county treasurer and the community development organization, school district, municipal corporation, county, or township, after payment of that negotiated price as certified by the board to the sheriff.
- (E) Upon receipt of payment under this section, the sheriff shall convey by sheriff's deed the fee simple interest in, and to, the abandoned land. If the abandoned land is transferred pursuant to division (D) of this section, and the county treasurer reasonably determines that the transfer will result in the property being occupied, the county treasurer may waive, but is not required to waive, some or all of the impositions against the abandoned land or costs apportioned to the land under section 323.75 of the Revised Code.
- (F) Upon a transfer under this section, all liens for taxes due at the time the deed of the property is conveyed to a purchaser or transferred to a community development organization, school district, municipal corporation, county, or township, and liens subordinate to liens for taxes, shall be deemed satisfied and discharged.
- (G) Any parcel that has been advertised and offered for sale pursuant to foreclosure proceedings and has not sold for want of bidders or been otherwise transferred under sections 323.65 to 323.79 of the Revised Code shall be forfeited or otherwise disposed of in the same manner as lands under section 323.35 or 5721.18 or Chapter 5723 of the Revised Code.

Ohio Rev. Code §323.75

- (A) The county treasurer or county prosecuting attorney shall apportion the costs of the proceedings with respect to abandoned lands offered for sale at a public auction held pursuant to section 323.73 or 323.74 of the Revised Code among those lands according to actual identified costs, equally, or in proportion to the fair market values of the lands. The costs of the proceedings include the costs of conducting the title search, notifying record owners or other persons required to be notified of the pending sale, advertising the sale, and any other costs incurred by the county board of revision, county treasurer, county auditor, clerk of court, prosecuting attorney, or county sheriff in performing their duties under sections 323.65 to 323.79 of the Revised Code.

ABANDONED LAND Ohio Rev. Code §323.65 through §323.79 (continued)

- (B) All costs assessed in connection with proceedings under sections 323.65 to 323.79 of the Revised Code may be paid after they are incurred, as follows:
- (1) If the abandoned land in question is purchased at public auction, from the purchaser of the abandoned land;
 - (2) In the case of abandoned land transferred to a community development organization, school district, municipal corporation, county, or township under section 323.74 of the Revised Code, from either of the following:
 - (a) At the discretion of the county treasurer, in whole or in part from the delinquent tax and assessment collection funds created under section 321.261 of the Revised Code, allocated equally among the respective funds of the county treasurer and of the prosecuting attorney;
 - (b) From the community development organization, school district, municipal corporation, county, or township, whichever is applicable.
 - (3) If the abandoned land in question is transferred to a certificate holder, from the certificate holder.
- (C) If a parcel of abandoned land is sold or otherwise transferred pursuant to sections 323.65 to 323.79 of the Revised Code, the officer who conducted the sale or made the transfer, the prosecuting attorney, or the county treasurer may collect a recording fee from the purchaser or transferee of the parcel at the time of the sale or transfer and shall prepare the deed conveying title to the parcel or execute the deed prepared by the board for that purpose. That officer or the prosecuting attorney or treasurer is authorized to record on behalf of that purchaser or transferee the deed conveying title to the parcel, notwithstanding that the deed may not actually have been delivered to the purchaser or transferee prior to the recording of the deed. Receiving title to a parcel under sections 323.65 to 323.79 of the Revised Code constitutes the transferee's consent to an officer, prosecuting attorney, or county treasurer to file the deed to the parcel for recording. Nothing in this division shall be construed to require an officer, prosecuting attorney, or treasurer to file a deed or to relieve a transferee's obligation to file a deed. Upon confirmation of that sale or transfer, the deed shall be deemed delivered to the purchaser or transferee of the parcel.

Ohio Rev. Code §323.76

Upon the sale of abandoned land at public auction pursuant to section 323.73 or 323.74 of the Revised Code, or upon the county board of revision's order to the sheriff to transfer abandoned land to a community development organization, school district, municipal corporation, county, or township under section 323.74 of the Revised Code, any common law or statutory right of redemption shall forever terminate upon the occurrence of whichever of the following is applicable:

- (A) In the case of a sale of the land at public auction, upon the order of confirmation of the sale by the county board of revision and the filing of such order with the clerk of court who shall enter it upon the journal of the court or a separate journal;

- (B) In the case of a transfer of the land to a community development organization, school district, municipal corporation, county, or township under section 323.74 of the Revised Code, upon the filing with the clerk of court an order to transfer the parcel based on the adjudication of foreclosure by the county board of revision ordering the sheriff to transfer the land in fee simple to the community development organization, school district, municipal corporation, county, or township pursuant to such adjudication, which the clerk shall enter upon the journal of the court or a separate journal;
- (C)
 - (1) In the case of a transfer of the land to a certificate holder or county land reutilization corporation pursuant to division (G) of section 323.73 of the Revised Code, upon the filing with the clerk of court the county board of revision's order to the sheriff to execute a deed to the certificate holder or corporation based on the adjudication of foreclosure, which the clerk shall enter upon the journal of the court or a separate journal.
 - (2) In the case of an adjudication of foreclosure in which a court or board of revision has included in its adjudication decree that the alternative redemption period authorized in section 323.78 of the Revised Code applies, then upon the expiration of such alternative redemption period.

Ohio Rev. Code §323.77

- (A) As used in this section, "electing subdivision" has the same meaning as in section 5722.01 of the Revised Code.
- (B) At any time from the date the complaint for foreclosure is filed under section 323.69 of the Revised Code, but not later than sixty days after the date on which the land was first offered for sale, an electing subdivision or a county land reutilization corporation may give the county treasurer, prosecuting attorney, or board of revision notice in writing that it seeks to acquire any parcel of abandoned land, identified by parcel number, from the abandoned land list. If any such parcel of abandoned land identified under this section is offered for sale pursuant to section 323.73 of the Revised Code, but is not sold for want of a minimum bid, the electing subdivision or a county land reutilization corporation that identified that parcel of abandoned land shall be deemed to have appeared at the sale and submitted the winning bid at the auction, and the parcel of abandoned land shall be sold to the electing subdivision or corporation for no consideration other than the costs prescribed in section 323.75 of the Revised Code or those costs to which the electing subdivision or corporation and the county treasurer mutually agree. The conveyance shall be confirmed, and any common law or statutory right of redemption forever terminated, upon the filing with the clerk of court the order of confirmation based on the adjudication of foreclosure by the county board of revision, which the clerk shall enter upon the journal of the court or a separate journal.

If a county land reutilization corporation and an electing subdivision both request to acquire the parcel, the electing subdivision shall have priority to acquire the parcel. SYNOPSIS OF COUNTY TREASURER RELATED O.A.G. OPINIONS

OFFICE OF THE ATTORNEY GENERAL OF OHIO, OP. NO. 87-075. When a debtor in possession of real property voluntarily dismisses a bankruptcy action brought for reorganization under the Federal Bankruptcy Act, the lien for real estate taxes, penalties, and interest created by the Ohio Rev. Code § 323.11 attaches to land that was part of the bankruptcy estate. Dismissal of the bankruptcy action revives the obligation to pay interest on delinquent taxes and penalties in accordance with the Ohio Rev. Code § 323.121, including interest that would have accrued during the pendency of the bankruptcy but for the bankruptcy filing. The obligation of the debtor to pay such taxes, penalties, and interest is secured by the lien created under the Ohio Rev. Code § 323.11. If the debtor transfers the property after dismissing the bankruptcy action, the land remains subject to the lien, and the lien continues until the taxes, penalties, and interest are fully paid.

OFFICE OF THE ATTORNEY GENERAL OF OHIO, OPINION NO. 89-003. The payment of an increase in the premium cost of a group insurance policy for an elected county officer and his immediate dependents does not violate the prohibition of Ohio Constitution Article II #20 against an in-term increase of compensation of elected county officers, provided that the benefits procured are unchanged and the total percentage of the entire premium cost paid by the board of county commissioners remains the same.

OFFICE OF THE ATTORNEY GENERAL OF OHIO, OPINION NO. 91-057.

- (A) Construing the Ohio Rev. Code § 325.22 and the compensation schedules of Ohio Rev. Code Chapter 325 together, reductions in compensation for a county auditor, treasurer, sheriff, clerk of the court of common pleas, recorder, commissioner, prosecuting attorney, engineer, or coroner in a county where the population has decreased according to the results of the 1990 federal decennial census, are to be implemented at the commencement of each new term of office following receipt of the federal decennial census figures by the governor.
- (B) Division (D) the Ohio Rev. Code § 325.18 does not prevent elected county officers whose terms commence subsequent to receipt of the census figures from being placed in a compensation classification that is lower than the compensation classification of other county officers whose terms of office have not expired.

OFFICE OF THE ATTORNEY GENERAL OF OHIO, OPINION NO. 92-025.

Code § 135.35 with respect to instruments listed in division (A)(1) the Ohio Rev. Code § 135.35 that is managed by the county investing authority of such county, in accordance with any contractual limitations set forth in such agreement.

