VILLAGE AND TOWNSHIP BUDGET COMMISSION PROCEDURES

Below is a listing of steps taken for Villages / Cities / Townships to follow when preparing information for their upcoming budgets and meeting with the Budget Commission. It is broken down into separate sections: PREPARATION FOR NEW YEAR, BUDGET COMMISSION HEARINGS, YEAR END, NECESSARY AMENDMENTS FILED WITH THE COUNTY AUDITOR.

In order to simplify things, we will be following the process taking place during 2018 in preparation for the 2019 budgets.

PREPARING THE BUDGET (2019)

- 1. Early to Mid May 2018, the County Auditor's Office sends out a reminder that each entity much file their 2019 budgets with the County Auditor by July 20, 2018.
 - a. If an entity determines that it will not be able to file its 2019 budget by July 20, then it can request an extension with the County Auditor's Office. The extension should include the request, the reason needed for the extension, and the estimated date as to when the 2019 budget will be filed with the County Auditor.
- 2. If on UAN, the entity can print the items listed below from the system. If they are not on UAN, then the County Auditor can either supply them with a blank form or the entity can create their own, as long as all of the necessary information is included:
 - a. <u>Schedule A</u> Summary of Amounts Required from General Property Tax Approved by the Budget Commission and County Auditor's Estimated Tax Rates. It shows the inside and outside millage rates as well as the dollar amount of taxes revenue estimated to be generated by each.
 - b. Schedule B Listing of Levies Outside of the 10 Mill Limitation.
 - c. **Financial Worksheet** This can either be printed from UAN or can be prepared by the entity in some other form.
 - i. This worksheet shows a two year history (2016 and 2017) of actual receipts and disbursements and fund balances, the yearly estimated revenues and appropriations for the current year (2018), and the estimated revenues and appropriations for the budge year (2019).
 - ii. Information is provided for every fund.

- iii. The County Auditor should use his or her estimates for property taxes and local government monies as they will be better information than the entities (i.e. updated tax valuation information). For all other estimated revenues (gas tax, MVL monies, fees, etc.), the County Auditor should check for reasonableness and, if appropriate, ask questions or request additional supporting documentation.
- iv. For appropriations, the County Auditor should check for reasonableness along with verifying that total appropriations by fund will not exceed estimated revenues plus available fund balance.
- v. If a negative fund balance is projected or appropriations do not seem accurate, the County Auditor should inquire as to why amounts appear to be incorrect or why a negative fund balance is projected.
- 3. Once all information has been reviewed by the County Auditor and any / all questions have been asked, the County Auditor then makes any corrections to Schedules A and B and the Financial Worksheet. The County Auditor also prepares an Official Certificate or Estimated Resources.
 - a. HOWEVER, this certificate is not official UNTIL the Budget Commission hearing is held and the Official Certificate is signed by the Budget Commission.
 - b. Three copies of the corrected information are prepared. One is given back to the entity to show that the information was filed with the County Auditor. The other two copies are kept with the County Auditor until the Budget Commission hearing.

BUDGET HEARINGS

- 1. County Auditor tries to schedule all Budget Commission hearings either by late August or early September.
- 2. They send out a two week notice ahead of the established date. They also ask that each entity replies and informs the Budget Commission if they intend to show up.
- 3. The entities are set up in 10 minutes intervals. At the Budget Commission hearing:
 - a. The County Auditor goes over the most recent assessed valuation information for the entity.
 - b. The County Auditor goes over the tax revenue estimates that were provided on the 2019 Official Certificate of Estimated Resources.
 - c. They also discuss any levies that are currently on the ballot in the November election OR the Budget Commission will remind an entity if one or more than one of their current levies will be expiring soon as a reminder to file the proper paperwork timely if they want to renew or replace the levy.
 - d. The entity is also free to ask any questions during the hearing.

- e. Once all information has been discussed and no further questions exist, the Budget Commission then signs the Official Certificate of Estimated Resources.
- 4. The Budget Commission will then give the entity back a second, corrected copy of the Schedule A, Schedule B, Financial Worksheet and Official Certificate of Estimated Resources. The County Auditor also keeps a copy of this information and files it in the entity's file.
 - a. **A NOTE** if the entity does not attend the Budget Commission hearing, the County Auditor should make arrangements with the entity's fiscal officer to provide them the final information discussed and approved at the Budget Commission.
- 5. Once this information is received back from the Budget Commission, the entity should prepare a resolution accepting the tax rates and amounts provided at the Budget Commission hearing (see sample). This resolution should be prepared and should be accepted at the next Council / Trustee meeting.
 - a. One copy of this resolution should be kept by the entity
 - b. One copy should be returned to the County Auditor's Office
 - c. According to Ohio Law, this resolution is due back to the County Auditor's Office by October 1.
- 6. November Election If an entity has a levy on the ballot for the November election, once the election results are certified by the Board of Elections and if the levy passed, then the County Auditor examines the results and issues a new 2019 Amended Certificate of Estimated Resources. This also applies if the entity experiences any changes in revenues that would affect their revenue estimates (i.e. unexpected increase or drop in 2018 gas tax or MVL tax collections).

2018 YEAR END

- 1. Before the 2018 year is over, the County Auditor sends out a reminder that, once the entity has reconciled and closed their books, they need to submit to the County Auditor their 2018 actual year-end fund balances information for all funds. No date is established; however, they do need the information as soon as it becomes available.
- 2. Also, the entities should provide a copy of their 2019 Appropriation Resolution to the County Auditor. These appropriations should be based on the most recent Certificate of Estimated Resources provided by the County Auditor.
 - a. <u>Appropriations are not considered official and available to be spent until</u> the Appropriation Resolution has been filed with the County Auditor.
 - **b.** Once filed, the County Auditor compares the Appropriation resolution to the most recent Official / Amended Certificate of Estimated Resources to make sure that overspending is not going to occur.

- c. Once the comparison is made, the County Auditor sends a notification letter to certify that Total Appropriations DO / DO NOT Exceed the Certificate of Estimated Resources.
- 3. Once the County Auditor receives the 2018 actual year-end fund balances, he or she will issue an Amended Certificate of Estimated Resources with the new, updated actual year-end fund balances included in the first column.

AMENDING THE 2019 CERTIFICATE of ESTIMATED RESOURCES / APPROPRIATIONS DURING THE YEAR

Should an entity determine they either need to increase or decrease estimated revenues or appropriations during 2019:

- 1. If an entity determines they need to increase or decrease estimated revenues in a fund or funds, they should request an updated amended certificate from the County Auditor with the appropriate change.
 - a. This should only be done if TOTAL estimated revenues within a fund will increase or decrease.
- 2. If the appropriations need adjusted due to this change, then new appropriations should also be included in the request, especially if a decrease is requested.
 - a. New appropriations SHOULD NOT be filed with the County Auditor if the entity is just moving appropriations between line items. These moves do not require County Auditor approval; just the approval by the entity's governing body (depending on legal level of control). Only increases or decreases in total fund appropriations should be filed with the County Auditor.
 - b. If a decrease in the Amended Certificate is requested, it should be assumed that a decrease in appropriations will also occur in order to avoid potential overspending.

3. <u>No corrections are considered official until it has been filed with the County</u> <u>Auditor's office.</u>