- (B) Subject to any charter provisions regulating the investment of the public moneys of a county and to any policies and limitations established by the county investment advisory committee, a county investing authority is authorized to invest the “inactive moneys” of a county in an investment program consisting of the types of instruments specified in division (A)(1) of Ohio Rev. Code §135.35 and repurchase agreements authorized by division(B) of Ohio Rev. Code §135.35 with respect to instruments listed in division (A)(1) of Ohio Rev. Code §135.35.
- (C) Subject to any statutes, rules, charter provisions, or other provisions of law regulating the investment of public funds authorized to be held by a department, official, or board of a county independently of such county's treasury, such department, official, or board may deliver such funds to the county investing authority for investment on behalf of such department, official, or board in an investment program consisting of the types of instruments specified in division (A)(1) the Ohio Rev. PART 2

SPECIAL TOPICS

County Treasurer's Manual

TOPIC 1 - INTERNAL CONTROL OVERVIEW

Internal control means a process effected by an entity's governing board, management and other personnel, designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

- (A) reliability of financial reporting;
- (B) effectiveness and efficiency of operations;
- (C) compliance with applicable laws and regulations; and
- (D) safeguarding assets.

All public officials are responsible for the design and operation of a system of internal control that is adequate to provide reasonable assurance regarding the achievement of objectives in each category. The concept of reasonable assurance relates to the idea that the costs of implementing a control should not exceed the benefits to be derived from the control. Entities should analyze the costs of various controls to determine the most effective approach.

Internal control consists of the following five interrelated components:

- (A) control environment sets the tone of an organization, influencing the control consciousness of its people. It is the foundation for all other components of internal control, providing discipline and structure.
- (B) risk assessment, which is the entity's identification and analysis of relevant risks to the achievement of its objectives, forming a basis for determining how the risks should be managed.
- (C) control activities, which are policies and procedures that help ensure management directives are carried out.
- (D) information and communication, which are the identification, capture, and exchange of information in a form and time frame that enable people to carry out their responsibilities.
- (E) monitoring is a process that assesses the quality of internal control performance over time.

When designing the public office's system of internal control and the specific control activities, management should consider the following:

- (A) ensure that all transactions are properly authorized in accordance with management's policies.

Authorization controls are designed to ensure adherence to management policies. To promote efficiency, an organization chart, job descriptions and a formal policy and procedures manual should be prepared. The staff should be technically competent and adequately supervised. In all situations where management input is necessary, approval should be sought and documented.

County Treasurer's Manual

TOPIC 1 - INTERNAL CONTROL OVERVIEW (continued)

(B) ensure that accounting records are properly designed.

(C) ensure adequate security of assets and records.

Physical safeguards should be utilized to protect assets, critical documents and records. Examples of physical safeguards include partitions limiting access to the cashier area, safes and security measures for making deposits. Established procedures should be implemented to limit access to the safe to authorized personnel. Cashiers could be assigned specific registers controlled by password code.

(D) plan for adequate segregation of duties or compensating controls.

Controls relating to segregation of duties are designed to detect errors and irregularities by structuring the work so that a discrepancy will be likely to be noticed by another employee in his normal job duties. In general, whenever possible employees should not perform incompatible functions. Employees responsible for having physical custody of money should not be involved with the accounting/recording function. Employees involved in the making of disbursements should not be involved with the reconciliation process. In some offices, it is difficult to adequately segregate duties because of size. To mitigate this weakness, a periodic review could be made of each job function to evaluate the accuracy of the work. Cross-training, job rotation and enforced vacation policies will enable other employees to perform different functions and possibly locate errors or irregularities. Other benefits of cross-training include better flexibility for scheduling and improved worker morale.

(E) verify the existence and valuation of assets and liabilities and periodically reconcile to the accounting records.

(F) perform analytical procedures to determine the reasonableness of financial data.

(G) ensure the collection and compilation of the data needed for the timely preparation of financial statements.

(H) monitor activities performed by service organizations.

Consideration should be given to the cost benefit of the controls. The cost of controls should not exceed their benefit.

County Treasurer's Manual

TOPIC 2 - THE BOARD OF REVISION

(A) General.

The County Board of Revision is a quasi-judicial body charged with the responsibility of hearing and adjudicating complaints as to the assessment of real property located in the county. The County Board of Revision is the first step within the property appeals process that can continue at the Board of Tax Appeals and then to the Supreme Court, or through the Court of Common Pleas, the Court of Appeals, and then to the Supreme Court. The Board has the power to administer oaths, to take sworn testimony, to summon individuals who are knowledgeable about the particular parcel of property in question, and to issue subpoenas for information.

The Board is comprised of the county treasurer, the county auditor, and the president of the board of county commissioners.

The basic standard the appraisal is measured against is fair market value. Fair market value is the price for which the property would be sold between unrelated parties in an "arms length transaction." It is assumed that both parties are knowledgeable of all the major facts of the transaction and neither is under pressure to buy or sell.

In Ohio, real property is taxed at thirty-five percent of true (fair market) value. The Board is concerned only with comparing the appraised value of the property with fair market value. No other considerations are valid. The evidence provided on behalf of the complainant should document why the values established by the county are unreasonable.

(B) Key Elements of a Board of Revision Hearing.

There must be a clear identification of the property in question. A thorough inspection of each property should be made by the entire Board of Revision or by an external appraisal company on behalf of the county. The county may engage an appraisal company to serve as technical consultants. The field inspection should be supplemented if possible with photographs (preferably 35 millimeter) as well as a comparison of the physical facts noted in the inspection with those recorded on the property card.

The burden of proof is placed on the complainant to disprove the valuation. To prevail, the complainant must provide evidence, facts, appraisals, comparable sales, etc. that clearly indicate that the valuation is unreasonable.

The evidence for a complainant is an outside fee appraisal or documentation of prices paid for similar real estate.

The board must determine the credibility of the complainant and the complainant's witnesses. Witnesses are typically asked about any fee structure imposed for testifying. Qualifications of an appraiser or other professional appearing on behalf of the complainant may be examined.

The hearing is a forum where the complainant's evidence is presented. The complainants have no right to cross-examine the assessment officials.

TOPIC 2 - THE BOARD OF REVISION (continued)

(C) Typical questions asked by the board:

- (1) Has there been a sale of this parcel of property within the past 24 months?
- (2) If the property has been sold, at what price did it change hands?
- (3) If the property was sold, were there special financing terms or considerations?
- (4) Did the parties have any common business interests?
- (5) Do you know of any homes near this property that are like it that have sold?
- (6) What is the casualty insurance value that you carry on the insurance policy?

(D) Considerations for the Board:

- (1) Shall the witnesses be sworn?
- (2) How shall the permanent record be made? (Tape or stenographer.)
- (3) Does the Board wish to engage an appraiser or other expert?
- (4) Does the Board wish to begin by cross-examining the complaining party or does the Board wish to have the complaining party make their presentation and then cross-examine?
- (5) If the complaint is based on a recent arms length transaction of the property in question, when did the sale take place with respect to the tax lien date covered by this complaint? This could be important if, for example, the values under the complaint are as of January 1 and the sale took place late in the year. Since the present owner did not own the property as of January 1 any tax savings or reduction granted by the Board of Revision may not be due the present owner.

TOPIC 3 – PUBLIC RECORDS – TRAINING, REQUESTS, RETENTION AND DISPOSAL

Section 109.43 of the Revised Code, effective 9/29/07, addresses training programs and seminars provided by the Attorney General's Office for elected officials, as follows:

- (A) As used in this section:
- (1) "Designee" means a designee of the elected official in the public office if that elected official is the only elected official in the public office involved or a designee of all of the elected officials in the public office if the public office involved includes more than one elected official.
 - (2) "Elected official" means an official elected to a local or statewide office. "Elected official" does not include the chief justice or a justice of the supreme court, a judge of a court of appeals, court of common pleas, municipal court, or county court, or a clerk of any of those courts.
 - (3) "Public office" has the same meaning as in section 149.011 of the Revised Code.
 - (4) "Public record" has the same meaning as in section 149.43 of the Revised Code.
- (B) The attorney general shall develop, provide, and certify training programs and seminars for all elected officials or their appropriate designees in order to enhance the officials' knowledge of the duty to provide access to public records as required by section 149.43 of the Revised Code. The training shall be three hours for every term of office for which the elected official was appointed or elected to the public office involved. The training shall provide elected officials or their appropriate designees with guidance in developing and updating their offices' policies as required under section 149.43 of the Revised Code. The successful completion by an elected official or by an elected official's appropriate designee of the training requirements established by the attorney general under this section shall satisfy the education requirements imposed on elected officials or their appropriate designees under division (E) of section 149.43 of the Revised Code. Prior to providing the training programs and seminars under this section to satisfy the education requirements imposed on elected officials or their appropriate designees under division (E) of section 149.43 of the Revised Code, the attorney general shall ensure that the training programs and seminars are accredited by the commission on continuing legal education established by the supreme court.
- (C) The attorney general shall not charge any elected official or the appropriate designee of any elected official any fee for attending the training programs and seminars that the attorney general conducts under this section. The attorney general may allow the attendance of any other interested persons at any of the training programs or seminars that the attorney general conducts under this section and shall not charge the person any fee for attending the training program or seminar.
- (D) In addition to developing, providing, and certifying training programs and seminars as required under division (B) of this section, the attorney general may contract with one or more other state agencies, political subdivisions, or other public or private entities to conduct the training programs and seminars for elected officials or their appropriate designees under this section. The contract may provide for the attendance of any other interested persons at any of the training programs or seminars conducted by the contracting state agency, political subdivision, or other public or private entity. The contracting state agency, political subdivision, or other public or private entity may charge an elected official, an elected official's appropriate designee, or an interested person a registration fee for attending the training program or seminar conducted by that contracting agency, political subdivision, or entity pursuant to a contract entered into under this division. The attorney general shall determine a reasonable amount for the registration fee based on the actual and necessary

expenses associated with the training programs and seminars. If the contracting state agency, political subdivision, or other public or private entity charges an elected official or an elected official's appropriate designee a registration fee for attending the training program or seminar conducted pursuant to a contract entered into under this division by that contracting agency, political subdivision, or entity, the public office for which the elected official was appointed or elected to represent may use the public office's own funds to pay for the cost of the registration fee.

- (E) The attorney general shall develop and provide to all public offices a model public records policy for responding to public records requests in compliance with section 149.43 of the Revised Code in order to provide guidance to public offices in developing their own public record policies for responding to public records requests in compliance with that section.
- (F) The attorney general may provide any other appropriate training or educational programs about Ohio's "Sunshine Laws," sections 121.22 and 149.43 of the Revised Code, as may be developed and offered by the attorney general or by the attorney general in collaboration with one or more other state agencies, political subdivisions, or other public or private entities.
- (G) The auditor of state, in the course of an annual or biennial audit of a public office pursuant to Chapter 117. of the Revised Code, shall audit the public office for compliance with this section and division (E) of section 149.43 of the Revised Code.

Section 149.43 of the Revised Code describes public records, records requests and policies to be followed in responding to public records requests. Sections 149.43(A)(1)(a) through (A)(11) describe in great detail what does and does not constitute a public record. Section 149.43 further describes the policies to be followed in responding to public records requests as follows:

- (B) (1) Upon request and subject to division (B)(8) of this section, all public records responsive to the request shall be promptly prepared and made available for inspection to any person at all reasonable times during regular business hours. Subject to division (B)(8) of this section, upon request, a public office or person responsible for public records shall make copies of the requested public record available at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.
- (2) To facilitate broader access to public records, a public office or the person responsible for public records shall organize and maintain public records in a manner that they can be made available for inspection or copying in accordance with division (B) of this section. A public office also shall have available a copy of its current records retention schedule at a location readily available to the public. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the

County Treasurer's Manual

person responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties.

- (3) If a request is ultimately denied, in part or in whole, the public office or the person responsible for the requested public record shall provide the requester with an explanation, including legal authority, setting forth why the request was denied. If the initial request was provided in writing, the explanation also shall be provided to the requester in writing. The explanation shall not preclude the public office or the person responsible for the requested public record from relying upon additional reasons or legal authority in defending an action commenced under division (C) of this section.
- (4) Unless specifically required or authorized by state or federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requestor's identity or the intended use of the requested public record constitutes a denial of the request.
- (5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory and that the requester may decline to reveal the requester's identity or the intended use and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.
- (6) If any person chooses to obtain a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require that person to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the person seeking the copy under this division. The public office or the person responsible for the public record shall permit that person to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the person seeking the copy makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the person seeking the copy. Nothing in this section requires a public office or person responsible for the public record to allow the person seeking a copy of the public record to make the copies of the public record.
- (7) Upon a request made in accordance with division (B) of this section and subject to division (B)(6) of this section, a public office or person responsible for public records shall transmit a copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the

copy. The public office or person responsible for the public record may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.

Any public office may adopt a policy and procedures that it will follow in transmitting, within a reasonable period of time after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to this division. A public office that adopts a policy and procedures under this division shall comply with them in performing its duties under this division.

In any policy and procedures adopted under this division, a public office may limit the number of records requested by a person that the office will transmit by United States mail to ten per month, unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes. For purposes of this division, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

- (8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.
- (9) Upon written request made and signed by a journalist on or after December 16, 1999, a public office, or person responsible for public records, having custody of the records of the agency employing a specified peace officer, parole officer, prosecuting attorney, assistant prosecuting attorney, correctional employee, youth services employee, firefighter, or EMT shall disclose to the journalist the address of the actual personal residence of the peace officer, parole officer, prosecuting attorney, assistant prosecuting attorney, correctional employee, youth services employee, firefighter, or EMT and, if the peace officer's, parole officer's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, youth services employee's, firefighter's, or EMT's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the peace officer's, parole officer's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, youth services employee's, firefighter's, or EMT's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

County Treasurer's Manual

TOPIC 3 – PUBLIC RECORDS – TRAINING, REQUESTS, RETENTION AND DISPOSAL (continued)

As used in this division, “journalist” means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a similar medium, for the purpose of gathering, processing, transmitting, compiling, editing, or disseminating information for the general public.

- (C) (1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to promptly prepare a public record and to make it available to the person for inspection in accordance with division (B) of this section or by any other failure of a public office or the person responsible for public records to comply with an obligation in accordance with division (B) of this section, the person allegedly aggrieved may commence a mandamus action to obtain a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, that awards court costs and reasonable attorney’s fees to the person that instituted the mandamus action, and, if applicable, that includes an order fixing statutory damages under division (C)(1) of this section. The mandamus action may be commenced in the court of common pleas of the county in which division (B) of this section allegedly was not complied with, in the supreme court pursuant to its original jurisdiction under Section 2 of Article IV, Ohio Constitution, or in the court of appeals for the appellate district in which division (B) of this section allegedly was not complied with pursuant to its original jurisdiction under Section 3 of Article IV, Ohio Constitution.

If a requestor transmits a written request by hand delivery or certified mail to inspect or receive copies of any public record in a manner that fairly describes the public record or class of public records to the public office or person responsible for the requested public records, except as otherwise provided in this section, the requestor shall be entitled to recover the amount of statutory damages set forth in this division if a court determines that the public office or the person responsible for public records failed to comply with an obligation in accordance with division (B) of this section.

The amount of statutory damages shall be fixed at one hundred dollars for each business day during which the public office or person responsible for the requested public records failed to comply with an obligation in accordance with division (B) of this section, beginning with the day on which the requester files a mandamus action to recover statutory damages, up to a maximum of one thousand dollars. The award of statutory damages shall not be construed as a penalty, but as compensation for injury arising from lost use of the requested information. The existence of this injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section.

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following:

- (a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the

requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

- (b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.
- (2)
- (a) If the court issues a writ of mandamus that orders the public office or the person responsible for the public record to comply with division (B) of this section and determines that the circumstances described in division (C)(1) of this section exist, the court shall determine and award to the relator all court costs.
 - (b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, the court may award reasonable attorney's fees subject to reduction as described in division (C)(2)(c) of this section. The court shall award reasonable attorney's fees, subject to reduction as described in division (C)(2)(c) of this section when either of the following applies:
 - (i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.
 - (ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.
 - (c) Court costs and reasonable attorney's fees awarded under this section shall be construed as remedial and not punitive. Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees. The court may reduce an award of attorney's fees to the relator or not award attorney's fees to the relator if the court determines both of the following:
 - (i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

- (ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records as described in division (C)(2)(c)(i) of this section would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.
- (D) Chapter 1347. of the Revised Code does not limit the provisions of this section.
- (E)
 - (1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. In addition, all public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.
 - (2) The public office shall distribute the public records policy adopted by the public office under division (E)(1) of this section to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. A public office that has established a manual or handbook of its general policies and procedures for all employees of the public office shall include the public records policy of the public office in the manual or handbook.
- (F)
 - (1) The bureau of motor vehicles may adopt rules pursuant to Chapter 119. of the Revised Code to reasonably limit the number of bulk commercial special extraction requests made by a person for the same records or for updated records during a calendar year. The rules may include provisions for charges to be made for bulk commercial special extraction requests for the actual cost of the bureau, plus special extraction costs, plus ten per cent. The bureau may charge for expenses for redacting information, the release of which is prohibited by law.
 - (2) As used in division (F)(1) of this section:
 - (a) "Actual cost" means the cost of depleted supplies, records storage media costs, actual mailing and alternative delivery costs, or other transmitting costs, and any direct equipment operating and maintenance costs, including actual costs paid to private contractors for copying services.

County Treasurer's Manual

TOPIC 3 – PUBLIC RECORDS – TRAINING, REQUESTS, RETENTION AND DISPOSAL (continued)

- (b) “Bulk commercial special extraction request” means a request for copies of a record for information in a format other than the format already available, or information that cannot be extracted without examination of all items in a records series, class of records, or data base by a person who intends to use or forward the copies for surveys, marketing, solicitation, or resale for commercial purposes. “Bulk commercial special extraction request” does not include a request by a person who gives assurance to the bureau that the person making the request does not intend to use or forward the requested copies for surveys, marketing, solicitation, or resale for commercial purposes.
 - (c) “Commercial” means profit-seeking production, buying, or selling of any good, service, or other product.
 - (d) “Special extraction costs” means the cost of the time spent by the lowest paid employee competent to perform the task, the actual amount paid to outside private contractors employed by the bureau, or the actual cost incurred to create computer programs to make the special extraction. “Special extraction costs” include any charges paid to a public agency for computer or records services.
- (3) For purposes of divisions (F)(1) and (2) of this section, “surveys, marketing, solicitation, or resale for commercial purposes” shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

Section 149.38 of the Revised Code pertains to the creation of a county records commission. The records commission is composed of a member of the board of county commissioners as chairperson, the prosecuting attorney, the auditor, the recorder, and the clerk of courts of common pleas.

The function of the county records commission is to:

“Provide rules for retention and disposal of records of the county and to review applications for one-time disposal of obsolete records and schedules of records retention and disposition submitted by county offices.”

County offices should identify the records that are generated. This process involves taking an inventory of the records, both current and obsolete, that are retained. These records should be evaluated to determine their function and value. It is by this process that the initial retention period is decided. This period ultimately may be amended by the records commission in determining the final retention period.

To evaluate the usefulness of each type of record, different values are assigned. A summary of these values is as follows:

Administrative Value - A record has administrative value if it is used by the office and agency in the performance of its official duties.

Fiscal Value - A record has fiscal value if it pertains to the receipt, transfer, payment, adjustment or encumbrance of funds, or if it is required for audit purposes.

County Treasurer's Manual

TOPIC 3 – PUBLIC RECORDS – TRAINING, REQUESTS, RETENTION AND DISPOSAL (continued)

Historical Value - A record has historical value if it documents an agency's organization, policies, decisions, procedures, operations, or other activities; or if it contains other significant information about people, places, or events.

Legal Value - A record has legal value if it documents or protects the rights or obligations of citizens or the agency that created it.

Records may be disposed of either by one-time disposal or on a periodic basis according to an approved schedule of record retention and destruction. The schedules or applications must be forwarded to the commission for approval or amendment.

Before records are destroyed, the Ohio Historical Society and the Auditor of State must be notified and given the opportunity to select and obtain records deemed to be of continuing historical value. The offices may take up to sixty days to review the records before they may be destroyed.

Before records are destroyed, a “certificate of records disposal” should be prepared. The certificate is the official record documenting the disposal.

To obtain further information pertaining to record retention and disposal issues, counties may contact their records commission, the Auditor of State, or the Ohio Historical Society.

TOPIC 4 - INVESTMENTS

Ohio Rev. Code §135.341 requires that a county investment advisory committee be established. The committee may consist of three members: the chairman of the board of county commissioners, another county commissioner designated by the chairman, and the county treasurer. If it is so desired, there may be a five member committee consisting of all three commissioners, the county treasurer, and the clerk of court of common pleas of the county. The committee elects its own chairperson, and all members serve the committee with no additional compensation. The committee meets at least every three months to review investment policies and to ensure the safest return of funds. The committee has the authority to retain the services of an investment advisor, as long as the advisor is registered with the securities and exchange commission and possesses public funds investment management experience, or the advisor is an eligible institution mentioned in section 135.03 of the Revised Code.

The investments by county treasurers in the state of Ohio are governed by Chapter 135 of the Ohio Revised Code. Statutes require the classification of moneys held by the county into two categories. Category 1 consists of "active" moneys, those moneys required to be kept in a "cash" or "near cash" status for current demands upon the county treasury. Such moneys must be maintained either as cash in the county treasury or in depository accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts.

Category 2 consists of "inactive moneys," those moneys in excess of the amount determined to be "active" moneys. Per Sec. 135.25(A): The investing authority shall deposit or invest any part or all of the county's inactive moneys and shall invest all of the money in the county library and local government support fund when required by section 135.252 of the Revised Code. The following classifications of securities and obligations are eligible for such deposit or investment:

- (1) United States treasury bills, notes, bonds, or any other obligation or security issued by the United States treasury or any other obligation guaranteed as to principal or interest by the United States;

Nothing in the classification of eligible securities and obligations set forth in division (A)(1) of this section or in the classifications of eligible securities and obligations set forth in divisions (A)(2) to (8) of this section shall be construed to authorize any investment in stripped principal or interest obligations of such eligible securities and obligations;

- (2) Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality, including but not limited to, the federal national mortgage association, federal home loan bank, federal farm credit bank, federal home loan mortgage corporation, government national mortgage association, and student loan marketing association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;
- (3) Time certificates of deposit or savings or deposit accounts, including, but not limited to passbook accounts, in any eligible institution mentioned in section 135.32 of the Revised Code;
- (4) Bonds and other obligations of this state or the political subdivisions of this state, provided that such political subdivision are located wholly or partly within the same county as the investing authority;

TOPIC 4 - INVESTMENTS (continued)

- (5) No-load money market mutual funds consisting exclusively of obligations described in division (A)(1) or (2) of this section and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions mentioned in section 135.32 of the Revised Code;
- (6) The Ohio subdivision's fund as provided in section 135.45 of the Revised Code;
- (7) Securities lending agreements with any eligible institution mentioned in section 135.32 of the Revised Code that is a member of the federal reserve system or federal home loan bank, under the terms of which agreements the investing authority lends securities and the eligible institution agrees to simultaneously exchange either securities described in division (A)(1) or (2) of this section or cash or both securities and cash, equal value for equal value;
- (8) Up to twenty-five per cent of the county's total average portfolio in either of the following investments:
 - (a) Commercial paper notes issued by an entity that is defined in division (D) of section 1705.01 of the Revised Code and that has assets exceeding five hundred million dollars, to which notes all of the following apply:
 - (i) The notes are rated at the time of purchase in the highest classification established by at least two nationally recognized standard rating services.
 - (ii) The aggregate value of the notes does not exceed ten per cent of the aggregate value of the outstanding commercial paper of the issuing corporation.
 - (iii) The notes mature not later than one hundred eighty days after purchase.
 - (b) Bankers acceptances of banks that are insured by the federal deposit insurance corporation and to which both of the following apply:
 - (i) The obligations are eligible for purchase by the federal reserve system.
 - (ii) The obligations mature not later than one hundred eighty days after purchase.

No investment shall be made pursuant to division (A)(8) of this section unless the investing authority has completed additional training for making the investments authorized by division (A)(8) of this section. The type and amount of additional training shall be approved by the auditor of state and may be conducted by or provided under the supervision of the auditor of state.

The main goal of the county treasurer is to coordinate the county spending with the active/inactive funds. The desire is to match short-term needs with the short-term deposits, and to match long-term needs with long-term investments. It is fiscally irresponsible to invest short-term funds in a long-term investment. This matching can be achieved by coordinating spending with estimates of income. Open communication is necessary between the auditor and the treasurer to plan the timing of the investments. The portfolio should be managed to maximize interest rates while keeping risk to a minimum.

The county treasurer must require the depository to provide as security an amount equal to the funds on deposit at all times. Such security may consist of federal deposit insurance, surety company bonds, or pledged securities.

TOPIC 4 - INVESTMENTS (continued)

Public unit accounts per the FDIC regulations, Title 12, Chapter III include:

- (a)(2) Each official of funds of any state of the United States or any county, municipality, or political subdivision thereof depositing the same in time or savings deposits in an insured bank in the same state shall be separately insured up to \$100,000.
- (a)(5) Each official custodian lawfully depositing such funds in demand deposits in an insured bank within the same State, District of Columbia, Commonwealth, possession or territory comprising the public unit or wherein the public unit is located, or in any form of deposit, whether time, savings or demand, in an insured bank outside such jurisdiction, shall be separately insured up to \$100,000.
- (a)(6) For purposes of this paragraph (a), if the same person is an official custodian of more than one public unit, he shall be separately insured with respect to the public funds held by him for each such unit, but shall not be separately insured by virtue of holding different offices in such unit, or except as provided in paragraph (b) of this section, holding such funds for different purposes.
- (b) Public bond issues. Where an officer, agent or employee of a public unit has custody of certain funds which by law or under the bond indenture are required to be paid to the holders of bonds issued by the public unit, any deposit of such funds in an insured bank shall be deemed to be a deposit by a trustee of trust funds of which the bondholders are pro rata beneficiaries, and each such beneficial interest shall be separately insured up to \$100,000.
- (c) Political subdivision. The term "political subdivision" includes any subdivision of a public unit, as defined in section 3(m) of the Federal Deposit Insurance Act, or any principal department of such unit. (1) The creation of which subdivision or department has been expressly authorized by State statute. (2) To which some functions of government have been delegated by State statute, and (3) to which funds have been allocated by statute or ordinance for its exclusive use and control. It also includes drainage, irrigation, navigation, improvement, levee, sanitary, school or power districts, and bridge or port authorities and other special districts created by state statute or compacts between the states. Excluded from the term are subordinate or non-autonomous divisions, agencies, or boards, within principal departments.

Separately, FDIC personnel have warned public treasurers in several states that insurance protection cannot be multiplied by designating separate official custodians for the funds of a single entity.

- (A) Any institution described in section 135.32 of the Revised Code shall, at the time it receives a deposit of public moneys under section 135.33 or 135.35 of the Revised Code, pledge to and deposit with the investing authority, as security for the repayment of all public moneys to be deposited, eligible securities of aggregate market value equal to or in excess of the amount of public moneys to be at the time so deposited. Any securities listed in division (B) of section 135.18 of the Revised Code are eligible for such purpose. The collateral so pledged or deposited may be in an amount that when added to the portion of the deposit insured by the federal deposit insurance corporation or any other agency or instrumentality of the federal government will, in the aggregate, equal or exceed the

amount of public moneys so deposited; provided that, when an investment of inactive moneys consists of the purchase of one or more of the type of securities listed in division (A)(1) or (2) of section 135.35 of the Revised Code, no additional collateral need be pledged or deposited.

The investing authority also may require that additional eligible securities be pledged or deposited when depreciation occurs in the market value of any securities pledged or deposited.

- (B) The public depository may, at any time, provide for the exchange or substitution of securities for other eligible securities or the release of securities when the amount of public moneys on deposit does not require that they be pledged or deposited, by notifying the investing authority of its intent to take such action.

Upon proper notification of the public depository's desire for release of securities, the investing authority may sign a release of such securities provided that the aggregate amount of collateral remaining pledged or deposited meets the requirements of divisions (A) to (E) of this section.

When a public depository desires to exchange or substitute securities for other eligible securities, the investing authority may release the securities pledged or deposited after the deposit of other securities having a current market value equal to or greater than the current market value of securities then on deposit or after a safekeeping receipt has been received evidencing the deposit and pledge of such securities.

- (C) Upon request from the investing authority, the trustee or the public depository shall furnish a statement of the securities pledged against the public moneys deposited in the public depository.
- (D) If a public depository fails to pay over any part of any public deposit made as provided by law, the investing authority shall sell any pledged or deposited securities, as prescribed in division (C) of section 135.18 of the Revised Code.
- (E) A public depository may designate, in accordance with the provisions of division (D) of section 135.18 of the Revised Code, a trustee for the safekeeping of any pledged securities. Such trustee shall be any bank or other institution eligible as a trustee under division (I) of section 135.18 of the Revised Code, except that, for the purposes of this section, a bank to which a certificate of qualification is issued shall be an institution mentioned in division (A) of section 135.32 of the Revised Code.
- (F) In lieu of the pledging requirements prescribed in divisions (A) to (E) of this section, an institution designated as a public depository may pledge securities pursuant to section 135.181 of the Revised Code.

The following securities, at the specified valuation, are eligible as collateral, provided no such securities pledged as collateral are at any time in default as to either principal or interest:

- (A) Bonds, notes, or other obligations of the United States; or bonds, notes or other obligations guaranteed as to principal and interest by the United States or those for which the faith of the United States is pledged for the payment of principal and interest thereon, by language appearing in the instrument specifically providing such guarantee or pledge and not merely by interpretation or otherwise;

TOPIC 4 - INVESTMENTS (continued)

- (B) Bonds, notes, debentures, letters of credit, or other obligations or securities issued by any federal government agency or instrumentality, or the export-import bank of Washington; bonds, notes, or other obligations guaranteed as to principal and interest by the United States or those for which the faith of the United States is pledged for the payment of principal and interest thereon, by interpretation or otherwise and not by language appearing in the instrument specifically providing such guarantee or pledge;

- (H) Bonds of other states of the United States which have not during the ten years immediately preceding the time of such deposit defaulted in payments of either interest or principal on any of their bonds;
- (I) Shares of no-load money market mutual funds consisting exclusively of obligations described in division (A) or (B) of this section and repurchase agreements secured by such obligations; and
- (J) A surety bond issued by a corporate surety licensed by the state and authorized to issue surety bonds in this state pursuant to Chapter 3929 of the Revised Code, and qualified to provide surety bonds to the federal government pursuant to 96 STAT.1047 (1982), 31 U.S.C.A. 9304.

An institution designated as a public depository shall designate a qualified trustee and deposit with the trustee for safekeeping the eligible securities pledged. The institution shall give written notice of the qualified trustee to any treasurer or treasurers depositing public monies for which such securities are pledged. The treasurer shall accept the written receipt of the trustee describing the pool of securities so deposited by the depository, a copy of which also shall be delivered to the depository.

Upon request of a treasurer no more often than four times per year, a public depository shall report the amount of public moneys deposited by the treasurer, and the total value of the pool of securities pledged to secure public monies held by the depository, including those deposited by the treasurer. Upon request of a treasurer no more often than four times per year, a qualified trustee shall report such total value of the pool of securities deposited with it by the depository and shall provide an itemized list of the securities in the pool. These reports shall be made as of the date the treasurer specified.

Disposition of moneys held by county. Pursuant to Section §135.351 of the Ohio Revised Code and the related attorney general opinions, all interest earned on money included within the county treasury shall be credited to the general fund of the county.

County Treasurer's Manual

TOPIC 4 - INVESTMENTS (continued)

The following exceptions to this general rule have been identified to date:

- (A) Section §135.351(B) of the Ohio Revised Code, establishes requirements for the distribution of moneys belonging to other subdivisions which are invested or deposited by the county. If such moneys are not distributed as required, Section §135.351(C) of the Ohio Revised Code, requires that all interest accruing after the required distribution date be paid to the subdivisions.
- (B) Section §5705.10 of the Ohio Revised Code, requires that all interest earned on money in a fund established to receive the proceeds from the sale of a bond, note, or certificate of indebtedness issue be paid into the fund to which the principal belongs. Thus, the interest earned on money in any bond fund (not bond retirement fund) and in many "construction" or "permanent improvement" funds, depending upon the source of the money in such funds, must be paid into the fund to which the principal belongs, not to the general fund.
- (C) Interest earned on money derived from a motor vehicle license or fuel tax must be paid into the fund to which the principal belongs, not to the general fund. Article XII, Section 5a, Ohio Constitution; 1982 O.A.G. No. 82-031.
- (D) Federal statutory or regulatory requirements may require that interest earned on monies received from the federal government be paid into the fund to which the principal belongs.
- (E) Interest earned on money in the county treasury belonging to a metropolitan park district established under Chapter 1545 of the Ohio Revised Code, must be paid into the fund to which the principal belongs.
- (F) Interest on money in the county treasury derived from the levies for the support of a county board of mental retardation and developmental disabilities or appropriated to such a board must be credited to funds of the board.
- (G) If tax moneys collected by a county for distribution to a park district created under Chapter 1545 of the Ohio Revised Code, the provisions of Section §135.351(B) and (C) apply. If timely payment and distribution is not made, interest must be paid to the park district.
- (H) Interest earned on gifts, grants, or bequests made to the county board of mental retardation and developmental disabilities must be deposited in the county treasury to the credit of the board and must be made available for the use of the board for any purposes stated by the donor or grantor.
- (I) Interest earned on moneys which are derived from a special tax levied pursuant to Section §5705.19(L) of the Ohio Revised Code, and which has been transferred to a permanent improvement fund established pursuant to Chapter 5705.12, Ohio Revised Code, must be credited to the general fund of the county.
- (J) Except as provided in Section §5153.33 of the Ohio Revised Code, moneys donated to a county children services board or to a county department of welfare which has assumed the administration of child welfare must be paid into the county treasury and may be invested. The interest earned upon such money will be credited to the general fund of the county. If such interest has been restricted to use for a particular purpose by the terms of the donation, it may not be expended for another purpose.

All counties should prepare formalized written investment policies. Investment policies serve to aid public officials in identifying investment objectives, to delegate and assign responsibility, and to address the risks inherent with investing public funds. Formal investment policies communicate the county's position to banks, the public and to the county staff.

County Treasurer's Manual

TOPIC 5 – LINKED DEPOSITS

Section 135.805 of the Revised Code, revised as of 3/30/07, provides for linked deposits as follows:

- (A) The general assembly finds that many low to moderate income senior citizens and permanently and totally disabled citizens face financial hardship and find it difficult to timely pay property taxes on their homesteads, which can lead to delinquencies, penalties, declines in tax receipts, foreclosures, a loss of stable and affordable housing, a loss of neighborhoods and communities, and a decline in property values. Accordingly, it is declared to be the public policy of the state through property tax payment linked deposit programs established by counties to provide a source of low-cost funds for lending purposes to assist these citizens in timely paying property taxes on their homesteads.
- (B) A board of county commissioners, by resolution, may establish for the benefit of persons sixty-five years of age or older, or persons who are permanently and totally disabled, or both groups of persons, a property tax payment linked deposit program. The program shall authorize the investing authority of the county, in accordance with division (A)(2) of section 135.353 of the Revised Code, to place certificates of deposit at up to three per cent below market rates with an eligible lending institution, provided that the eligible lending institution agrees to lend the value of such deposit to eligible borrowers at up to three per cent below the present borrowing rate applicable to each eligible borrower. The resolution shall include requirements, parameters, limitations, and other provisions that are consistent with sections 135.804 to 135.807 of the Revised Code and are necessary to establish and carry out the property tax payment linked deposit program, including, but not limited to, all of the following:
 - (1) Eligibility requirements for borrowers who may receive reduced rate loans under the property tax payment linked deposit program, including both of the following:
 - (a) A total income limit for a borrower to be eligible for such a loan;
 - (b) An indebtedness limit that a borrower may not exceed to be eligible for such a loan, under which the sum of all recorded liens on the homestead plus the amount of the reduced rate loan cannot exceed eighty per cent of the homestead's true value as most recently determined by the county auditor.
 - (2) Application procedures for eligible borrowers and eligible lending institutions wishing to participate in the property tax payment linked deposit program;
 - (3) Review procedures for applications and criteria for acceptance or rejection of applications for reduced rate loans under the property tax payment linked deposit program;
 - (4) Necessary agreements between the eligible lending institution and the investing authority of the county to carry out the purposes of the property tax payment linked deposit program, including procedures for the payment directly to the county treasurer by the eligible lending institution of the property taxes due on the homestead and delivery by the county treasurer to the eligible lending institution of the lien certificate as provided in section 135.807 of the Revised Code;
 - (5) Annual reports regarding the operation of the property tax payment linked deposit program to be made by the investing authority to the board of county commissioners.

County Treasurer's Manual

TOPIC 5 – LINKED DEPOSITS (continued)

- (C) A board of county commissioners may appropriate funds from the general fund of the county or any other lawfully available funds of the county for the purpose of defraying some or all of the closing costs and expenses of reduced rate loans made by eligible lending institutions to eligible borrowers pursuant to the property tax payment linked deposit program.
- (D) The county and its investing authority and the board of county commissioners are not liable to any eligible lending institution in any manner for the payment of the principal or interest on any reduced rate loan made under the property tax payment linked deposit program, and any delay in payment or default on the part of any borrower does not in any manner affect the deposit agreement between the eligible lending institution and the investing authority or board of county commissioners.

APPENDIX A SAMPLE INVESTMENT POLICIES

This sample presents three separate county investment policies. Investment policies and procedures will vary from county to county due to available money, size and capabilities of staff, and other factors. Counties need to evaluate their own objectives, philosophies and circumstances to structure their own appropriate investment policies.

For more information regarding the creation of investment policies or other investment questions, counties may contact the Auditor of State's office. In addition, an excellent source of information is the Government Finance Officers Association (GFOA) publication, Investing Public Funds.

County Treasurer's Manual

PICKAWAY COUNTY INVESTMENT POLICY

I. Introduction

The purpose of this investment policy is to establish priorities and guidelines regarding the investment management of the County's operating funds [hereinafter referred to as the "Portfolio"]. Such priorities and guidelines are based upon Chapter 135.35 O.R.C. and prudent money management. The effective date of this policy is September 27, 1996. This policy includes [totally or partially] sections of the statute in order to describe eligible investments. In some sections, the policy places further limits upon the use eligible investments or investment transactions.

The County Treasurer is referred to as the "Investing Authority."

II. Investment Objectives

The investment objectives of the County, in priority order, include:

A. *Compliance with all Federal and State laws*

B. *Safety of principal*

Safety of principal is the most important objective of the County. The investment of County funds shall be conducted in a manner that seeks to ensure the preservation of capital within the context of the following criteria:

o Credit Risk

Credit risk is the risk of loss due to the failure of a security issuer to pay principal or interest, or the failure of the issuer to make timely payments of principal or interest. Eligible investments, pursuant to Chapter 135.35 O.R.C., affected by credit risk include certificates of deposit, commercial paper, and bankers acceptances. Credit risk will be minimized by (1) diversifying assets by issuer; (2) ensuring that required, minimum credit quality ratings exist prior to the purchase of commercial paper and bankers acceptances; and (3) maintaining adequate collateralization of CD's.

o Market risk (interest rate risk)

The market value of securities in the County's portfolio will increase or decrease based upon changes in the general level of interest rates. The effects of market value fluctuations will be minimized by (1) maintaining adequate liquidity so that current obligations can be met without a sale of securities; (2) diversification of maturities; (3) diversification of assets.

County Treasurer's Manual

C. *Liquidity*

The portfolio shall remain sufficiently liquid to meet all current obligations of the County. Minimum liquidity levels [as a percentage of average investable funds] may be established in order to meet all current obligations without having to sell securities. The portfolio may also be structured so that securities mature concurrent with cash needs.

D. *Yield*

The portfolio shall be managed to consistently attain a market rate of return throughout budgetary and economic cycles. The market-average rate of return is defined as the average return on three-month US Treasury bills. Whenever possible, and consistent with risk limitations and prudent investment management, the County shall seek to augment returns above the market average rate of return through the implementation of active portfolio management strategies.

III. Authorized Investments (itemized)

-U.S. Treasury Bills, Notes, and Bonds; various federal agency securities including issues of Federal National Mortgage Assn. (FNMA), Federal Home Loan Mortgage Corp. (FHLMC), Federal Home Loan Bank (FHLB), Federal Farm Credit Bank (FFCB), Student Loan Marketing Assn. (SLMA), Government National Mortgage Association (GNMA), and other agencies or instrumentalities of the United States. Eligible investments include securities that may be "called", [by the issuer] prior to the final maturity date. Any eligible investment may be purchased at a premium or a discount. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities.

IV. Safekeeping and Custody

The investing authority will be responsible for the safekeeping of investment assets of the County. Securities purchased for the County will be held in safekeeping by a qualified trustee [hereinafter referred to as the "Custodian"], as provided in Section 135.37 O.R.C. Securities held in safekeeping by the custodian will be evidenced by a monthly statement describing such securities. The custodian may safekeep the County's securities in (1) Federal Reserve Bank book entry form; (2) Depository Trust Company (DTC) book entry form in the account of the custodian of the custodian's correspondent bank; or (3) Non-book entry (physical) securities held by the custodian or the custodian's correspondent bank. All securities transactions will settle using standard delivery-vs-payment (DVP) procedures. The records of the custodian shall identify such securities in the name of the investing authority.

V. The County Investment Advisory Committee

Pursuant to 135.341 (A), a County Investment Advisory Committee [referred to in this policy as the "Committee"] shall meet at least quarterly to review or revise the investment policy and to advise the investing authority. Any member of the Committee, upon giving five days' notice, may call a meeting of the Committee.

Any amended policy that has been approved by the Investment Advisory Committee shall be filed with the Auditor or State, pursuant to 135.35 (K)(1).

VI. Reporting [parentheses defines statutory terms]

The investing authority [County Treasurer] shall maintain an inventory of all obligations and securities. A description of each security includes type [issue/issuer], cost [original purchase cost or current book value], par value [maturity value], maturity date [receipt date of par value], settlement date [delivery versus payment date of purchased or sold securities], and any coupon [interest] rate. The investment report will also include a record of all security purchases and sales. The investing authority will maintain a monthly portfolio report and issue a quarterly portfolio report to the Committee, detailing the *current* inventory of all securities, all monthly transactions, any income received [maturities, interest payments, and sales], and any expenses paid. The report shall also include the yield of each security, and the average-weighted yield and average-weighted maturity of the portfolio.

The portfolio report shall state the name(s) of any persons or entity effecting transactions on behalf of the investing authority. The monthly portfolio report and the quarterly portfolio report shall be filed with the Board of County Commissioners.

VII. Investment Advisors, Qualified Dealers and Financial Institutions

The Committee is authorized to retain the services of the an investment advisor, pursuant to 135.341 (D). The investment advisor may be required to attend all such meetings and to be prepared to discuss all aspects of the County's portfolio, including bond market conditions affecting the County's investments. The investment advisor shall make recommendations regarding the investment of County funds and/or manage the portfolio of the County [including the execution of investment transactions], in accordance with the authorization of the County Treasurer. Eligible broker/dealers and financial institutions will only be used to execute trades on a "best price and execution" basis.

County Treasurer's Manual

The County may transact business (execute the purchase and/or sale of securities) with eligible Ohio financial institutions, primary securities dealers regularly reporting to the New York Federal Reserve Bank, and regional securities firms or broker dealers licensed with the Ohio Department of Commerce, Division of Securities, to transact business in the State of Ohio. The above firms must also be registered with the National Association of Securities Dealers (NASD).

All persons or entities transacting investment business with the County are required to sign the approved investment policy as an acknowledgment and understanding of the contents of said policy.

VIII. Sale of Securities Prior to Maturity

Pursuant to Section 135.35 (E), securities may be "redeemed or sold" prior to maturity under the following conditions:

- (1) To meet additional liquidity needs
- (2) To purchase another security to increase yield or current income
- (3) To purchase another security to lengthen or shorten maturity
- (4) To realize any capital gains and/or income
- (5) To increase investment quality

Such transactions may be referred to as a "sale and purchase" or a "swap". For purposes of this section, redeemed shall also mean "called" in the case of a callable security.

IX. Procedures for The Purchase and Sale of Securities

All investment recommendations will be communicated verbally [or by facsimile transmission] to the County Treasurer or to an authorized representative, designated by the County Treasurer. All participants in the investment process shall act responsibly as custodians of the public trust. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of the public trust.

Scope of the Investment Policy

These funds are described in the Comprehensive Annual Financial Report (CAFR) of the County released each June. These policies apply to all investment transactions involving the financial assets in these funds. Any practice not clearly authorized under these policies is prohibited. The guidance set forth herein is to be strictly followed by all those responsible for any aspect of the management or administration of these funds.

A current copy of this policy shall be on file with The Ohio State Auditor.

The County Treasurer is responsible to safely invest and reinvest County funds. The Treasurer shall establish written procedures for the operation of the investment program consistent with this investment policy, shall establish a system of controls to regulate the activities of subordinate officials and shall be responsible for all transactions undertaken. Further, the roles and responsibilities of staff assigned to investment management shall be clearly defined through maintenance of formal job descriptions and established chain of command. Staff shall be bonded in amounts appropriate to levels of responsibility and portfolio characteristics.

As stipulated in Ohio Revised Code Section 135.341, The Investment Advisory Committee shall consist of three members; two County Commissioners and the County Treasurer. The Committee may retain the services of an investment advisor, registered under the Investment Advisers Act of 1940, to assist in performing its duties.

The investment Advisory Committee shall review this policy every three months at regularly scheduled public meetings. The Committee may meet more frequently at the request of any member and add, delete, or amend investment policies at these public meetings.

Standard of Prudence

The standard of prudence to be applied to the investment of the County portfolio shall be the industry standard "Prudent Person Rule", which states:

"Investments shall be made with judgment and care, under circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

Investment staff acting in accordance with this policy or any other written procedures pertaining to the administration and management of the County portfolio and who exercise the proper due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that these deviations are reported in a timely fashion to the Investment Advisory Committee and that appropriate action is taken to control and prevent any further adverse developments.

Ethics and Conflict of Interest

Members of the Investment Advisory Committee and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material

Certificates of Deposit will have a maturity of no greater than one (1) year. Collateralization is required on all deposits of County funds by Section 135.18 or 135.181 of the Ohio Revised Code.

- I. Registered Investment Companies (Mutual Funds.)** Shares in open-end, no-load money market mutual funds provided such funds are registered under the Federal Investment Company Act of 1940 and invest exclusively in the securities defined above as U.S. Treasury Obligations and Federal Agency Obligations as required by Section 135.35 of the Ohio Revised Code. Such institutions must also be designated as a depository bank of the County. At no time will the County's investment in a fund represent more than 25% of the total net assets of that fund.

Portfolio Diversification

The portfolio shall be structured to diversify investments to reduce the risk of loss resulting from over-concentration of assets in a specific maturity, a specific issuer or a specific type of security. The maximum percentage of the total average portfolio permitted in each eligible security is as follows:

A.	U.S. Treasury	100% maximum
B.	Federal Agency (Fixed Rate)	100% maximum

D.	Repurchase Agreements	50% maximum*
E.	Commercial Paper and Bankers' Acceptances combined	25% maximum
F.	Certificates of Deposit	20% maximum
G.	Bank Deposits (excluding CDs)	10% maximum
H.	Municipal Obligations	10% maximum
I.	STAR Ohio and Money Market Mutual Funds combined	50% maximum*

County Treasurer's Manual

The County's Portfolio will be further diversified to limit the exposure to any one issuer. No more than 5% of the County's total average portfolio will be invested in the securities of any single issuer with the following exceptions:

U.S. Government Obligations	100% maximum
Repurchase Agreements Counterparties	25% or \$150 million, whichever is less
Mutual Funds	25% maximum

For purposes of this Policy, the County's total average portfolio will be equal to the average investment balance for the 12 month period ending one month prior to the current month, except for the following cash equivalent investments, indicated by an * (Overnight Repurchase Agreements, STAR Ohio, and Money Market Mutual Funds), where the total average portfolio will be equal to the prior day's portfolio market value.

Maximum Maturity

Maintenance of adequate liquidity to meet the cash flow needs of the County is essential. Accordingly, the portfolio will be structured in a manner that ensures sufficient cash is available to meet anticipated liquidity needs. Selection of investment maturities must be consistent with the cash requirements of the County in order to avoid the forced sale of securities prior to maturity.

For purposes of this investment policy, assets of the County shall be segregated into two categories based on expected liquidity needs and purposes—short-term funds and the long-term portfolio. Assets categorized as short-term funds will be invested in permitted investments maturing in six (6) months or less. The average weighted maturity of the short-term assets will not exceed 30 days. The long-term portfolio will be invested in permitted investments with a stated maturity of no more than 5 years from the date of purchase unless the security is matched to a specific obligation or debt of the County. The purchase of any security with a maturity of greater than five (5) years must be approved in advance by the Investment Advisory Committee. To control the volatility of the long-term portfolio, the County Treasurer will determine a duration target for the portfolio, not to exceed three years.

Notwithstanding these limitations, in no case will the assets in either category be invested in securities with a term to maturity that exceeds the expected disbursement date of those funds.

These maturity limits shall not be construed to limit agreements made pursuant to the County's heritage home loan program to renew certificates of deposit linked to eligible loans having maturity of up to ten years.

Prohibited Investments and Investment Practices

The County is expressly prohibited from the following investments and investment practices. This is not an exclusive list.

1. Borrowing funds for the sole purpose of reinvesting the proceeds of such borrowing;

County Treasurer's Manual

2. Issuing Taxable Tax or Current Revenue Anticipation Notes for the sole purpose of investing the proceeds;
3. Investment in reverse repurchase agreements;
4. The purchase of any investment in stripped principal or interest obligations or securities;
5. Short sales (selling a specific security before it has been legally purchased);
6. Pair-offs (buying a security and selling it before the settlement date);
7. Speculative trading (repetitive buying and selling of the same or similar securities for the purpose of capital gains); and
8. Investment in securities commonly known as derivatives, structured notes, or trusts collateralized by Treasury obligations.

Monitoring and Adjusting the Portfolio

Those responsible for the day-to-day management of the County portfolio will routinely monitor the contents of the portfolio, as detailed in the Cuyahoga County Treasurer's Cash Management Procedures Manual, the available markets and the relative values of competing instruments, and will adjust the portfolio as necessary to meet the investment objectives listed above. It is recognized and understood that this non-speculative active management of portfolio holdings may cause a book loss on the sale of an owned investment. It is the policy of the County to charge any such loss against the interest income account during the month in which the loss was booked. Losses shall be allocated to the various funds based on the proportionate fund equity in the total portfolio based on the average daily balance during the month in which the sale occurred. Losses shall only be posted to those funds that can legally accept them.

Internal Controls

The County Treasurer shall establish and be responsible for monitoring a system of internal controls governing the administration and management of the County portfolio, and these controls shall be documented in writing. Such controls shall be designed to prevent and control losses of the County funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by any personnel. The internal controls will address: control of collusion, separation of duties, separating transaction authority from accounting and record keeping, custodial safekeeping, clear delegation of authority, written confirmation of telephone transactions, minimizing the number of authorized investment officials and documentation of investment transactions.

As part of the annual audit of County government, the County Treasurer will have the investment program reviewed by the Auditor of the State of Ohio or other qualified auditing firm. This audit will be designed to establish asset and liability valuations and measure compliance with the County investment policies and procedures. The results of each audit will be disclosed at an open meeting of the Board of County Commissioners. The Board of County Commissioners may periodically seek additional examinations of the investment program at its discretion. The County Treasurer at his or her discretion may contract with an independent firm to audit the County Investment Program.

County Treasurer's Manual

Bank Selection and Review

The County shall select a depository bank and a custodial bank after issuing a request for proposals and evaluating the ability of proposing banks to provide necessary services, adequacy of capital or net worth of the financial institutions as well as pricing for individual services. The depository shall provide collateral for the County deposits in accordance with requirements for public funds deposits in Ohio. The selected depository and custodial banks shall provide updated financial information to the County on an as requested basis and, at least, annually.

Eligible Banks and Broker/Dealers

The Investment Advisory Committee will establish and maintain a list of eligible brokers, dealers, and banks with which investment transactions can be made. These financial institutions will be selected by creditworthiness (minimum capital requirement of \$10,000,000 and at least five years of operation). Qualified firms will be limited to "primary" dealers and other dealers that qualify under Securities and Exchange Commission Rule 15C3-1 (uniform net capital rule.) Written procedures will describe the selection process.

All brokers, dealers and other financial institutions conducting investment business, initiating transactions, or executing transactions initiated by the County, having read this policy shall sign the Investment Policy thereby acknowledging their comprehension and receipt. Current financial statements of eligible banks and broker/dealers shall be kept on file at the County. In addition, all financial institutions interested in transacting securities trades with the County are required to complete a "Broker/Dealer Request for Information" as detailed in the Appendix to this policy.

The County Treasurer may enter into a written investment or deposit agreement that includes a provision under which the parties agree to submit to non-binding arbitration to settle any controversy that may arise out of the agreement including the loss of public moneys resulting from investment or deposit.

Competitive Selection of Investment Instruments

It will be the policy of the County to transact all securities purchase/sales only with approved financial institutions through a format and competitive process requiring the solicitation and evaluation of at least three bids/offers. The County will accept the offer which (a) has the highest rate of return within the maturity required; and (b) optimizes the investment objective of the overall portfolio. When selling a security, the County will select the bid that generates the highest sale price. If there is a tie bid between one or more brokers, the County Treasurer will award the winning bid to the brokers on a rotating basis.

It will be the responsibility of the personnel involved with each purchase/sale to produce and retain written records of each transaction including the name of the financial institutions solicited, rate quoted, description of the security, investment selected, and any special considerations that had an impact on the decision. If the lowest priced security (highest yield) was not selected for purchase, an explanation describing the rationale will be included in this record.

County Treasurer's Manual

Primary fixed price Federal Agency offerings may be purchased from the list of qualified broker/dealers without competitive solicitation. However, before purchasing any primary fixed price agency offering, the County Treasurer will evaluate the appropriateness of the offering as it relates to comparable investments. If it is determined that agency obligations meeting the County's requirements are available in the secondary market at a higher yield, then the outstanding obligation shall be purchased following competitive bidding procedures.

In making investment decisions, all other things being equal and subject to compliance with any applicable Internal Revenue Code requirements for bond proceeds, investment in corporations and financial institutions doing business in the State of Ohio will be given preference over other investment options.

Investment of Bond Proceeds

The resolutions providing for the payment of presently outstanding debt of the County impose certain restrictions on the investment of funds pledged to the payment of principal, interest and other costs associated with the bonds. Those funds established by the provisions of the bond resolutions will be managed in accordance with the terms and conditions of the bond covenants if those requirements are more restrictive than this investment policy.

The County intends to comply with all applicable sections of the Internal Revenue Code of 1986, Arbitrage Rebate Regulations and bond covenants with regard to the investment of bond proceeds.

Safekeeping and Custody

All investment securities purchased by the County or held as collateral on either deposits or investments shall be held in third-party safekeeping at a financial institution (to be designated as the "Custodian") qualified to act in this capacity. All securities held for the County account will be held free and clear of any lien and all transactions will be conducted on a delivery-vs.-payment basis. All purchases and sales will be transacted on a cash, regular (next day) or "skip-day" settlement basis. The Custodian shall issue a safekeeping receipt to the County listing the specific instrument, rate, maturity and other pertinent information. On a monthly basis, the custodian will also provide reports which list all securities held for the County, the book value of holdings and the market value as of month-end.

Appropriate County officials and representatives of the Custodian responsible for, or in any manner involved with, the safekeeping and custody process of the County shall be bonded to such a degree as to protect the County against losses from malfeasance and misfeasance.

Performance Standards

The investment portfolio shall be designed and managed with the objective of obtaining a market rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and cash flow needs of the County. Short-term funds will be compared to the return on the three-month U.S. Treasury Bill and an institutional money market mutual fund with comparable investment restrictions. The long-term portfolio will be compared to an index of U.S. Treasury securities having a similar duration or other appropriate benchmark.

County Treasurer's Manual

Reporting

The County Treasurer shall maintain accurate, complete, and timely records of all investment activities. Within ten (10) business days of the end of the month, the County Treasurer shall submit an investment report to the Investment Advisory Committee and the Working Group of the Investment Advisory Committee each month. This report shall include: (i) a listing of the existing portfolio in terms of investment securities, amortized book value, maturity date, return, market value and other features deemed relevant and (ii) a listing of all transactions executed during the month. The market values presented in these reports will be consistent with accounting guidelines in GASB Statement 31 pertaining to the valuation of investments and the treatment of unrealized gains/losses. The report will also include a statement that the investment of the County portfolio is in compliance with this Policy and any applicable bond resolutions.

The County Treasurer shall also prepare quarterly and annual reports in sufficient detail to provide full disclosure of all investment activities to the Board of County Commissioners, the Investment Advisory Committee and the general public.

INVESTMENT POLICY

Effective cash management is recognized as essential to good fiscal management. This is particularly true as mounting costs and expanding programs have placed ever increasing pressures on local governmental revenues. Investment returns on funds not immediately required can help to reduce this pressure. Effective cash management of these funds requires that an investment policy be well-founded and uncompromisingly applied. Bank management practices represent an important part of the overall treasury management function. This relationship is also fundamental to a successful cash management program.

I. OBJECTIVES AND GUIDELINES:

The following investment procedures will be applied in the management of County funds:

- A. The primary objective of the County's investment activities is the preservation of capital and the protection of investment principal.
- B. In investing public funds, the County will strive to maximize the return on the portfolio but will avoid assuming unreasonable investment risks.
- C. The County's investment portfolio will remain sufficiently liquid to enable the County to meet operating requirements which might be reasonably anticipated.
- D. The County will diversify its investments to avoid incurring unreasonable and avoidable risks regarding specific security types, individual financial institutions, and maturities.
- E. Investments shall be made with the exercise of that degree of judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering the probable safety of their capital as well as the probable income to be derived.

II. MATURITY:

To the extent possible, the County will attempt to match its investment maturities with anticipated cash flow requirements. For funds not needed for cash flow requirements, the maximum stated final maturity shall not exceed five (5) years. It is permissible to match investment maturities with known obligations of the County beyond five years, but only with the specific approval of the Investment Advisory Committee.

III. INSTRUMENTS:

The investing authority shall deposit or invest any part or all of the County's inactive moneys. The following classifications of securities and obligations are eligible for such deposit or investment:

- 1. Bonds, notes, or other obligations of, or guaranteed by, the United States, or those for which the faith of the United States is pledged for the payment of principal and interest thereon.
- 2. Bonds, notes, debentures, or any other obligations or securities issued by a federal government agency, or instrumentality.

County Treasurer's Manual

3. Time Certificate of Deposit or savings or deposit accounts, including, but not limited to, pass book accounts, in an eligible institution mentioned in Section 135.32 of the Ohio Revised Code.
 - A. The investing authority may also enter into a repurchase agreement under the terms of which agreement the investing authority purchases and the seller agrees unconditionally to repurchase any of the securities listed in Division (A) (1) or (2) of this section.
 - B. Further, the investing authority shall be permitted, pursuant to Section 135.45 of the Ohio Revised Code, to invest monies in the Statewide Investment Pool, known as the State Treasurer Asset Reserve of Ohio (STAR OHIO), under the custody and control of the Treasurer of the State.
 - C. Any securities, Certificates of Deposit, deposit accounts, or any other documents evidencing deposits or investments made under the name of the County with the County Treasurer or investing authority as the designated payee. If any such deposits or investments are registerable either as to principal or interest, or both, they shall be registered in the name of the Portage County Treasurer.
 - D. Bankers Acceptances and Commercial Paper as permitted under 135.35, Section A (8) and (9), of the Ohio Revised Code.
 - E. No-load Money Market Mutual Funds, as permitted under 135.35, Section A (5).
 - F. The investing authority shall be responsible for the safekeeping of all documents evidencing a deposit or investment acquired under this section including, but not limited to, safekeeping receipts evidencing securities deposited with a qualified trustee, as provided in Section 135.37 of the Revised Code, and documents confirming the purchase of securities under a repurchase agreement and deposited with a qualified trustee.

The County shall not invest in any of the following investment instruments:

Collateralized Mortgage Obligations (CMO's) - CMO's are bond classes created by redirecting the cash flows of mortgage-related products so as to mitigate prepayment risk (CMO's, IO's, PO's).

Residuals - This security is the excess cash flow from a mortgage-backed security after all other payments have been satisfied.

Corporate Bonds - Debentures, Medium Term Notes, or First Mortgage Bonds issued by any corporation that does not have the guarantee of the United States, or those for which the faith of the United States is not pledged for the payment of principal and interest.
